# President's Notes

Dear Fellow Rotarians, Guests, and Friends,

It is with great joy and gratitude that I reach out to you through this message. As we continue our journey of service, fellowship, and meaningful impact, I am honored to share the highlights of our recent projects, upcoming activities, and the exciting opportunities that await our club.

Through the true spirit of service and collaboration, the **Rotary Club of San Juanico**, in partnership with the **Rotary Club of Bagong Bayan**, proudly turned over a **Jetmatic Pump to Brgy. San Ramon**—bringing the community closer to clean, reliable, and sustainable water access. This meaningful project reflects our commitment to addressing real needs and creating lasting impact through unity and compassion.

We also celebrate the energy and inspiration brought by our recent activities. The **Victor A. Domingo Chess Classic Tournament** showcased not only talent and sportsmanship, but also our dedication to youth development and community engagement. Truly, new beginnings, exciting plans, and greater opportunities await our club.

Our **12th Regular Meeting** further strengthened our fellowship as we warmly welcomed guests from the **incoming Satellite Club in Burauen, Leyte**. With productive discussions on upcoming projects and important updates, we are excited to share that from **January 13 to 17, 2026**, we will be traveling to China for our fellowship. This international gathering will not only enrich our cultural understanding but also strengthen our global Rotary ties, inspiring us to bring home new insights that will further elevate our service to our communities.

Let us remain united, proactive, and passionate in everything we do. Together, we will continue to turn compassion into action and transform lives—locally and globally.

Thank you, and Mabuhay ang Rotary Club of San Juanico!

# R.I. PRESIDENTIAL MESSAGE

## January 2026

In a garage outside Salinas, California, young people who are learning to restore classic cars are doing more than developing a skill — they are reclaiming their futures. This training program provides mentorship and, for some, a path away from gang involvement toward meaningful employment. Graduates leave with certifications, practical experience, and hope.

This is what Rotary's Vocational Service Month celebrates each January — the power of bringing together people with unique skills to do good in the world. It reminds us that integrity isn't just about our actions matching our words. Integrity is in everything we do.

The California automotive program has been such a success because it was built on integrity. Members of the Rotary Club of Carmel-by-the-Sea didn't assume they knew what the community needed. They listened. They learned there was a shortage of skilled mechanics as well as a large number of young people lacking job training. They recognized that technical skills alone wouldn't be enough, so they partnered with Rancho Cielo, a nonprofit offering counseling and support services alongside vocational training.

**FRANCESCO AREZZO**  
Rotary International  
President Rotary Year 2025-2026

That is The Four-Way Test in action. Those four simple questions help us not judge others but guide us toward genuine, effective service.

Consider our commitment to ending polio. For nearly 40 years, we have promised the world's children we will eliminate this disease. Despite obstacles, we persist, and today we are closer to defeating the virus. Keeping this promise is the very definition of integrity.

The same integrity must drive our vocational service. With 1.2 billion young people in emerging economies reaching working age in the next decade and only 420 million jobs projected, we face a critical gap. Communities long excluded from economic opportunities need our support.

But support doesn't mean imposing our will. It means listening to local needs, building partnerships, and designing projects that communities can sustain themselves.

You have knowledge that can transform lives. Whatever your profession, your expertise combined with Rotary's values creates lasting change. The question isn't whether you have something to offer, it's how you'll use your skills to serve.

This January, I encourage you to ask how your club can address vocational needs in your community. What skills do your members have that could change someone's life? How can your networks open doors for young people? What partnerships can create sustainable jobs?

Let integrity guide you. Let The Four-Way Test light your path. And let the young people in California and the multitudes worldwide who need job skills remind you why vocational service matters.

Let us celebrate putting our professional skills to work for humanity with integrity at the heart of everything we do.
