RI PRESIDENTIAL MESSAGE

Not long ago, in a small health center in the village of Aaye in southwest Nigeria, a woman arrived in labor carrying twins. The facility was short-staffed. The nurse midwife in charge was not present.

A community health worker stepped forward. She had participated in Together for Healthy Families in Nigeria, a Rotary Foundation Programs of Scale initiative. And though she was not formally trained as a midwife, she was equipped with essential emergency obstetric skills.

Hours later, both babies had been delivered, one at the health center and the other at a general hospital, where the mother had been referred after complications were quickly identified. The newborns and their mother were alive and safe.

Women around the world face similar circumstances every day — moments when the difference between life and loss depends on well-trained medical staff and reliable systems and procedures. Together for Healthy Families in Nigeria exists to increase the chances that those moments end in hope. By strengthening health systems and training frontline workers, this program helps communities protect mothers and children even when circumstances are difficult.

This work reflects the very heart of Rotary service. Service is not only what we do when conditions are ideal. It is what we do when systems are strained, resources are limited, and the need is urgent. It is the commitment to prepare people before a crisis arrives and to stand with communities when it does.

Maternal and child health is not an abstract goal. It is deeply personal. It is a mother who survives childbirth. It is a newborn who takes a first breath. It is a family that remains whole because someone was trained, ready, and cared enough to act. Rotary understands that service means investing in people and systems long before they are tested.

Programs like Together for Healthy Families in Nigeria show what is possible when Rotary brings together local knowledge, global partnerships, and sustainable solutions. By working alongside health professionals and local leaders, Rotary helps ensure that lifesaving care does not depend on luck or location.

The story of the mother and her twins is at its core a story of service. It is a reminder that Rotary's impact is measured in human moments when people step forward to help others in their most vulnerable hours.

When we Unite for Good, service becomes more than an ideal. It becomes a lifeline for families, a source of strength for communities, and a promise that Rotary will continue to go wherever help is needed most.

PRESIDENT'S NOTES

As we close the month of April, we look back with gratitude and pride on a month filled with meaningful service, leadership, growth, and collaboration for the Rotary Club of San Juanico.

From the continued implementation of our 3Ps Scholarship Program now on its third year of empowering deserving students through education, to strengthening partnerships with schools and communities, April became a testament to Rotary's commitment to creating lasting impact beyond ourselves.

This month also marked important milestones in leadership and membership development through our regular meetings, induction of new Rotarians, participation in the PELS/SELS District Learning Assembly, and ongoing preparations for the growth of our Satellite Club. These initiatives reflect our shared vision of building stronger leaders and a more service-driven Rotary family.

We also proudly celebrated achievements that highlight our dedication to The Rotary Foundation, sustaining our commitment to Service Above Self through generosity, fellowship, and purposeful action.

Beyond the accomplishments and recognitions, April reminded us that true Rotary service is rooted in sincerity, compassion, and unity. Through every project, meeting, and activity, we continue to move forward together empowering communities, investing in the youth, and inspiring hope where it is most needed.

To all our members, partners, supporters, and fellow People of Action, thank you for making this productive month possible. May we continue to serve with passion, lead with integrity, and unite for good in the months ahead.

WINSTON U. YAO CABIGON

UNITE FOR GOOD

THREE YEARS OF HOPE: RCSJ CONTINUES TO INVEST IN EDUCATION

San Juanico Tacloban

For three meaningful years, the Rotary Club of San Juanico has remained steadfast in its mission of transforming lives through education proving that service becomes most impactful when it creates opportunities that last beyond the present. Through the continued implementation of the 3Ps Scholarship Program, deserving students from partner schools across Leyte once again received financial assistance to help them stay in school and continue pursuing their dreams.

The MOA signing and turnover activities conducted in Tanauan National High School, Dulag National High School, Alangalang National High School, and Granja-Kalinawan National High School became more than formal engagements they became moments of hope, reassurance, and encouragement for students and their families navigating financial hardships. Each beneficiary represented a future being protected through the power of collective compassion and service.

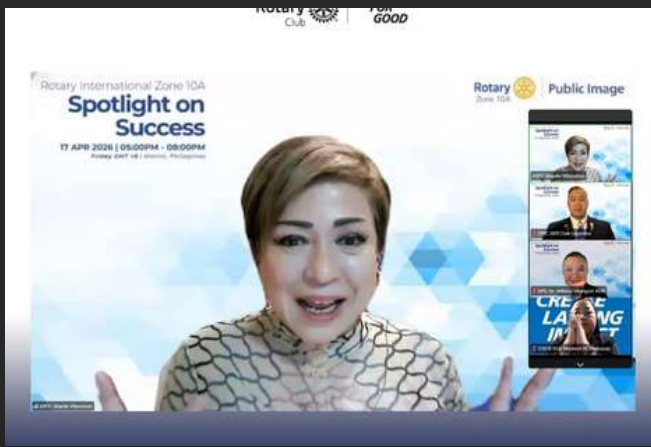

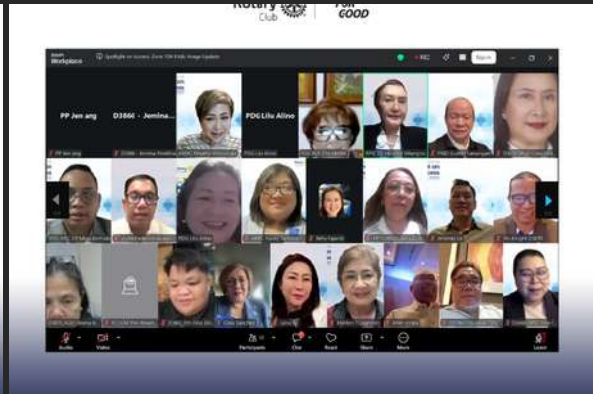

Supported through the District Grant and strengthened by the collaboration of school administrators, Rotarians, and community partners, the initiative continues to expand its impact one student at a time. As the program marks its third year, the Rotary Club of San Juanico reaffirms its enduring belief that education is not only an investment in individuals, but in stronger communities and a brighter tomorrow for all.
