Invocation

You must be prepared for wonderful changes to take place in the new age. If you can accept them and simply absorb them like a piece of blotting paper, the changes will come about within and around you in great peace and harmony. You will find that you will change with the changes without being unduly affected by them and that you will live and move and breathe in them as naturally as a fish does in water. You will be able to accept your new environment and become perfectly adjusted to it without any strain. A child moves from kindergarten to primary and from primary to secondary school without any difficulty because it takes it all in its stride and moves forward step by step, accepting each new subject and adjustments as it comes. It could not be moved straight from kindergarten to secondary, for it would be completely lost. Do not be concerned, I will not move you too swiftly. All is in my perfect timing... Amen.

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST:

The development to acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1st Is it the **TRUTH**?
- 2nd Is it **FAIR** to all concerned?
- 3rd Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4th Will it be **BENEFICIAL** to all concerned?

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity of service;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to the society;
6. Offer my vocational talents to provide opportunities for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

Presidential Message

Holger Knaack
President 2020-21

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March.

Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

The President's Corner

Bertel Ingmar Bertelsen
Club President

Hello club members,

I had the luck that somebody offered me 2000 Dao trees. And soon we will plant them in three different places namely Catigan, Tugbok and Calinan. If somebody wants a small number of Dao trees (like 10) just let me know and i will tell you how to get them. A Dao seedling cost around 500-1000 peso so...

The signing of the Moa between Aboitiz and Rotary did not go as planned due to manila traffic. Rotary already signed. Friday we will have a conference call with some members of the Aboitiz family to dot the final I.

thanks for your time.
