ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag, as the flag of peace unfurled
I shall serve my community
Help achieve universal unity
Thru Rotary, I shall dedicate my all
World understanding shall be my cherished goal

Refrain:

With the Four Way Test
I'll pursue my quest
And if I, in a way, help obtain
Peace in the world
I shall have not lived in vain.

I observe Service Above Self
Lend hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family
(Repeat Refrain – substitute "I" with "We")

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth
Let's join our hands, there's no reason we'll divide
We shall all understand, why the good Lord is our guide

(Repeat Refrain – substitute "I" with "We")

CODA: Peace be achieved
So we shall not have lived in vain.

I'll Make The Difference

PRESIDENT'S MESSAGE

Good evening my fellow Sta. Anians and guests.

First of all, I would like to express how grateful I am for all those who are here today, be it online or in person. Despite our present situation, you have spared your time to attend our 5th weekly club meeting.

Last week, August 4, 2021, we did not have a meeting because I, together with PP Art Galendez and PP Philip Dumlao, visited Purok Lourdes Day Care Center which was endorsed by Rtn. Milgrace Driz. Purok Lourdes Day Care Center is a government center that caters to small children. However, over the years the day care center has seen better and is in need of a rehab as the place is quite rundown already.

Our visit was short but the place left a mark that made me ponder on what our club has been known for. Our club and our past presidents have been known and awarded because of our projects that have left a mark in other people. Our "Wash Projects" have been our yearly goal and it has brought strength to our club being it our forte over the years.

The proposed "Vaccination Program" is a great project to help and aid our government in the dissemination of the vaccines, however I realized that this is not the common interest of our club and based on our history, interest and our capabilities.

With this in mind, I am reconsidering this decision and I'm proposing the rehabilitation of Purok Lourdes Day Care Center instead. This pandemic has brought change to everything and I believe that this project would bring so much joy to the little children who comes to the day care center. Of course, this would still be further discussed and would be ended by a unanimous decision by the club and the board members.

If so, our ever industrious Service Project Chair – PP Ramsey Tancontian would once again be very excited to make our plans and dreams come true. Moving forward, I would like to acknowledge Engr. Mj Orillosa for being able to impart to us his classification talk. Thank you and Congratulations to Rtn. MJ.

Good evening once again and let's enjoy Rotary.

ANDREW PAUL A. VIRTUCIO
President, RY 2021-2022

ROTARY INFORMATION

Gordon R. McNally of Scotland selected to be 2023-24 Rotary International President

Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McNally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

McNally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McNally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them. Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

McNally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

A Rotary member since 1984, McNally has been president and vice president of Rotary International in Great Britain and Ireland. He has also served Rotary International as a director and as member or chair of several committees. He is currently an adviser to the 2022 Houston Convention Committee and vice chair of the Operations Review Committee.

McNally and his wife, Heather, are Major Donors and Benefactors of The Rotary Foundation. They are also members of the Bequest Society

A Look at the History of the Rotary Club of Sta. Ana Davao

Organization

The dawning of new day in the life of Rotary International in Davao unfolded when 36 prominent men – business executives, captains of industry and top professionals – led by Mr. Sebastian “Anggie” L. Angliongto met in February 1980 to form a rotary club to be named the Rotary Club of Sta. Ana (Davao), the Club for brevity.

Months preceding that historic meeting, Mr. Angliongto was tapped by the pillars of the Rotary Club of Central Davao (RCCD), namely PP Emilio “Miming” Palma Gil, PP Alfonso “Al” Lopez and PP Jose “Peping” Abella, to organize the new club. With his vast experience in developing and managing a world-renown civic group such as the Jaycee International (JCI), which he once served as the world’s executive vice president, Mr. Angliongto readily accepted the challenge.

Through the sponsoring and nurturing of RCCD, the Club was chartered on August 8, 1980 under the jurisdiction of Rotary International (RI) District 3860 with Club Identification No. 17130 issued by the RI.

Core of Charter Members

Mr. Angliongto’s stature in the business community and his known deep involvement in civic work led him to meet and develop friendship with the who’s who in the business sector. They were the very ones whom he had invited, including two prominent Dabawenyos who volunteered to join the Club and be among its core charter members.

Worthy of honor and remembrance in those glory days of the Club were the prominent personas present in that historic organizational meeting. They included Mr. Angliongto, Atty. Wilgefortes Escudero, Atty. Jose Sevilla, Mr. Edmundo N. Madrazo, Mr. Pedro Durano, Atty. Martin Suelto and John Y. Gaisano Jr., all seven of them past presidents of the Davao City Chamber of Commerce and Industry, Inc. (DCCCII), the sole organization of Davao City’s top businessmen, traders, industrialists and agriculturists. To this day, the Club enjoys the distinction of being the only club led by seven past presidents of the Davao City Chamber.

Mr. Henry Tek Seng Lim, owner of the NCCC Supermarket and known philanthropist, Mr. Dante Abaca, senior vice president of United Coconut Planters Bank and hotelier, and Mr. Roman J. Cuison Jr., a practicing lawyer and owner of the Cuison Hotel, were also part of the core group.

Also worth mentioning is the fact that Atty. Escudero and Atty. Sevilla had served as district governor and district deputy governor, respectively, of Lions Club International, before volunteering to join the Club.

The Club had elected Mr. “Anggie” Angliongto as Charter President and Atty. “Joe” Sevilla as Charter Secretary.

Later in the Club’s existence, two of its past presidents –PP “Mart” Suelto and PP Pedrito “Pedring” Salvador were elected members of the Davao City Council, the law-making body of the city.

In the span of 14 years from the Club’s chartering date, 12 of the charter members had the opportunity to lead the Club as Presidents.

Meeting Places

The venues of Club’s weekly meetings during the last 36 years were the following places:

1. Chicken’s Delight at Villa-Abrille St., every Saturday at noon time.
2. Cuison Hotel along J.P. Laurel Avenue in Bajada, every Saturday at noon time.
3. Hotel Maguindanao at Claro M. Recto Avenue, every Wednesday in the evening.
4. Grand Men Seng Hotel at Antonio Pichon Sr. Avenue (formerly Magallanes Avenue), every Wednesday in the evening.

As the checkered business history of Davao City would have it, the first three venues are now defunct, save for Grand Men Seng Hotel which has remained the meeting place to this very day.

Projects Undertaken

The Club has been the wellspring of meaningful community service projects. Among its award-winning projects is the medical and dental services conducted with regularity in the hinterlands with members of the indigenous tribes as beneficiaries and the scholarships granted to poor and deserving students.
