# RI PRESIDENTIAL MESSAGE

October is Rotary's Community Economic Development Month, a time to spotlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns perfectly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. That is precisely what Rotary's economic development projects aim to achieve. Take, for example, a recent initiative in southern India in which Rotary members unlocked the power of women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and are shunned by society or blamed for their misfortunes. Opportunities to support themselves or obtain training are minimal.

This year, the Rotary Club of Windsor Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India – and with the Indian organization Sevalaya Trust – to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each woman received a certificate for completing the program, and the sewing-machine provider offered free long-term maintenance for the machines. The project offered vital income and dignity to women ostracized by society after widowhood.

This story is one example of Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or to impose outside models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is there untapped talent that could be supported with training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups?

Leadership is not always about being visible. Sometimes it means listening, working collaboratively, and amplifying the voices of others. That approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity – whether through microcredit groups, vocational training workshops, or entrepreneurship programs – we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart. By nurturing local leadership, we can create opportunities that ripple through communities, empowering individuals, families, and societies. Together, we can support economies that work for everyone and enact community development projects that last.

**FRANCESCO AREZZO**

## PRESIDENT'S NOTES

Health awareness is often treated as information—but its real value lies in action. The Breast Cancer Awareness Campaign in Julita is a reminder that knowledge, when shared effectively, becomes a tool for prevention. Early detection is not complicated—but it requires awareness, access, and the willingness to act before it is too late.

With the support of Irvin Toytoy Ramos Dy and the Municipality of Julita, this initiative created more than just a learning space—it created a platform for openness, confidence, and collective responsibility toward women's health.

But this also raises a critical question: how do we ensure that awareness does not end with the session? The true impact of this campaign will be seen in the habits formed after it—in regular self-examinations, in seeking medical guidance, and in conversations that continue within homes and communities.

As a club, our role is not only to inform, but to empower. To create environments where individuals feel equipped and supported to take charge of their health.

Because in the end, saving lives does not begin in hospitals—it begins in awareness, strengthened by action, and sustained by community.

## MAYOR'S MESSAGE

As the Municipal Mayor of Julita, I am deeply honored to witness and support the Breast Cancer Awareness Campaign led by the Rotary Club of San Juanico. This initiative is more than just an educational activity—it is a vital step in empowering our women and families with life-saving knowledge.

Through the efforts of RCSJ, our community was provided with practical guidance on early detection, prevention, and self-care, fostering awareness that can truly save lives. The program also created a platform for open dialogue, encouraging women to take charge of their health without fear or hesitation.

I commend the Rotary Club of San Juanico for their unwavering commitment to service, education, and community well-being. Together, we continue to build a healthier and stronger Julita—one initiative at a time.

**HON. IRVIN TOYTOY RAMOS DY**

Mayor of Julita Leyte

# ROTARY AT WORK

A showcase of the Rotary Club of San Juanico's ongoing service projects, initiatives, and meaningful community engagements.

OCTOBER HIGHLIGHTS

October 28, 2025

## **RCSJ LEADS BREAST CANCER AWARENESS CAMPAIGN IN JULITA, LEYTE**

On October 4, 2025, the RCSJ (Rotary Club of San Juanico Tacloban) proudly participated in the Agri Fair & Farmers Day 2025, in partnership with the Municipality of Tabontabon and B-MEG, in a meaningful celebration honoring the dedication and resilience of our local farmers.

Anchored on the theme "Honoring the hands that feed the nation and the hearts that nurture the earth," the event recognized the vital role farmers play in ensuring food security, sustaining livelihoods, and driving community development. It gathered agricultural stakeholders, local leaders, and residents in a shared commitment to strengthen and uplift the farming sector.

Through this collaboration, RCSJ reaffirmed its support for programs that empower farmers through innovation, knowledge-sharing, and improved access to agricultural resources. By fostering strong partnerships between local government, private sector partners, and community organizations, the initiative highlighted a united vision for sustainable agricultural growth.

Farmers remain the backbone of our communities. Their tireless efforts nourish families, fuel local economies, and secure the future of the next generation. As we celebrate their invaluable contributions, RCSJ renews its commitment to initiatives that promote resilience, productivity, and inclusive progress.

When our farmers thrive, our communities flourish. Together, let us continue to uplift those who feed the future and cultivate hope for generations to come.
