THE FOUR-WAY TEST of the things we Think, Say or Do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and better FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

GRANTS

Dear chairs of district Rotary Foundation committees and the subcommittees for grants, scholarships, and vocational training teams:

With the new Rotary year underway, I'd like to offer a few updates and tell you about resources that may be helpful to you in your role.

Updates

- Rotaract clubs can now get Rotary Foundation grant funds. Districts that apply for a district grant can include Rotaract clubs' activities in their spending plans. And Rotaract clubs may apply for global grants to support their service efforts in their own communities or abroad. Learn more by downloading our [FAQ about Rotaract and grants](#).
- Districts can apply for expedited [disaster response grants](#) to provide relief to people affected by the war in Ukraine. These grants can be used to supply water, food, shelter, medicine, and clothing. The Rotary district in Ukraine and those that border Ukraine can get grants of up to US\$100,000. Other districts can use grants of up to US\$25,000 to support local relief efforts or to partner with a club or district in Ukraine or a neighboring country to send relief supplies there. Multiple districts may combine their grants to fund larger projects and shipments. You can now [apply for these grants](#) until **31 December**. Disaster response grants are also available to offer help after natural disasters in all Rotary districts. For either use, districts can apply for one grant at a time and can apply for another grant as soon as the previous one's report is completed and the grant is closed.

Resources

- The [Grant Center](#) is your hub for all grant-related matters. I encourage you to visit regularly to track your district's grants and to ensure that all necessary authorizations have been given.
- [Grants Responsibilities by Leader](#) explains club and district roles and lists useful resources.
- My Rotary has pages about each of [our grant types](#) and links to a wide array of grants materials.
- The [Grant Management Seminar](#) learning plan in Rotary's [Learning Center](#) includes short online courses on qualifying a club for Rotary grants, conducting a community assessment, planning an effective project, making your project sustainable, managing grant finances, and reporting on grants. Your district can opt to supplement or even replace in-person grant management seminars with these courses. You can use Learning Center reports to track participants' progress for the purpose of qualifying their clubs.
- [Rotary Grants staff members](#) are available to answer questions and can do a preliminary review of your grant applications before you officially submit them.
- You'll receive the quarterly Giving & Grants newsletter, which includes information on fundraising, grants, and more.
- In a few weeks, I'll send you a list of other districts' leaders and their email addresses to help you communicate with one another and plan projects together. If you don't want your email address included, write to rotarysupportcenter@rotary.org.

We look forward to working with you this year as you develop projects to address your community's needs. Through your service, we continue to make progress on Rotary's goal of [increasing our impact](#). If you have any questions, write to rotarysupportcenter@rotary.org.

Sincerely,

Meredith Burlew

PRESIDENT'S MESSAGE

Fellow Rotarians, Good Evening!

We were off to a new start during the First General Assembly, when we elected our new set of incoming presidents: MJ Orillosa as President-elect; Eugene Duropan as President-nominee; Nancy Wong and Mel Ambone as Presidents-nominee designate. Cheers to a smooth transition in leadership for the next three to four years!

July 15th was a special day for us since we officially turned over the newly renovated Lourdes Day Care Center with WASH project in Acacia, Buhangin, made possible by a district grant under the leadership of IPP Pong Virtucio. The event was graced by PDG Anna Bumagat and spouse PAG Troy, DGE Twinkle Gamboa and spouse Pres. Archie, and the members of our Club. Principal Zulueta's tearful message said it all. Rest assured we will continue to help develop this daycare center with PDS Cary's TV donation plus other essential needs like rubber matting and story books.

On July 16th, the Annual bloodletting, in partnership with Philippine Red Cross, attracted blood donors among the Rotarians, relatives and men in uniform. There were 146 blood bags collected on that day. We wish to thank all the donors for this precious gift of life. August is just around the corner. And school is about to start. Hope we can participate in the schools' opening, thru their Brigada Eskwela projects. August is also the Prevention of Blindness month. We hope we can collaborate and participate with other partners in this program. I wish to thank all the members who have actively taken part in this month's activities.

Corina Y. Guerrero
President, RY 2022-2023
