# RI PRESIDENTIAL MESSAGE

October is Rotary's Community Economic Development Month, a time to spotlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns perfectly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. That is precisely what Rotary's economic development projects aim to achieve. Take, for example, a recent initiative in southern India in which Rotary members unlocked the power of women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and are shunned by society or blamed for their misfortunes. Opportunities to support themselves or obtain training are minimal.

This year, the Rotary Club of Windsor Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India – and with the Indian organization Sevalaya Trust – to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each woman received a certificate for completing the program, and the sewing-machine provider offered free long-term maintenance for the machines. The project offered vital income and dignity to women ostracized by society after widowhood.

This story is one example of Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or to impose outside models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is there untapped talent that could be supported with training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups?

Leadership is not always about being visible. Sometimes it means listening, working collaboratively, and amplifying the voices of others. That approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity – whether through microcredit groups, vocational training workshops, or entrepreneurship programs – we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart. By nurturing local leadership, we can create opportunities that ripple through communities, empowering individuals, families, and societies. Together, we can support economies that work for everyone and enact community development projects that last.

**FRANCESCO AREZZO**

# PRESIDENT'S NOTES

On October 25, 2025, the Rotary Club of San Juanico (RCSJ), together with our fellow Rotary and Rotaract Clubs, came together at the RTR Plaza Grounds for “Zumba Tayo to End Polio 2025.”

This event was more than a celebration of fitness and fellowship—it was a powerful expression of our commitment to Rotary’s global End Polio Now campaign. Seeing Rotarians, Rotaractors, and community partners unite for a common cause reminds us that service can be joyful, inclusive, and impactful all at once.

Through every step, every beat, and every shared moment of energy, we strengthened awareness about the urgent need to eradicate polio completely. While tremendous global progress has been achieved, our mission continues until the disease is fully eliminated. Activities like this help keep the advocacy alive in our communities, inspiring more people to support immunization efforts and public health initiatives.

I extend my heartfelt gratitude to all participants, organizers, sponsors, and partners who made this event a success. Your enthusiasm reflects the true spirit of Rotary—service above self, fueled by unity and compassion.

Let us continue to move together—not only in dance, but in purpose—until we achieve a world where every child is safe from polio.

**WINSTON U. YAO CABIGON**

# ROTARY AT WORK

A showcase of the Rotary Club of San Juanico's ongoing service projects, initiatives, and meaningful community engagements.

OCTOBER HIGHLIGHTS

October 25, 2025

## **RCSJ AND ROTARY PARTNERS DANCE FOR A CAUSE AT “ZUMBA TAYO TO END POLIO 2025”**

In partnership with the Municipality of Julita, the Rotary Club of San Juanico (RCSJ) successfully conducted a Breast Cancer Awareness Campaign at Liga Hall on October 28, 2025.

The meaningful initiative was graced by the presence and support of Irvin Toytoy Ramos Dy, Municipal Mayor of Julita, whose attendance underscored the local government's commitment to promoting women's health and preventive care within the community.

The campaign gathered women, community leaders, and health advocates in an empowering session focused on awareness, early detection, and prevention. Participants received valuable information on recognizing early signs and symptoms of breast cancer, understanding risk factors, and the importance of regular self-examinations and medical check-ups. The central message was clear and urgent: early detection saves lives. Beyond the medical information shared, the event fostered solidarity and strength. Each pink ribbon symbolized hope. Every shared story reflected courage. The gathering created a safe and supportive space for open conversations about women's health—breaking stigma and encouraging proactive care.

RCSJ remains steadfast in its mission to serve communities not only through direct assistance, but through education and empowerment. By working hand in hand with local leaders and stakeholders, the club continues to champion initiatives that uplift lives and promote healthier futures.

Let us continue the fight—advocate, educate, and inspire others to prioritize their health. Together, we move closer to a future where awareness leads to prevention, and prevention saves lives.
