# GUIDING PRINCIPLES

## THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all Concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIP**
4. Will it be **BENEFICIAL** to all concerned

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each rotarian's occupation as an opportunity to service society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

# OFFICERS & DIRECTORS ROTARY YEAR 2025-2026

# RI PRESIDENTIAL MESSAGE

Water connects us all. From a river in a remote forest to a stream running past a city neighborhood, freshwater ecosystems sustain humanity. Yet these waters are increasingly under strain. Pollution, overuse, and climate pressures remind us that protecting freshwater is a global challenge.

Rotary has always believed change begins within communities. Now we are working to see how far the impact of community action can travel. When local service is connected, measured, and shared, it becomes a force that extends beyond geography and borders.

A water project led by the Rotary Club of Panamá Nordeste exemplifies this idea. The project served Indigenous communities in Panama's Darién province, a region accessible only by canoe and small boat. With no roads, limited electricity, and reliance on untreated river water, families faced serious health risks. To reach these communities, Rotarians had to rethink how supplies and services could be delivered. Working with a partner club in the United States and a specialized water organization, they introduced solar-powered water treatment systems for an area without access to an electrical grid. Local leaders were trained to operate and maintain the system, ensuring that clean water would continue flowing long after installation crews departed.

The results were immediate. Children who once missed school due to illness returned to classrooms. No longer needing to haul water from rivers, adults gained time and strength to work and support their families. What began as a water project became a foundation for healthier, more resilient communities. This is how we extend our reach: combine local leadership with global partnerships, technical expertise, and long-term thinking.

That same spirit is at the heart of Rotary's partnership with the United Nations Environment Programme through the Community Action for Fresh Water initiative. Around the world, Rotary and Rotaract clubs are restoring waterways, protecting wetlands, and safeguarding vital freshwater sources. By collecting data to map and measure this work, we can better understand its impact and show how local service contributes to worldwide solutions.

Data is not an end. It is a tool that helps us learn and improve so that Rotary's service delivers real, measurable change. Each project entered and each waterway restored adds to a shared story of stewardship and responsibility. You can learn more and get involved at [communityactionforfreshwater.org](http://communityactionforfreshwater.org).

As we observe Water, Sanitation, and Hygiene Month, I encourage you to reflect on the freshwater systems that sustain your community and the role Rotary can play in protecting them. When we connect local action to a global vision, we strengthen Rotary's ability to make lasting change. Together, by extending our reach and working side by side, we truly Unite for Good.

**FRANCESCO AREZZO**

*Rotary International President*

# PRESIDENT'S NOTES

Health begins with the simplest habits we teach early—and their impact lasts a lifetime.

Project HURAY: “Malimpyo nga Kamot, Masanag nga Ngiti!” at Canhidoc Elementary School on March 4, 2026, is a reminder that true service is not only about addressing needs, but about preventing future challenges through education and awareness.

Proper handwashing and correct toothbrushing are often overlooked, yet they are powerful tools in protecting children from illness, dental problems, and loss of confidence. By guiding learners on hygiene practices and demonstrating proper techniques, we are not just teaching routines—we are shaping healthier habits and stronger self-esteem.

Beyond education, hygiene kits, school supplies, and creative materials were provided to support both health and learning, reinforcing the idea that well-being and education go hand in hand.

This initiative was made possible through the collaboration of the Philippine Dental Association, Provincial Health Office, Central Kanhuraw Junior Eagles Club, JCI Candahug Liberation, and the Rotaract Club of SPSPS San Juanico—demonstrating how shared commitment multiplies impact.

Project HURAY goes beyond outreach. It is prevention, empowerment, and investment in the future of every child we reach. Because when we teach children to care for their health today, we are building stronger, more confident communities for tomorrow.

**WINSTON U. YAO CABIGON**

*President, RY 2025-2026*

Rotary Club of San Juanico Tacloban

# ROTARY AT WORK

A showcase of the Rotary Club of San Juanico's ongoing service projects, initiatives, and meaningful community engagements.

MARCH HIGHLIGHTS

## PROJECT HURAY “MALIMPYO NGA KAMOT, MASANAG NGA NGITI!”

Every child deserved more than just education—they deserved a safe, clean, and nurturing environment where they could thrive. Proper handwashing and correct toothbrushing habits were not just daily routines; they were powerful tools in preventing illness, avoiding tooth decay, building confidence, and helping students stay focused inside the classroom. Teaching children the difference between proper and improper toothbrush use ensured healthier smiles and stronger self-esteem. When we protected their health, we protected their future.

Through the united efforts of passionate volunteers and dedicated partners, hygiene education sessions were successfully conducted, including proper handwashing demonstrations and correct toothbrushing techniques. Learners were guided on how to properly clean their teeth and understand the effects of improper brushing. Essential sanitation kits were distributed, along with school supplies and coloring pencils—empowering them not only to stay healthy but also to learn better and express their creativity with confidence.

On March 4, 2026, at Canhidoc Elementary School, Project HURAY became more than just an outreach—it became a movement of hope. Brighter smiles were seen, cleaner hands were practiced, healthier teeth were promoted, and young minds were inspired to dream bigger.

This initiative was made possible through the strong collaboration of the Philippine Dental Association, Provincial Health Office, Central Kanhuraw Junior Eagles Club, JCI Candahug Liberation, and the Rotaract Club of SPSPS San Juanico, united in one mission: to create a healthier future.

Through strong collaboration with partners, meaningful projects like this continue to create greater impact—reaching more lives and building stronger communities together. Clean hands. Bright smiles. Healthier teeth. Better tomorrows. Together, we served. Together, we uplifted. Together, we made a difference.
