## *Invocation*

When your desire is to bring peace and harmony into the world, then you will have to start by finding peace and harmony within your own heart. It is a waste of time talking about peace. You have to seek and find that consciousness of peace which nothing and no one can disturb, and remain in it. In that state of consciousness you will be able to be effective and help to bring peace and harmony into the lives of the many. Be consciously aware of peace and harmony in your own life first and, like a stone thrown into the middle of a pond, the ripples will spread out and out, touching and changing the lives of many. 'As you sow, so shall you reap.' When you sow discord and disharmony, you reap discord and disharmony; whereas when you sow peace and harmony, the harvest of peace and harmony shall be great, not just for you, but for all those souls with whom you come into contact. Amen.

### OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

#### **FIRST:**

The development to acquaintance as an opportunity for service;

#### **SECOND:**

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

#### **FOURTH:**

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1<sup>st</sup> Is it the **TRUTH**?
- 2<sup>nd</sup> Is it **FAIR** to all concerned?
- 3<sup>rd</sup> Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4<sup>th</sup> Will it be **BENEFICIAL** to all concerned?

## The President's Corner

Bertel Ingmar Bertelsen  
Club President

My Fellow Rotarians,

We had a very succesful project in Samal which appel will tell us all about. furthermore I want to tell talks I have been having between a big dutch NGO called the ocean clean up and RC Manila. There is another big project in the works with them that will cost us nothing as a club. It only will cost this president time which is of course ok. the project is displayed on <https://theoceancleanup.com/rivers/> and after we tackled this for three rivers in Manila bay I will hope we can also get one for the Davao river. one machine cost around 50 million pesos so it will be a nice project that will shine on our great club.

This week chat send an email and a survey. I have already the first results and I am hoping that every club member will fill this in.

Maayong adlaw!

### Rotary congratulates African region on becoming wild poliovirus-free FIVE OUT OF SIX WORLD HEALTH ORGANIZATION REGIONS ARE NOW WILD POLIO-FREE

**EVANSTON, Ill. (June 23, 2020)** — Rotary and its partners in the Global Polio Eradication Initiative (GPEI) are proud to announce an historic public health achievement as the World Health Organization’s African region is now certified wild poliovirus-free.

The milestone comes four years after Nigeria – the last polio-endemic country in Africa – recorded its final case of wild poliovirus following decades of effort from GPEI partners, local and national leaders, and health workers throughout the African region. Over the course of the effort, 9 billion doses of oral polio vaccine have been administered, hundreds of millions of children have been immunized, and 1.8 million cases of wild poliovirus have been averted throughout the region.

Today’s announcement is in part a result of the cumulative actions of Rotary and its members, who have contributed nearly US\$890 million—and countless volunteer hours—to eliminate polio in the African region.

“In the face of a pandemic, the world has had very little good news to celebrate in global health this year, and the challenges ahead are formidable,” said Rotary International President Holger Knaack. “That is why we must recognize this great achievement and commend all of the people who played important roles in eradicating wild polio in the African region. It took tremendous effort and partnership over many years. I’m particularly grateful for the Rotary members throughout Africa and around the world who have dedicated themselves to making polio a disease of the past.”

The road to the African region’s wild poliovirus-free certification has been paved by the dedication of health workers—mainly women—who traveled by every form of transportation imaginable to reach children with the polio vaccine; those who found solutions for reaching children in regions rife with conflict and insecurity; those leading surveillance activities to test cases of paralysis and check sewage for the virus, and the leadership of all 47 countries in the African region.

Polio vaccination efforts throughout the African region must continue, and routine immunization must be strengthened to keep immunity levels high so the wild poliovirus does not return and to protect children against rare occurrences of circulating vaccine-derived poliovirus. The wild virus continues to circulate in Afghanistan and Pakistan, and as long as it circulates anywhere, all children are at risk.

Rotary’s nearly 32,000 members in Africa have played a critical role in helping the region achieve its wild polio-free status by holding events to raise funds and awareness for polio, and working with world governments and national and local leaders to secure funding and support for polio eradication. Rotary members around the world have donated their time and money to supporting polio eradication, the organization’s top priority.
