# PRESIDENTS MESSAGE...

President Eugene Tan

Greetings my brothers in the Rotary Club of Tacloban.

Welcome to our 12th regular meeting.

Our continued commitment to service is unquenchable. We have made that oath and see ours fulfilled. In spite of the challenges on pandemic, we still made our ways to deliver our brand of service to those who needs us most.

It takes courage to work against all odds. Leadership to make all components work. It takes both leadership and courage to see it all through.

With what we have done over this pandemic, I am proud to be amongst men who are willing to go the distance, to create impactful project and bring positive change to the community. As I always say, that to serve others is ultimately serving God.

It may feel too tiresome and almost troublesome that our lives have been modified to adjust to observe the new normal. I pray for strength and understanding. We are all in this together. Be patient. The vaccine is coming. Meanwhile, as we adopt the spirit of service does not rest, so we must press on to impact lives in the community we serve. As Rotarians, the motto of "SERVICE ABOVE SELF" is our primary mandate.

The Almighty above knows that what we are doing will ripple through the lives of those we touch. In a single point of origin, the ripple will expand and affect more lives.

God bless us all!

Yours in Servant Leadership,

Rotarian *Eugene A. Tan*  
Transforming President

# SECRETARYS MESSAGE...

Secretary Jonathan Calvara

"I only feel angry when I see waste. When I see people throwing away things we could use." —Mother Teresa

For the longest time we have been doing a lot of projects involving environmental concerns. Until last June 25, 2020, The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: **SUPPORTING THE ENVIRONMENT**. This was announced by RI Past President Mark Maloney. With the announcement, "Supporting the Environment" is Rotary International's 7th Area of Focus in all of our service projects.

Yesterday, we conducted the distribution of trash bins to different barangays of Tacloban City. This community project is our 2nd year of service partnership with the Philippine Air Force Tactical Operations Group-8. The objective in providing these trash bins is to bring awareness to our community that when there is proper waste disposal, we are also contributing clean environment thereby protecting it. Mother nature could be in full smile seeing RCTacloban rotarians and members of the PAF-TOG8 in action and taking care of the environment even with these very small gestures.

Let's not make St. Mother Teresa angry through proper disposition of our solid waste and Let's Support the Environment.

Reminding my fellow Rotarians that we will be conducting a blood letting activities next week, chaired by Rotarian Peter Justin. Final details will be announced through viber and sms. Hoping again for your active participation.

God bless us all Rotarians!

Yours in Rotary Service,  
*Joel*

## ROTARY INTERNATIONAL PRESIDENT'S MESSAGE FOR FEBRUARY 2021

In Rotary, 23 February is our anniversary, and February is also the month when we focus on promoting peace. There is a reason for this: Contributing to peace and international understanding has been a high priority for us since our earliest days.

We are often asked: "How can we get involved in peace now?" There are many paths to peace in Rotary. Our youth programs point us in the direction of Positive Peace, as does the work of intercountry committees and the Rotary Action Group for Peace.

Another path is the Rotarian Peace Projects Incubator (RPPI), an inspirational collaboration among Rotarians, Rotaractors, and Rotary Peace Fellows and alumni. Led by Rotarians in Switzerland and Liechtenstein, RPPI has designed 48 global projects that any club can support, either directly or through Rotary Foundation global grants. Nino Lotishvili and Matthew Johnsen, alumni of the Rotary Peace Center at Chulalongkorn University in Bangkok, Thailand, are two of the many volunteers.

During my Rotary peace journey, I have learned how personal resilience helps build inner peace and create sustainable outer peace. This was the inspiration behind the Women Peace Ambassadors for the South Caucasus project, which is based on my field research in Georgia. The RPPI team of Rotarians and peace fellows recognized the incredible potential of women from mixed-ethnicity families who live on borderlands to be role models for peace within and beyond their communities. Through workshops on building inner and outer peace that draw on the power of storytelling, 40 participants will be sharing their stories and reaching around 400 extended family and community members. These inspiring but marginalized women will reclaim their inner strength as peacebuilders at the grassroots level. In this way, we will take steps toward the sustainable, peaceful society we need so much, not only in our region, but throughout the world. — Nino Lotishvili

I was excited to join the peace incubator project and to further strengthen my ties with Rotary's peace community by working with past and current peace fellows to develop these proposals. My team wrote five proposals — three in Bangladesh, one in Iraq, and one in Poland — that focus on the arts and on education to generate dialogue across religious divisions and avert the radicalization of young people. I was inspired by how, despite the pandemic, we came together via technology with a vision to develop, test, and strengthen ideas and to produce workable solutions that clubs across the world can support to advance peace. I am excited to work with Rotary's peace community to transform these visions into reality. — Matthew Johnsen

Here is further proof that in Rotary, we prefer action to words. This is Rotary at its best. I encourage you to visit <https://www.rppi.ch/> to explore the projects and support them.

We have lasted 116 years because of our strong ethics, our passion for Service Above Self, and our unique approach to problem-solving. One of our greatest strengths is how we reach across our communities and across national, ethnic, religious, and political divisions to unite people of all backgrounds and to help others. This month, let's celebrate our history and the many ways that Rotary Opens Opportunities to advance world understanding, goodwill, and peace, our ultimate mission.

## RI President-elect announces 2021-22 presidential theme

Incoming Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, revealed the 2021-22 presidential theme, *Serve to Change Lives*, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors-elect, was originally set to take place in

**SERVE TO CHANGE LIVES**

Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic. Mehta spoke about how participating in service projects through Rotary changed him as a person and made him empathize more with the needs of others. Soon after joining his club, he helped carry out projects that benefited rural communities in India. Some of the poor conditions he saw in those communities strengthened his commitment to service. "I truly understood the plight of my brethren," he said.

Mehta participated in initiatives that brought artificial limbs to children, clean water and sanitation to homes, and better health care facilities to communities. "Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me and I, like many others, adopted the guiding philosophy that 'Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.'"

Mehta encouraged district governors-elect to lead by example during their term and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He's asking each club to conduct a Rotary Day of Service. "At the end of your term as district governor, you should feel that because of your leadership, because of your inspiration to Rotarians and Rotaractors, the world has changed for the better because of the service done by them during the year," he said.

### **Focusing on diversity, membership**

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary's belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work. Rotary kindled the spark within me to look beyond myself and embrace humanity.

"There are many issues that girls face in different parts of the world, and you as leaders will ensure that we try and mitigate the disadvantage of the girl that they may have," he said.

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. "And that should excite you," Mehta said. "Rotarians love challenges."

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service;

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. *Is it the TRUTH?*
2. *Is it FAIR to all concerned?*
3. *Will it build GOODWILL and BETTER FRIENDSHIPS?*
4. *Will it be BENEFICIAL to all concerned?*
