# PRESIDENTS MESSAGE...

President Eugene Tan

Welcome to our 6th regular meeting...

Covid 19 has hampered our operation but nevertheless we are coping with the “NEW NORMAL”.

Allow me to share the contents of my inaugural speech during our 73rd Induction & Hand-Over Ceremonies held at Oriental Resorts, Palo, Leyte last October 3, 2020. My speech will be my guiding principle as I lead our beloved Rotary Club of Tacloban to greater heights. Each presidency is given one year to lead, and it is of my challenge to put our club in the global recognition, being the mother club in Area 3B and its 73 years of existence in helping the community we serve.

“It is said that we are only as strong as our weakest link.

Ladies and gentlemen. Our world is under attack from a virus and this has plunged the entire world into a pandemic. This situation has forced us to adapt to a new normal. That’s the word.

ADAPT.

Humanity has always survived by adapting to our environment. Making the best of everything around us. To live, to survive. We have escaped extinction because of our innate nature to look for continuity under such circumstances. Unfortunately, adaptation can only go so far if we can learn to adapt together. You cannot adapt alone otherwise as a species; humanity will cease to exist.

Our rotary chapter is located in a community that has stood out in the past several weeks. We have recently recorded one of the highest increases of COVID 19 cases. How did this happen? Only a few months ago we had the lowest in the country and now this. We can’t keep blaming people. Ultimately, the reason for this is: our failure to adapt immediately to a threat.

We tried to place strict measures to stop the spread but this has been utterly ineffective. Not that the measures were wrong, it’s just that we failed to get everyone on board and sustain the vigilance we have had in the beginning of the pandemic. Fortunately, humanity shines when it is at its darkest. We have one of the greatest weapons we can use against the spread of the virus, it is EXPERIENCE. Because of what has happened

over the past few months, we now know what works and what doesn’t. We actually know what needs to be done. We also know how to do it.

The question is what are we going to do about it? This year’s theme is “Rotary Opens Opportunities”. There is no better time wherein we are given the opportunity to Serve under the new normal despite of the limitations brought by this Pandemic. But as Rotarians Covid 19 won’t stop us from taking active participation in serving the community most specially those who are in need.

As Rotarians, we cannot just sit idly by and see history unfolding. We must be a part of history. The strength of our community and our chapter is only as strong as our weakest link, it could be us, our employees, our colleagues, our family,

our people. If one is infected, there is a chance that the infection will spread. And it has. I will not call on you to stand with me and standing together side by side. In this pandemic, that is a very bad idea. However, we can still work together to create impact in our community. Available to us are technologies to communicate, transact and do business without being exposed to the virus. That alone is an achievement. Meetings can be done remotely; activities can be done by observing strict protocols and we can teach others to do the same.

There will be times that the commitment being asked feels like too much but remember a singular voice is harder to hear than a multitude saying the same message. Together we have a strong voice. Each of us have resources that can change a man's life put these resources together, we can change the community. Together we can make things happen. This goes without saying that we need each other. We need each member to be strong, to be participative, and to be proactive. The meetings, the support, the involvement is crucial in making the club relevant, sustainable and ensure growth. We are one of the oldest Rotary Club in the country and the oldest in the region. It is our responsibility to be a good example and a shining beacon to others and our community.

There will also be times that there will be differences of opinions. We are a democratic organization in a democratic society. Feel free to question anything so we can talk about it. Only when we discuss it that we truly understand each other. In the end of the day, it is the will of the majority that will be followed. Please do not feel bad if your opinion did not convince people. Rest in good conscience that you have spoken your words and tried. This will give you a chance to affect others than not speaking at all. This goes without saying opinions on leadership, policies, activities and other matters. We might not agree on so many things. But we all agree on one thing: We love the Organization. We share the same aim. We share the same vision for the organization. So, I welcome differences of opinions as long as we discuss it with mutual respect. I welcome new recruits you recommend as long as they share the same vision like ours. What I cannot have is mediocrity, half-hazard decision and passivity. We are Rotarians. We make history not watch it happen. We are Rotarians we serve others not ourselves. We all know that ultimately when we help other, we create a safe community for us and our family, for business and for new ideas. The

Rotary offers opportunities for us to build ourselves for the better. From a good father to a better father, as a good business owner to an awesome one, a good employee to an outstanding one, from mediocrity to greatness. As I take my oath as your president, I ask that you join me in making our linkages stronger. I ask you to be participative. I ask you to make yourselves and our chapter relevant. I ask you to be a part of history. Speak your mind. Debate with us. Rock the boat. Be one with us. We have survived so many calamities in the past. This will not stop us now. (strong Emotions used here) Thank you and I look forward to a very historical year with you. Mabuhay po ang Rotary Club of Tacloban."

No pandemic will stop any Rotarians of serving the community where we are needed the most. We live by the tenet "SERVICE Above SELF". Personally, I am proud to be a Rotarian because this is also my way of serving our Almighty God by serving His people through our community works. With this year's Rotary theme: Rotary Opens Opportunities, we open doors to the community that our service is needed most.

Please take note of our upcoming activity which will be on November 15, (Sunday). We will have our orientation seminar for the chartering of a Rotary Club in Baybay City, W. Leyte.

Yours in Rotary Service,  
*Joel*

# OUR GUEST SPEAKER FOR TONIGHT

## Dir. Karl Caesar R. Rimando, CESO III DILG 8 - Regional Director

A former Divine Word postulant, the new regional director of DILG Eastern Visayas professes that he doesn't know how to get angry. "If something wasn't done, I'd call the person alone and ask, 'how do I help you to achieve these tasks?'," Regional Director Karl Caesar R. Rimando said to DILG-8 staff upon his arrival in Tacloban City last June 9, 2020.

Director Rimando comes across as pleasant, straightforward and systematic, consultative, yet results-oriented - traits he used as a former director of the DILG National Barangay Operations Office, in charge of overseeing the country's 42,000 barangays.

As head of the RIATF, he is responsible for marshalling the region's various sectors to help slow down one of the country's highest weekly percentage increases in COVID-19 cases. Starting from less than 50 cases on May 25, COVID cases in Eastern Visayas increased tenfold to 499 on June 27, on the back of the arrival of returning residents composed largely of locally stranded individuals and overseas Filipinos. This has pushed the health department to name the region as an 'emerging center' of COVID-19.

Aside from holding a series of staff meetings, Regional MANCOM, Field Team Conference and issuing of pertinent memoranda to set the priorities for all employees, RD Rimando immediately sought to touch base with national agency partners and local officials.

For a start he paid courtesy visits to Leyte Governor Leopoldo Dominico L. Petilla and Southern Leyte Governor Damian G. Mercado as well as Congressman Roger G. Mercado, and has planned more field visits in the near future.

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service.

## THIRD:

The application of the ideal service in each Rotarian's personal, business and community life.

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1. Is it the TRUTH?*
- 2. Is it FAIR to all concerned?*
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?*
- 4. Will it be BENEFICIAL to all concerned?*
