## *Invocation*

To set the pace for the day, you have to learn to be still and have a time of attunement in the early morning on waking, before your mind becomes embroiled with all the events of the day. Your life is like a clean canvas without a mark on it. Let those first strokes on waking be very clear and definite. Let them be full of love, inspiration and expectation of the very best for the new day ahead of you. You will find yourself in a very quiet, receptive and impressionable state. In that state you will be able to direct the activities of your mind along the highest and most desirable path. Enter the new day prepared for the very best to take place in everything you undertake. Step by step see the perfect pattern unfold for the day and for you. Yesterday is behind you, and you are in harmony with all life.. Amen.

### OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

#### **FIRST:**

The development to acquaintance as an opportunity for service;

#### **SECOND:**

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

#### **THIRD:**

The application of the ideal of service in each Rotarian's personal, business and community life;

#### **FOURTH:**

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1<sup>st</sup> Is it the **TRUTH**?
- 2<sup>nd</sup> Is it **FAIR** to all concerned?
- 3<sup>rd</sup> Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4<sup>th</sup> Will it be **BENEFICIAL** to all concerned?

### Declaration of Rotarians in Business and Professions

*As a Rotarian engaged in a business or profession, I am expected to:*

1. Consider my vocation to be another opportunity of service;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to the society;
6. Offer my vocational talents to provide opportunities for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

### Rotary and the U.S. Government Support Italy's fight against COVID-19

*US\$5 million for pandemic response, recovery  
and preparation for future outbreaks*

**ROME, Italy (December 4, 2020)** — In the face of surging infections in Italy, Rotary and the U.S. Government, through the U.S. Agency for International Development (USAID), are taking action to support the country's COVID-19 response and recovery efforts.

As part of an 18-month partnership, USAID will provide US\$5 million to The Rotary Foundation – Rotary's philanthropic arm, to support Italy's pandemic response, prepare communities for future outbreaks and address the long-term social and economic impacts of COVID-19.

This partnership is one element of America's commitment to Italy to help save lives and build resilience for the future. To date, the United States has provided \$60 million in assistance to Italy, through USAID and the U.S. military. USAID's work is one part of the overall U.S. Government response to the pandemic in Italy.

"With Rotary's knowledge of local needs, we're now able to target our support to help those most affected by this pandemic, while building stronger and more resilient communities, said USAID Assistant Administrator Brock Bierman. "I am proud to support Rotary because of the organization's enduring commitment to community-led development."

USAID-Rotary in Italy: Communities Against COVID-19 partnership, Italy's 13 regional Rotary districts can each apply for a minimum of three, \$100,000 grants to support health, education and community development. Eligible activities include providing equipment for medical facilities, educational supplies and equipment to schools, students and families; and resources to help businesses remain open safely during the pandemic.

"As we are part of the communities we serve, Rotary is dedicated to helping Italy and the world recover from this pandemic," said Rotary project lead Giulio Koch. "Our collaboration with USAID will provide us with valuable resources and expertise to help make our initiatives more impactful and sustainable."

## The President's Corner

**Bertel Ingmar Bertelsen**

Club President

Hello my club members,

A big milestone is passed. Yesterday we had the Governors visit and with the Christmas break coming up I feel like I am half way through my presidency. It has been a strange ride so far but I am now getting the hang of it. I am looking forward to the remaining months of my term and I pray that we will have a vaccine coming soon to our beloved country.

I hope everybody will make their secret Santa a home cooked meal. or let at least let your staff do it.(hahaha).

Happy greetings from your president.
