OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST:

The development to acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1st Is it the **TRUTH**?
- 2nd Is it **FAIR** to all concerned?
- 3rd Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4th Will it be **BENEFICIAL** to all concerned?

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity of service;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to the society;
6. Offer my vocational talents to provide opportunities for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

Invocation

Peace-loving Father, You are so good to us, You have not only given us life; You have also given us challenges that raise us to the higher level of beings, giving meaning to our lives, giving us the courage to hold on to Your will. As we respond to all the challenges of our day-to-day living, let the radiance of Your peace shine in each of our hearts so that there will be genuine peace, of self and society. Free us from all troubles, divisiveness and adversities; protect us from the bondage of evil and let peace and harmony reign all over the land.

Finally, loving Father, as we beseech You for peace and order in our community, in our country and for all mankind, cover each and everyone of us here present with Your mantle of love and protection – and let the work for peace and order begin with each one of us, with me.

Amen.

World Immunization Week: Vaccines keep communities healthy

Our progress in the fight against polio shows why vaccination is important.

Increasing awareness about the power of vaccines and closing immunization gaps could protect millions of people worldwide from vaccine-preventable diseases, including polio, according to the World Health Organization. World Immunization Week, 24-30 April, is an opportunity to focus on that work, and the robust polio eradication infrastructure built by Rotary and our partners in the Global Polio Eradication Initiative (GPEI) provides a model for it.

The GPEI estimates that polio vaccines have saved an estimated 20 million children around the world from paralysis. When Rotary helped launch the GPEI in 1988, the disease paralyzed more than 1,000 people worldwide every day, most of them young children. Since then, Rotary and its partners have reduced the number of polio cases by 99%,

cont.....

and in 2021 there were just six cases of polio caused by the wild poliovirus. Afghanistan and Pakistan are the only two countries where the wild poliovirus remains endemic.

The progress against polio is the result of the efforts of countless volunteers and health workers who immunize children in hard-to-reach communities and establish real-time global surveillance and outbreak response mechanisms. The polio eradication infrastructure has been used to fight other infectious diseases and undertake crucial health interventions, including supporting COVID-19 prevention and vaccination efforts.

With our decades of experience in bringing polio to the brink of eradication, Rotary has been able to highlight the power and efficacy of COVID-19 vaccines. Since the pandemic began in 2020, Rotary members have helped health authorities communicate lifesaving information about COVID-19, dispel misinformation, and support fair and equal access to vaccines.
