Invocation

Keep your eyes open and keep ever alert. Behold my hand in everything and give eternal thanks. Without awareness you can miss so much which is right there in front of you, or even within you. Many souls go through life blind to the wonders all around them, blind to the miracles of nature, and so miss the miracles of life. When you are aware of beauty, harmony, peace and serenity in the small things around you, you will find that awareness growing until all life becomes a wonderland and you walk through life like a child, wide-eyed at all that is taking place. You will expect the most glorious happenings to take place, and therefore will help to bring them about. There will never be a dull moment in your life. You will take nothing for granted, but will give thanks for everything. Gratitude keeps the door wide open for more and more wonders to enter your life, so never, never fail to give thanks. Amen.

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST:

The development to acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1st Is it the **TRUTH**?
- 2nd Is it **FAIR** to all concerned?
- 3rd Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4th Will it be **BENEFICIAL** to all concerned?

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity of service;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of community.
3. Do all in my power to dignity my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to the society;
6. Offer my vocational talents to provide opportunities for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

Rotary Information...

What is polio?

Polio, or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person, typically through contaminated water. It can then attack the nervous system.

Our goal

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the [Global Polio Eradication Initiative](#), we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

The President's Corner

Bertel Ingmar Bertelsen
Club President

Hello Fellow Rotarians,

Change has come to our club. For the first time in over 50 years we will change our meeting time to night. I think this will be the right choice and a lot of the body has agreed already on it. So now our meeting place is different, our meeting time is different. Also our status is now different since we are now also registered with the SEC. Just let me know if there are other changes needed but lets keep the name to our club as South Davao.
