THE FOUR-WAY TEST of the things we Think, Say or Do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and better FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY COMMUNITY CORPS

A Rotary Community Corps (RCC) is a group of non-Rotarians who share our commitment to changing the world through service projects.

RCC members plan and carry out projects in their communities and support local Rotary club projects. Sponsored by a Rotary club, an RCC leverages Rotary's network, brand, and mentorship by partnering with clubs to plan and implement service projects. RCCs increase Rotary's impact and expand its reach by bringing the knowledge and talents of local people to strengthen their community through sustainable projects.

Program Goals

- Promote sustainable solutions to community needs**
- Support community members in addressing community needs while recognizing their unique ability to identify pressing concerns and appropriate solutions**
- Develop partnerships between Rotarians and non-Rotarians in a joint effort to strengthen the community**

What are the benefits?

By joining or organizing an RCC, you can make a tremendous impact in your community. RCCs empower community members to take the lead in addressing their needs. Projects are more sustainable and have greater impact when community members are involved in their design, implementation, and long-term oversight. Through RCCs, clubs diversify participation in their service activities and help develop new leaders in the community.

RCCs can be created to address an identified need in the short-term through a service project or to address various local needs through ongoing service projects.

How do I join an RCC?

Membership into RCCs is open to any adult in the community who shares Rotary's commitment to service but is not a Rotary member. Members can be comprised of individuals or an entire village, neighborhood, or community association that wants to work with a club on service projects. The majority of RCCs do not charge membership dues.

How to sustain a successful RCC

Support and mentorship from the sponsoring club is the key to an RCC's success. Rotary clubs provide ongoing guidance to their sponsored RCC and share service-related resources and tools with the corps. The primary club sponsor is responsible for ensuring that the RCC's activities are aligned with RI's policies and procedures. Sponsor clubs are encouraged to invite RCC members to their meetings and events.

Sponsor Rotary clubs appoint at least one RCC advisor or an RCC committee whose is responsible for participating in the RCC's meetings and activities, advising on administrative matters, mentoring the RCC leadership and members, keeping the sponsor club informed about the RCC's activities, and identifying opportunities for the club and RCC to partner on service projects.

Sponsor clubs must update the contact information of their RCC advisor and RCC president annually using this online form.

PRESIDENT'S MESSAGE

Fellow Rotarians, Good Evening!

The first half of August might have seem quiet, but actually, many events had taken place. On August 4, six of our members decided to meet up for fellowship at our favorite hang-out place, Seattle's Best Café. August 6 was the Public Image Seminar for Mindanao, held at the Ritz Garden Oasis Hotel. Two Committee meetings were held on August 9 (planning for Gredu activity) and August 11 (with Sec Philip on making reports).

One of the best days we've had happened on August 12th, when we participated on the Brigada Eskwela '22 of GREdu Elementary School in Panabo, Davao del Norte. With our generous members' personal contributions, we were able to donate 25 gallons of roofing paints and PPE's (4 gallons of 70% alcohol and 40 boxes of face masks) for the school and the school children, who will be starting their face-to-face classes on August 22nd. I would like to thank and congratulate our project proponent, President-Nominee Eugene Duropan, for initiating this service activity, from coordinating with the school principal, raising funds, and purchasing of donated goods. Being one of our newest members, we can see the potentials of a good leader, and the Club is truly blessed to have him in our growing family. Kudos, PN Eugene! I would also like to mention President-Elect MJ Orillosa, for his assistance in purchasing our donations.

Heads up for our next service project, which will be happening on August 26th. We will be turning over our donation for Lower Pangubatan Daycare Center, one Epson printer/scanner (c/o yours truly), and 20 reams of bond paper, from PP Art and Dir. Tess Galendez. Meet-up will be at Camp Holiday, Samal at 10 in the morning. By afternoon of the same day, at 3 PM, we shall turn-over our donations for Lourdes Daycare Center- a 42-inch TV from PDS Cary Beatisula, sound systems from AG Ed and Dir. Dahlie Ang, and other school needs like floor mats, toys and books, from whoever would like to donate. Our Rotakid Meehan, daughter of Dir. Nancy Wong, will also be celebrating her birthday and will be serving merienda for the daycare kids.

Another upcoming project, which is still pending, is the Eye screening of Grade 1 pupils of a school in Calinan. This is a joint project with RC Waling-waling, and is tentatively scheduled on August 31st.

The Governor's Visit is scheduled on September 7th. I am encouraging all members to actively participate, since the Governor's Visit is the most important day for all Rotary Clubs. Once again, thank you for your usual support!

Corina Y. Guerrero
