OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST:

The development to acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1st Is it the **TRUTH**?
- 2nd Is it **FAIR** to all concerned?
- 3rd Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4th Will it be **BENEFICIAL** to all concerned?

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity of service;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of community.
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to the society;
6. Offer my vocational talents to provide opportunities for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

Invocation

Lord, we know that You love this world which You created. You even came down to earth to redeem it. And You gave us the great privilege to participate in Your creation and in Your work of redemption.

Teach us, O Lord, how to run this world according to Your plans. We ask for Your blessing and Your gift of healing.

Give us the guidance and the courage to seek justice, and to show love to all men. Give us the longing to practice goodness, generosity and responsibility. Make us realize that You are the Lord of all that is good and beautiful.

To be Your partner is the greatest honor and privilege. Amen.

Make the Rotary flag as the flag of peace unfurled
I shall serve my community
Help achieve universal unity.*

World understanding shall be my cherished goal
With the 4-Way Test, I'll pursue my quest
And if I, in a way, help obtain peace in the world
I shall not have lived in vain*

*I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family*

And if we, in a way, help obtain peace in the world
We shall not have lived in vain*

Strengthened by nothing but the truth
Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide*

And if I, in a way help obtain
Peace in the world*

Peace be achieved we shall not have lived in vain.

Rotary Information...

Register now for World Polio Day 2022

World Polio Day 2022 and Beyond: A healthier future for mothers and children, will be held virtually and in-person on 21-22 October in Geneva, Switzerland. The event will highlight the status of polio eradication and address the potential for community-based solutions that go beyond immunizations to enhance the health of mothers and their children.

Following the announcement of Rotary's **pledge of an additional US\$150 million** toward future polio eradication efforts, Rotary International President Jennifer Jones will join Dr. Tedros Adhanom Ghebreyesus, director-general of the World Health Organization (WHO) in discussing the state of polio eradication and its broader relevance to global health. **Register now to attend in-person.** (Registration not required to take part virtually)

The recent detections of the poliovirus in New York and UK have increased awareness of the disease's continued threat. Earlier this year, an unvaccinated man in New York was paralyzed and poliovirus was detected in sewage in London. The moment presents an opportunity to highlight the importance of vaccinations as the only form of protection against polio and many other diseases.

At the Geneva event, experts in polio, vaccines and maternal and child health will also discuss the benefits of going "beyond" immunization efforts to invest in the children protected by these vaccines and their mothers. Building on the current investments will ensure that the mothers and children saved from vaccine-preventable diseases can benefit from other preventative and life-saving services, enabling mothers to have a positive experience with their pregnancy and empowering young children to achieve their full potential.

The event will be held in English with French and Spanish interpretation.

Virgie Albaera
Club President

Greetings!

October is a very busy month, we have Pink October Cancer Awareness, Patak Polio and happens to be the one Fall month that encourages us to relax and find our inner kid again by celebrating the Halloween.

Month of October is known as Breast Cancer Awareness Month, which is an annual campaign of Rotary Club to increase awareness of the disease among the people. Breast Cancer is one of perennial illness that has been affecting the women's sector. Let's help Rotary to raise the public awareness by joining this coming Oct. 16 activity.

Polio, or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person, typically through contaminated water. It can then attack the nervous system.

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

Rotary's first project to vaccinate children was in the Philippines in 1979. Let's support the Rotary, let's support the Barangay Health Workers in Agdao on their PATAK POLIO oral vaccination program this coming October 19 Wednesday 8am.

The best way to celebrate and enjoy the Halloween holiday is by making memories with those close to you.

It's party time!!! It's time for a Halloween costume party! We'll have a friendly competition for the best costume and lots of frightfully delicious snacks on hand. Let's plan and have some fun!

God bless us all!
