# RI PRESIDENTIAL MESSAGE

At last month's International Assembly, President-elect Olayinka "Yinka" Hakeem Babalola called on members of the Rotary world to live out our presidential message for the 2026–27 Rotary year: Create Lasting Impact.

This February, as we observe Peacebuilding and Conflict Prevention Month, we have an opportunity to channel Yinka's call to action into real change. Peace is not simply the absence of war. A life free from conflict but marked by hunger, instability, or the inability to care for one's family is not true peace. Peace requires liberty, opportunity, and respect for human dignity. Yet fear often blocks that path — fear of change, of cultural loss, of people we don't understand.

Fear isn't defeated through avoidance or aggression. Knowledge is the first step toward peace. Rotary embraces this idea. Our Rotary Peace Centers and their peace fellows, along with other peace education initiatives, demonstrate how knowledge builds trust and helps communities find solutions to conflict.

In Colombia, decades of conflict have left deep wounds. The 2025 Rotary Foundation Programs of Scale awardee, Pathways to Peace and Prosperity, partners with the United Nations World Food Programme to expand opportunity, improve conflict resolution, and connect people with social services. Its goal is to break cycles of violence, poverty, and food insecurity so peace can take root. In Maharashtra, India, People of Action honoree Swati Herkal built peace through prosperity. Her project confronted farmers' declining soil health, rising debt, and illness caused by chemical fertilizers. She and her Rotary partners launched a regenerative agriculture program that revitalized the land, lowered costs, and restored stability. More than 1,100 farmers now participate and over 50 villages have adopted the model.

Rotary also advances peace by restoring dignity. In Chad, Rotary Peace Fellow Domino Frank discovered that more than 1,500 women who fought in a rebellion had been erased from reintegration programs. His advocacy led to Chad's first Rotary Foundation global grant and the creation of Corridors of Peace. More than 100 women — triple the goal — completed literacy and vocational training and formed a cooperative to support their families.

From Colombia to India to Chad, the lesson is clear: Peace is not a dream. It is the result of sustained action with a focus on true, lasting impact. To replicate these successes, Rotary clubs can take three steps: Learn from peace fellows and other peace experts in our organization, apply a peacebuilding lens to community assessments, and prioritize impact over ceremony.

In a world filled with fear, Rotary cannot be satisfied with half-measures and empty words. If we are truly people of action, then action must define us. Together, we can Create Lasting Impact — across the globe, in our communities, and in ourselves.

**FRANCESCO AREZZO**

*Rotary International President*

## PRESIDENT'S NOTES

As we conclude the End Polio Run 2026, my heart is filled with gratitude and pride for what we have accomplished together. This event was more than a gathering of runners—it was a powerful demonstration of unity, compassion, and unwavering commitment to a cause that affects children and families around the world.

Every step taken during this run represents hope. Hope that one day, no child will suffer from polio. Hope that through collective action, we can overcome even the most persistent global health challenges. Through the dedication of our sponsors, partners, volunteers, and Rotarian family, we transformed a simple run into a meaningful movement for change.

I extend my deepest appreciation to everyone who supported this initiative—from our hardworking committees and youth partners to our rescue teams and participants. Your energy and commitment remind us that when we come together with purpose, we create real and lasting impact.

The fight against polio is not yet over, but with events like this, we move one step closer to victory. Let us continue to carry this spirit of service beyond the finish line. Together, we will not stop until the world is polio-free.

Together, we run with purpose. Together, we serve. Together, we end polio.

**WINSTON U. YAO CABIGON**

FEBRUARY HIGHLIGHTS

## ONE RUN. ONE MISSION. ONE STEP CLOSER TO A POLIO-FREE WORLD

The Rotary Club of San Juanico (RCSJ) proudly and successfully organized the End Polio Run 2026, uniting 1,300 runners in one powerful mission: to help eradicate polio once and for all.

With every stride taken on race day, participants carried a shared purpose—supporting the global fight against polio and reaffirming Rotary's enduring commitment to public health. The event was more than just a run; it was a movement of hope, solidarity, and action for a cause that transcends communities and borders.

RCSJ extends its deepest gratitude to its generous sponsors whose unwavering support fueled the success of the event. Special appreciation is also given to the hardworking Rotarian committee members whose dedication, teamwork, and countless hours of preparation ensured the smooth and meaningful execution of the run.

The club likewise recognizes its supportive partners, volunteer groups, and rescue organizations who safeguarded the well-being of all participants, making safety a top priority throughout the event. Their commitment and professionalism played a vital role in delivering a well-organized and impactful community gathering.

Heartfelt thanks are also extended to the Rotaract Club of San Juanico, the Rotaract Club of SPSPS San Juanico, and the Interact Club of SPSPS San Juanico for their invaluable assistance and active participation. Their energy and service-minded spirit reflect the strength of Rotary's youth leadership and the power of intergenerational collaboration.

Finally, sincere appreciation goes to President Winston U. Yao Cabigon for his inspiring leadership, vision, and dedication. Under his guidance, the End Polio Run 2026 became not only a successful fundraising and awareness event, but a meaningful step forward in advancing the cause of End Polio Now.
