Invocation

Lord, we know that You love this world which You created. You even came down to earth to redeem it. And You gave us the great privilege to participate in Your creation and in Your work of redemption.

Teach us, O Lord, how to run this world according to Your plans. We ask for Your blessing and Your gift of healing.

Give us the guidance and the courage to seek justice, and to show love to all men. Give us the longing to practice goodness, generosity and responsibility. Make us realize that You are the Lord of all that is good and beautiful.

To be Your partner is the greatest honor and privilege. Amen.

Incoming RI President announces 2020-21 Presidential Theme

By Ryan Hyland

Rotary International President-elect Holger Knaack is encouraging Rotarians to seize the many opportunities Rotary offers to enrich their lives and the communities they serve.

Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, revealed the 2020-21 presidential theme, *Rotary Opens Opportunities*, to incoming district governors at the Rotary International Assembly in San Diego, California, USA, on 20 January.

Rotary isn't just a club for people to join, but rather "an invitation to endless opportunities," said Knaack, who becomes president on 1 July. He emphasized that Rotary creates pathways for members to improve their lives and the lives of those they help through service projects.

"We believe that our acts of service, big and small, create opportunities for people who need our help," Knaack said. He added that Rotary creates leadership opportunities and gives members the chance to travel the world to put their service ideas into action and make lifelong connections. "Everything we do opens another opportunity for someone, somewhere," said Knaack.

Changing for the future

Knaack also urged members to embrace change so Rotary can expand and thrive. Rather than setting a specific target for increasing the number of members, Knaack said he's asking clubs and districts to think about how to grow in a sustainable and organic way. He wants clubs to focus on keeping current members engaged and adding new members who are the right fit for their club.

We will capture this moment to grow Rotary, making it stronger, more adaptable, and even more aligned with our core values.
