Father, we thank you for an opportunity to gather here. Bless each person present. We pray that this meeting is successful, productive, and blessed. Holy Spirit, guide us during our discussions. Give us wisdom concerning the issues that we face. Lord, we give you the glory for what we accomplish. In Jesus' name, Amen

## ROTARY HYMN

I want to be a Rotarian for the world  
Make the Rotary flag, as the flag of peace unfurled  
I shall serve my community  
Help achieve universal unity  
Thru Rotary, I shall dedicate my all  
World understanding shall be my cherished goal

Refrain:

With the Four Way Test  
I'll pursue my quest  
And if I, in a way, help obtain  
Peace in the world  
I shall have not lived in vain.

I observe Service Above Self  
Lend hand to all who need my help  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family  
(Repeat Refrain – substitute "I" with "We")

Build a bridge for tomorrow's youth  
Strengthened by nothing but the truth  
Let's join our hands, there's no reason we'll divide  
We shall all understand, why the good Lord is our guide

(Repeat Refrain – substitute "I" with "We")

CODA: Peace be achieved  
So we shall not have lived in vain.

## ROTARY HISTORY A Home for Headquarters

The idea that Rotary should own its headquarters dates back at least to the 1920 convention, when Albert Adams, 1919-20 Rotary president, told attendees that he hoped to someday see the headquarters in a beautiful building of Rotary's own.

"It sounds like a dream, doesn't it?" he said. "But it can be done."

Rotary's worldwide presence, and the number of secretariat staff members working to support it, would grow considerably by the time the idea became a reality in the 1950s.

### The Chicago years

The National Association of Rotary Clubs — now Rotary International — formed in 1910 and had its headquarters in the Chicago, Illinois, USA, office of its secretary, [Chesley R. Perry](#). In March 1911, Rotary's headquarters moved to rented space in the First National Bank Building, one of many downtown Chicago rentals.

In 1914, Rotary set up its headquarters in the Karpen Building on South Michigan Avenue. During its nine years there, the staff grew to 78 people, and Rotary expanded beyond North America and Europe to Asia, South America, Africa, and Oceania. Citing increasing rent after World War I, Rotary moved to the Atwell Building in 1923, then to several more buildings after that.

After so many moves, some Rotary leaders began to call for a world headquarters that RI itself would own. Delegates at the 1921 convention attempted to pass a resolution to purchase a site for a building of Rotary's own, but they were unsuccessful. The 1928 convention delegates adopted a similar resolution, which had two notable conditions: There would be no increase in the per capita tax or assessment on clubs, and the site was to be in Chicago. A committee was formed and potential locations identified, but the Depression and the U.S. entry into World War II delayed any further action.

### The search begins

Finally, in 1943, the debate over sites got underway when the RI Board appointed a headquarters committee consisting of 1939-40 RI Director Roy Weaver from Colorado, 1942-43 RI Director Fred Haas from Nebraska, and 1935-36 RI President Ed Johnson.

Around the time of his appointment, Johnson sent a letter to other past presidents sharing his vision for a building for Rotary in Evanston, a suburb north of Chicago and near the campus of Northwestern University. He appealed to the financial sensibilities of ownership and to the sentimental opportunity to dedicate a building to Paul Harris, Rotary's founder. He also proposed that sponsoring the building could become an objective of The Rotary Foundation, which at the time had no regular programs.

The 1944 convention delegates approved expanding the headquarters search beyond Chicago. Thirty clubs expressed interested in having the headquarters located in or near their cities. Committee members visited seven of the cities and ultimately recommended Denver, Colorado, USA, as the site for headquarters.

The recommendation surprised members and the Chicago community. The group representing Chicago met with the Board and highlighted the city's status as a financial and transportation center accessible by rail and air. Representatives also reinforced the connection between Rotary and the city, noting that "Chicago business and civic leaders have a justifiable pride centered in the fact that Rotary is an offspring of Chicago."

Proposals to relocate to Denver were debated at length and finally rejected at the [1946](#) and [1947](#) conventions.

### Making Evanston home

In January 1952, the Board decided to "immediately and energetically" begin looking for land or a building in Chicago or the vicinity. That August, a lot was purchased in Evanston. The [November issue](#) of The Rotarian (as Rotary magazine was then known) previewed sketches and details of the new three-story building, which was distinguished by a large granite staircase, monolithic columns, and angled building wings. Inside the building were modern systems and features, including an acoustic ceiling treatment and air conditioning.

Rotary leaders gathered at 1600 Ridge Avenue for a groundbreaking ceremony in 1953, and the building opened in August of the following year. In that first month, 250 Rotary members and friends visited to see it for themselves.

Despite initial room to grow and a later addition, Rotary eventually outgrew that space. In 1987, Rotary purchased the building on Sherman Avenue in Evanston from Baxter Travenol Laboratories. Known today as One Rotary Center, that building is still home to Rotary International World Headquarters and welcomes more than 2,000 visitors a year. [Learn how to schedule a tour.](#)

# A Look at the History of the Rotary Club of Sta. Ana Davao

## ***Organization***

The dawning of new day in the life of Rotary International in Davao unfolded when 36 prominent men – business executives, captains of industry and top professionals – led by Mr. Sebastian “Anggie” L. Angliongto met in February 1980 to form a rotary club to be named the Rotary Club of Sta. Ana (Davao), the Club for brevity.

Months preceding that historic meeting, Mr. Angliongto was tapped by the pillars of the Rotary Club of Central Davao (RCCD), namely PP Emilio “Miming” Palma Gil, PP Alfonso “Al” Lopez and PP Jose “Peping” Abella, to organize the new club. With his vast experience in developing and managing a world-renown civic group such as the Jaycee International (JCI), which he once served as the world’s executive vice president, Mr. Angliongto readily accepted the challenge.

Through the sponsoring and nurturing of RCCD, the Club was chartered on August 8, 1980 under the jurisdiction of Rotary International (RI) District 3860 with Club Identification No. 17130 issued by the RI.

## ***Core of Charter Members***

Mr. Angliongto’s stature in the business community and his known deep involvement in civic work led him to meet and develop friendship with the who’s who in the business sector. They were the very ones whom he had invited, including two prominent Dabawenyos who volunteered to join the Club and be among its core charter members.

Worthy of honor and remembrance in those glory days of the Club were the prominent personas present in that historic organizational meeting. They included Mr. Angliongto, Atty. Wilgefortes Escudero, Atty. Jose Sevilla, Mr. Edmundo N. Madrazo, Mr. Pedro Durano, Atty. Martin Suelto and John Y. Gaisano Jr., all seven of them past presidents of the Davao City Chamber of Commerce and Industry, Inc. (DCCCII), the sole organization of Davao City’s top businessmen, traders, industrialists and agriculturists. To this day, the Club enjoys the distinction of being the only club led by seven past presidents of the Davao City Chamber.

Mr. Henry Tek Seng Lim, owner of the NCCC Supermarket and known philanthropist, Mr. Dante Abaca, senior vice president of United Coconut Planters Bank and hotelier, and Mr. Roman J. Cuison Jr., a practicing lawyer and owner of the Cuison Hotel, were also part of the core group.

Also worth mentioning is the fact that Atty. Escudero and Atty. Sevilla had served as district governor and district deputy governor, respectively, of Lions Club International, before volunteering to join the Club.

The Club had elected Mr. “Anggie” Angliongto as Charter President and Atty. “Joe” Sevilla as Charter Secretary.

Later in the Club’s existence, two of its past presidents –PP “Mart” Suelto and PP Pedrito “Pedring” Salvador were elected members of the Davao City Council, the law-making body of the city.

In the span of 14 years from the Club’s chartering date, 12 of the charter members had the opportunity to lead the Club as Presidents.

## ***Meeting Places***

The venues of Club’s weekly meetings during the last 36 years were the following places:

1. Chicken’s Delight at Villa-Abrille St., every Saturday at noon time.
2. Cuison Hotel along J.P. Laurel Avenue in Bajada, every Saturday at noon time.
3. Hotel Maguindanao at Claro M. Recto Avenue, every Wednesday in the evening.
4. Grand Men Seng Hotel at Antonio Pichon Sr. Avenue (formerly Magallanes Avenue), every Wednesday in the evening.

As the checkered business history of Davao City would have it, the first three venues are now defunct, save for Grand Men Seng Hotel which has remained the meeting place to this very day.

### ***Projects Undertaken***

The Club has been the wellspring of meaningful community service projects. Among its award-winning projects is the medical and dental services conducted with regularity in the hinterlands with members of the indigenous tribes as beneficiaries and the scholarships granted to poor and deserving students.

### ***Club Distinctions Received from RI District 3860***
