4. Will it be **BENEFICIAL** to all concerned?

Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PRESIDENT'S MESSAGE

Fellow Rotarians, Good Evening!

Today marks the most important day of the Rotary year, the day when our District Governor visits our Club, to exchange pleasantries, as well as to see how our Club is doing.

First of all, our RI Club Invoice, District dues, and subscription to the Philippine Rotary Magazine have been promptly paid by Club Treasurer Andrew Paul Virtucio.

Secondly, our Rotary Club Central has been updated, and our District reports and digital Club Bulletins have been uploaded and reported. We are 100% registered to My Rotary.

We are also actively posting our activities on social media, with the help of our online public image committee member Nancy Wong. Correct branding is meticulously being followed at all times, whether online, through print and on our club uniforms.

We have been busy doing our service projects: the formal turn-over of last year's district grant the renovation of Lourdes Day Care Center; Brigada Eskwela with Gredu Elementary School in Panabo; Provision of Learning Materials such as TV, sound system, books, toys and school supplies for Lourdes Day Care Center; and the Eye Screening of Grade One Learners of Lt. Villafuerte Elementary School in Calinan. We were also partners in the District-initiated service activities such as the New Year Children's Party celebration at Home for Girls and Women; and of course the annual Bloodletting every July.

We have had two Club Assemblies, first the election of our future leaders- our President-elect MJ Orillosa, President-Nominee Eugene Duropan, and President Nominee-Designate Melecio Ambone/ Nancy Wong, all four being relatively new members of this club but have shown exemplary support to all our programs. We have had three General Membership meetings, participated in three Area Coordination Meetings. We have participated in Leadership development seminars such as the recent Public Image Seminar and the online Managing Club Finances and RI Reports with Rosalyn Ong of RISPPPO.

Our pledges to The Rotary Foundation are in place and it is just a matter of time when all these will be realized. We have three Major Donors, one Benefactor, two existing Paul Harris Society members and two more new PHS upcoming members. Every Rotarian Every Year or EREY, is a yearly pledge for this Club, as well as support for Polio Plus Program.

With regards to Membership, we did suffer a minor attrition at the start of the year. Nevertheless, we will rise from that and we plan to add at least three more members this year. During our Strategic Planning in June, we have recognized our Club's weakness, which is on Youth Service. This year, we are planning to form a community-based Rotaract to address this issue.

This is just the third month of the year and there's so much more activities to do. We have yet to choose our next District Grant project. WASH-in-Schools continue to be our signature project. We plan to hold a training workshop on electrical and plumbing for our Rotary Community Corps. There are still other club and district-initiated projects to do throughout the year. My only consolation is that the members of this club never fail to give their support, either financially, or through giving of their time and talents.

With that said, I am confident that the Rotary Club of Sta. Ana Davao will remain to be a strong and vibrant club this year and in the years to come.

Cheers!

ROTARY CLUB OF STA. ANA DAVAO MEMBERS

GRANTS

Dear chairs of district Rotary Foundation committees and the subcommittees for grants, scholarships, and vocational training teams:

With the new Rotary year underway, I'd like to offer a few updates and tell you about resources that may be helpful to you in your role.

Updates

- Rotaract clubs can now get Rotary Foundation grant funds. Districts that apply for a district grant can include Rotaract clubs' activities in their spending plans. And Rotaract clubs may apply for global grants to support their service efforts in their own communities or abroad. Learn more by downloading our [FAQ about Rotaract and grants](#).
- Districts can apply for expedited [disaster response grants](#) to provide relief to people affected by the war in Ukraine. These grants can be used to supply water, food, shelter, medicine, and clothing. The Rotary district in Ukraine and those that border Ukraine can get grants of up to US\$100,000. Other districts can use grants of up to US\$25,000 to support local relief efforts or to partner with a club or district in Ukraine or a neighboring country to send relief supplies there. Multiple districts may combine their grants to fund larger projects and shipments. You can now [apply for these grants](#) until **31 December**. Disaster response grants are also available to offer help after natural disasters in all Rotary districts. For either use, districts can apply for one grant at a time, and can apply for another grant as soon as the previous one's report is completed and the grant is closed.

Resources

- The [Grant Center](#) is your hub for all grant-related matters. I encourage you to visit regularly to track your district's grants and to ensure that all necessary authorizations have been given.
- [Grants Responsibilities by Leader](#) explains club and district roles and lists useful resources.

My Rotary has pages about each of [our grant types](#) and links to a wide array of grants materials.

The [Grant Management Seminar](#) learning plan in Rotary's [Learning Center](#) includes short online courses on qualifying a club for Rotary grants, conducting a community assessment, planning an effective project, making your project sustainable, managing grant finances, and reporting on grants. Your district can opt to supplement or even replace in-person grant management seminars with these courses. You can use Learning Center reports to track participants' progress for the purpose of qualifying their clubs.

- [Rotary Grants staff members](#) are available to answer questions and can do a preliminary review of your grant applications before you officially submit them.
- You'll receive the quarterly Giving & Grants newsletter, which includes information on fundraising, grants, and more.

In a few weeks, I'll send you a list of other districts' leaders and their email addresses to help you communicate with one another and plan projects together. If you don't want your email address included, write to rotarysupportcenter@rotary.org.

We look forward to working with you this year as you develop projects to address your community's needs. Through your service, we continue to make progress on Rotary's goal of [increasing our impact](#). If you have any questions, write to rotarysupportcenter@rotary.org.

Sincerely,

Meredith Burlew
