# **THE FOUR-WAY TEST**

## **Of the things we Think, Say or Do**

- 1. Is it the TRUTH?**
- 2. Is it FAIR to all concerned?**
- 3. Will it build GOODWILL and better FRIENDSHIPS?**
- 4. Will it be BENEFICIAL to all concerned?**

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## **FIRST:**

The development of acquaintance as an opportunity for service;

## **SECOND:**

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## **THIRD:**

The application of ideal of service in each Rotarian's personal, business, and community life;

# PRESIDENT'S MESSAGE

Good evening, all.

Tonight, is indeed a joyous occasion, because our Family will be inducting three new members and reinstating one former **Rotarian-Carlito “Bong” Pastor**, with classification: **specialized Construction**;

**Roderick “Rod” Gemarino**, with classification: **Auto Insurance and Servicing**; and **Atty. Francisco “Kookie” Villano**, with classification: **Corporate Law**. Former **Rotarian Mortchill “Rain” Ang** will likewise be formally reinstated.

Tonight’s Induction ceremonies will raise our membership to 27. This will be graced no other than the most dashing **Past District Governor Rodel Riezl “Riz” Reyes**. With the reactivation of the **San Vicente Rotary Community Corps**, we will also be inducting the new set of officers tonight. May tonight’s ceremony bring about a stronger club of committed Rotarians and RCC officers. Cheers

  
CORINA Y. GUERRERO  
PRESIDENT, 2022-2023

## ***A Rotary Community Corps (RCC) is a group of non-Rotarians who share our commitment to changing the world through service projects.***

RCC members plan and carry out projects in their communities in collaboration with local Rotary clubs. Sponsored by a Rotary club, an RCC leverages Rotary's network, brand, and mentorship by partnering with clubs to plan and implement service projects. RCCs increase Rotary's impact and expand its reach by bringing the knowledge and talents of local people to strengthen their community through sustainable projects.

### **Program Goals**

- Promote sustainable solutions to community needs
- Support community members in addressing community needs while recognizing their unique ability to identify pressing concerns and appropriate solutions
- Develop partnerships between Rotarians and non-Rotarians in a joint effort to strengthen the community

#### **What are the benefits?**

By joining or organizing an RCC, you can make a tremendous impact in your community. RCCs empower community members to take the lead in addressing their needs. Projects are more sustainable and have greater impact when community members are involved in their design, implementation, and long-term oversight. Through RCCs, clubs diversify participation in their service activities and help develop new leaders in the community.

RCCs can be created to address an identified need in the short-term through a service project or to address various local needs through ongoing service projects.

#### **Why Rotary Community Corps?**

"Rotary Community Corps are local. They are part of the community and help mobilize the community. They ensure that local needs are met. And most significantly, a Rotary Community Corps has a vested interest in its own success. Their members have to live with the results of their work; their commitments are the basis for sustainability. Rotary grant projects that establish Rotary Community Corps help to ensure that the project's impact lives on in the community long after Rotary's direct support ends."

Ron Denham, founder of the Water, Sanitation, and Hygiene Rotary Action Group

Club Secretary: Philip C. Dumlao
