PEOPLE OF ACTION

President's Notes

Fellow Rotarians,

September has truly been a month filled with purpose, connection, and meaningful action. Each activity we've accomplished reflects our shared commitment to serve above self and build stronger communities together.

On September 18, we spread joy and creativity through "BaSayaw Kita: Kinding-Kinding", celebrating culture and unity with our young learners. This heartwarming event reminded us that service can also be fun, inspiring, and deeply rooted in our local heritage.

On September 27, our members participated in "One Bottle, One Promise", reaffirming our advocacy for environmental protection and sustainability. On the same day, we held our 6th Regular Meeting, where ideas flowed, plans were strengthened, and our fellowship grew even closer.

As the month came to a close, September 29 marked the 4th Area Committee Meeting (ACOM) — a gathering that strengthened collaboration among clubs and inspired us with shared goals for impactful service. Finally, on September 30, we wrapped up the month with another round of "BaSayaw: Kinding-Kinding", carrying forward the same spirit of joy, compassion, and hope. Each of these milestones reflects not just events, but stories of dedication, teamwork, and love for service. Let us continue to move forward with the same energy and unity as we welcome the coming months of Rotary service.

Together, we make change happen — one project, one promise, and one act of kindness at a time.

In service above self,

WINSTON U. YAO CABIGON

R.I. PRESIDENTIAL MESSAGE

September 2025

When I stepped into the role of Rotary International president, the moment came swiftly and unexpectedly. It got me thinking how the world can change in an instant, and how Rotary has the power to be a steady force for good in that change. This month, Rotary's Basic Education and Literacy Month, we have a clear call to action: to strengthen the foundation of learning in every community we serve.

Millions of people worldwide remain unable to read. Millions of children lack access to basic education. And yet, we know the solution: sustainable, inclusive, and equitable education, especially for girls and marginalized youths. Literacy is more than the ability to read and write. It is the key to human dignity, economic mobility, and peace. Every book opened, every classroom supported, and every teacher trained becomes a building block of peace.

FRANCESCO AREZZO

Rotary International

President Rotary Year 2025-2026

This year, our message is Unite for Good. "Unite" speaks to the strength we find in each other. When we unite our talents and resources — not only among our clubs but across partners, organizations, and communities — we expand our reach. And when we do so consistently over time, we create lasting change. Rotary service cannot be measured only in annual goals. Our work in education must extend beyond a single year. Literacy projects take time to take root, grow, and bear fruit.

Now is the time to think boldly and creatively. New types of clubs can help us engage educators, students, and advocates in new ways. Let us use this month to welcome new members with a passion for education and empower existing ones to lead service projects that reflect local needs. Whether you're building libraries, distributing textbooks, or mentoring students, your actions matter.

Education is also peacebuilding. Every scholarship we provide, every early childhood program we support, every adult literacy class we fund is an act of peace. And Rotary has been building peace in this way for more than a century.

Let us not forget that the fight for literacy is not only about access, it's about equity. It is about ensuring every learner, regardless of background, has the opportunity to reach their potential. And it is about standing together — across borders, languages, and generations — to say that education is a right, not a privilege.

Let's Unite for Good by committing to literacy that lasts. Let's dream of a world where every child learns to read. And then, as people of action, let's work together to make that dream a reality.

Together, we can change lives, starting with the power of education. Together, we Unite for Good.
