RI PRESIDENTIAL MESSAGE

August is Membership Month, but our commitment to growth and connection is year-round. When we focus on growing Rotary, we grow our ability to serve, to lead, and to bring lasting change.

Membership growth isn't just about numbers. It's about opening doors. It's about inviting more people who are ready to give their time, talents, and hearts to a cause greater than themselves. When we welcome new members, we bring in fresh ideas and new energy. We expand our impact, strengthen our clubs, and ensure that Rotary continues to evolve with the world around us.

Remember, there is now great flexibility in fashioning nontraditional club models. I'm inspired when I see these innovative clubs thrive by offering new and prospective members more ways to connect and serve. In Korea, the growth of satellite clubs has created opportunities for nearly 1,000 new members to find their place in Rotary. In Romania, the close collaboration between Rotarians, Rotaractors, and Interactors has built a pipeline of future leaders. In India, some Rotarians gather around a shared interest – whether it's professional development or a passion for service – and those connections deepen their commitment and their joy in being part of Rotary. And we've seen cause-based clubs thrive in regions as diverse as Southeast Asia, Africa, and Europe.

There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization.

This spirit of innovation is also guiding our efforts to reach new communities. In places where there has never been a Rotary club – or where a club once existed and faded – Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities.

Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant.

No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good. Let's prioritize membership growth – not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and Unite for Good.

FRANCESCO AREZZO

Rotary International President

PRESIDENT'S NOTES

As President of the Rotary Club of San Juanico, I take great pride in our club's active participation in the District Mangrove Planting Activity, "Restore the Coast, Reclaim the Future," held on August 2, 2025, at Brgy. Malaguicay, Abuyog, Leyte under Rotary District 3860.

Standing along the shoreline and planting mangrove seedlings alongside fellow Rotarians and volunteers was a powerful reminder that service extends beyond immediate needs—it reaches into the future. Each seedling we placed into the soil symbolized hope, resilience, and our shared responsibility to protect our environment.

Mangroves are more than trees; they are protectors of our coastal communities. They shield shorelines from erosion and storm surges, nurture marine life, and help combat the effects of climate change. By participating in this initiative, our club reaffirmed its commitment to sustainable action and environmental stewardship.

What moved me most was witnessing our members' dedication—not just in showing up, but in truly understanding the importance of what we were doing. Service Above Self is not just a guiding principle we recite; it is a value we live out through meaningful, hands-on efforts like this.

As these mangroves grow stronger with time, I am confident that so will our commitment to protecting our communities and preserving our natural resources. The Rotary Club of San Juanico remains steadfast in leading initiatives that create lasting impact—because the future we hope for begins with the actions we take today

WINSTON U. YAO CABIGON

ROTARY CLUB OF SAN JUANICO JOINS DISTRICT MANGROVE PLANTING INITIATIVE

In a strong show of environmental leadership, the Rotary Club of San Juanico actively participated in the District Mangrove Planting Activity titled "Restore the Coast, Reclaim the Future" on August 2, 2025, at Brgy. Malaguicay, Abuyog, Leyte. The initiative, organized within Rotary District 3860, brought together Rotary and Rotaract Clubs in a unified effort to address climate challenges and strengthen coastal resilience.

Recognizing the urgent need to protect vulnerable shorelines, the Rotary Club of San Juanico joined fellow clubs in planting mangroves—nature's frontline defense against storm surges, coastal erosion, and habitat loss. These trees play a vital role in stabilizing coastlines, improving water quality, and supporting marine biodiversity, making them essential to both environmental protection and community sustainability.

For the Rotary Club of San Juanico, participation in this initiative reflects a broader vision of service—one that goes beyond immediate projects and invests in long-term environmental security. By contributing time, effort, and leadership, the club reaffirmed its commitment to proactive and sustainable solutions for the communities it serves.

As the newly planted mangroves begin to grow along the coast of Abuyog, they stand as living symbols of resilience and responsibility. Through united action and purposeful leadership, the Rotary Club of San Juanico continues to prove that meaningful service today helps secure a safer and greener tomorrow.
