Invocation

LORD JESUS, Son of God, You humbled Yourself to become man in order to serve and not to be served.

We humbly ask You to teach us the ideals of service: that what matters most is not how much have we got, but how much we have given; not how we have won, but how much we have done; not how much we have saved, but how much we have sacrificed; not how much were we honored but how much have we served. Amen.

Rotary Information...

What the 'together' in Rotary's vision statement means

Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

- Rotary International [Vision Statement](#)

By Paddy Rooney, governor of District 7390 (Pennsylvania, USA)

The word which defines much of our world today is division. We are divided in so many ways by race or creed, ethnicity or belief, by gender or age or sexuality. But the divisions have gone beyond mere realities and instead have become a source of dissention among us with the result that we have sliced and diced ourselves into smaller and smaller groups or tribes which only further exacerbate our sense of alienation one from the other.

So what does it mean when our Rotary International Mission Statement begins with the word "Together." Does together mean that we ignore the differences between us, pretend that they don't exist, make believe that there never was any division among us? I don't think so.

Rather what together says is that when we become part of this undertaking called Rotary, we intentionally set aside the differences we know exist and figure out ways to work together. We recognize and accept the differences, perhaps indeed celebrate those differences, for there is something beautiful in the wondrous variations among us. And together doesn't mean that we pretend to agree with each other, for again there is something healthy in having different views and perspectives brought to bear on an issue.

But the intentionality of togetherness says that we are willing to put aside our differences and those markers which divide us. It says that it does not matter where we came from or what education we have or what experience we bring. When we are come together in Rotary it is not just service above self but Rotary first and the individual second.

Because unless we are willing to embrace and embody this understanding of "together" we will never be able to achieve our goals, serve our communities or change the world. On the card I had printed for my year as district governor in Rotary I put the phrase "Doing together that which we cannot do alone." For it is only together that our work can be accomplished and only together that we will Connect the World.

Emmanuel "Noel" Villa-Abrille
Club President

Good noon everybody,

October is already upon us, this month we celebrate the Breast Cancer Awareness month. Let us join the opening ceremony during the flag raising ceremony of the Local City Government at the City Hall of Davao this coming October 14, 7am. Motorcade will follow and the meet up place will be at the Central Bank of Davao, Tionko side.

Because of the recent Polio outbreak, there has been a change in the schedule for our Polio activity. We will no longer be going to the barangay health center located near Victoria Plaza this coming October 23. Instead, the DOH will gather children and bring them to different malls in the city for them to receive their oral polio vaccine. This is scheduled on Oct. 14 and we are assigned to assist at the SM Ecoland Mall. After the motorcade, let us go directly to SM Ecoland for the said Patak Polio activity.

Thank you very much PE Ingy for being so generous and handling out 50 food packs during the turnover of the 47 houses by Habitat to the Matigsalog Tribe. Thank you for your support, namely: PP Arthur, Dir. Jane, Rtn. Chris and all the Rotaractors that joined and helped the said activity.

Lastly, do not forget to join our bowling practices for the upcoming Bowling Fellowship. I am positive that we will take back the Presidents Cup Trophy if we will all be supporting. See you there!

H. Masters Event - October 27 - 10 AM Registration Time

Top 16 players (determined by getting the highest average scores of each player from the classification round AND games 1 & 2 of the championship round) will be invited to participate in the Master's event.

Call on reserves will begin at 10:15am and roll-off 10:20)

The top 16 will be asked to play 3 games each. The player with the highest number of pin falls after 3 games, shall be declared the CHAMPION.

Lane Movement: Even numbered lanes move 4 lanes to the right, while odd numbered lanes move 4 lanes to the left.

In case of a tie, the top two (2) players will be asked to play 3 additional frames. The player with the highest score after 3 frames wins. This may be repeated only once and if a tie still persists, both players will be declared co-winners.

I. Opening Ceremony

On 13 October, a formal opening ceremony for the games will start at 12 noon. To be followed by pre-set lunch.

We encourage each team to have their own Banners and uniform. We recommend that this uniform be re-usable for club outreach programs and follows the correct Rotary Branding.

We also encourage clubs to bring extra food for their members (as SM does not allow us to bring in outside caterers and expenses are larger this year)

J. Registration
