The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

Invocation

Almighty and Infinitely Just Father, today, we beseech You to grant us the grace to practice in thought, words and deeds one Rotary's 4-Way Tests: Is it fair to all concerned?

In the Scriptures, Your criterion for being a true follower of Your Son Jesus Christ is that one must be a just man. To be fair and just to all, we would like to follow in the footsteps of the Lord. Grant us to be generous in giving credit where it is due, or if there is doubt, even where it is not fully due. For it is better to give too much than not enough.

Finally, bestow on us that deep and abiding knowledge of our colleagues so that as genuine friends, we will give each other whatever trust and the honor are due to each and everyone. Amen.

Rotary Information...

Three reasons to strengthen Rotary's image

By Jennifer Jones, a member of the RI Communications Committee

Over the past two years, Rotary has undertaken an unprecedented amount of research to study the effectiveness of how we communicate with each other and also to look at perceptions about the organization from the community at large.

What's likely not surprising is that we determined we have all of the strengths necessary for greatness in our second century of service. However, when we looked at awareness about our organization in the greater public arena, they quite simply don't know about us. It is very easy to ask the question – how can this be true?

Global research shows that when asked – four in 10 people have never heard of us, another four know us in name only, and the remaining two only have some familiarity, which is often colored by misconceptions. How can we attract and engage new members and partners when they don't know who we are?

Personally, I think that in order to keep Rotary relevant and enticing for the next 100 years, we need to be innovative, forward thinking, and adaptable to ensure that the rest of the world views us the way we view ourselves. Here's what I like most about the Strengthening Rotary initiative:

1. *It helps us explain who we are, what we do, and why we matter.*

Through this process, we have introduced a new framework to help Rotarians better define who we are when asked the inevitable question – what is Rotary? **We Join Leaders – Exchange Ideas and Take Action.** Of course each Rotarian's story is different but if we could highlight the common ground, it begins to form a compelling call to action. We are **leaders** who act responsibly and take action to tackle some of the world's most pressing challenges. When we are all singing off the same song sheet our message is amplified and it becomes much easier to engage people in Rotary.

2. *It helps us present a strong, unified image to the public*

For so long we did our good work quietly and not for recognition. While this was noble it made it difficult for people to understand the good work of Rotarians. Now that "telling our story" has become a priority, we need to make sure that we have a united voice.

An exciting new visual identity kit and guidelines have been launched and they provide tools for individuals, clubs, and districts to create a look that begins to introduce continuity across the globe. Of course, there remains room for personal creativity but a unified look and feel will propel Rotary into a very bright future. Everyone will know who we are, what we do and why it matters!

If you've visited rotary.org within the past few months, you've probably noticed evidence of this initiative in the form of simpler, more action-oriented words and visuals. I am also so heartened to see the [materials that Rotarians are creating](#) with these new tools. They are stunning and I have heard from countless Rotarians that they love the fresh new look and feel.

3. *It will help us attract new members and supporters*

Strengthening Rotary is essential to Rotary's future. As we share our story in a more clear and compelling way, like-minded people are going to want to be part of our great organization. This really is one of our best membership opportunities. In the end, if we can elevate awareness and attract and engage new members and partners, our good work will spread and "doing good in the world" will not only remain our organizational compass but it will help us soar to new heights.

The President's Corner

Emmanuel "Noel" Villa-Abrille
Club President

The recent earthquakes that struck Mindanao has shown once more how big hearts Rotarians have. We not only sympathize, but more importantly empathize with our fellow brothers and sisters in Mindanao who were hit by the said quakes. We have gathered and delivered a substantial amount in terms of food, water, sheltering materials and the like to those who were hit the hardest.

Thank you very much to those who donated:

- PDG Nonoy Villa-Abrille
- PP Jacob Chua
- PP Arthur Uy
- PP Rudy Abellana
- PE Inggly Bertelsen
- IPP Norma Monfort
- Dir. Bing Shimizutani
- PP Maeng Tabije
- Sec. Virgie Albaera

There is still talk going around saying that we will still have these quakes upto December. We do not know if this is true as the is still no scientific way to predict earthquakes. But none the less, let us all be prepared and be wary so as not to be caught off guard when a quake would be felt. Stay safe everyone!
