Rotary Hymn	Audio Visual Presentation
Introduction of Guests & Visiting Rotarians	Dir. Millan Estorninos
Welcome Song	Dir. Millan Estorninos
Joke Time	Rtn. Anup Khiatani
Recognition Time	Dir. Noli Beltran
President's Time	Pres. Eugene Tan
Night Chairman	PAG Ben Gaspay
Host Team	TEAM LOCKDOWN

# PRESIDENT'S MESSAGE...

Greetings my brothers in the Rotary Club of Tacloban.

Welcome to the 19th Regular Meeting of the Club. We are now at the last regular meeting for the quarter and one more quarter and the leadership will now be transferred to our president elect.

This year, with the membership active and our year reaching zeniths, the Awards Concept Committee will be introducing the Antonio Molina Awards. This awards ceremony is for Rotary Club of Tacloban members, partners and other stakeholders. In recognition of the service rendered to the Club and the community.

The last quarter is about legacies. I wish to leave a legacy that will encourage our members to be active, increase numbers and commitment to our responsibilities as true blooded Rotarians.

Together with the board, the 1-year to lead is nearing its end. Some may say it seems to short. But it is the beauty of the 1-year opportunity. Knowing that you only have 1 year to fulfill your role makes you want to do your best, to know yourself, to be better.

I ask you my brothers to continue your commitment to service and to the club and to the leadership as we welcome the final quarter of the Rotary year.

God bless us all!

Yours in Servant Leadership,

Rotarian *Eugene A. Tan*  
Transforming President

# SECRETARY'S MESSAGE...

"It is much more material that there should be a rule to go by, than what that rule is; that there may be a uniformity of proceeding in business, not subject to the caprice of the Speaker, or captiousness of the members." - *Thomas Jefferson (Manual of Parliamentary Practice)*

Welcome to our 19th regular meeting. Last night, your active officers conducted our 7th Board Meeting. The meeting lasted for 4 hours (8pm-12mn) all for the love of our Rotary Club of Tacloban. The discussions and debates were very healthy and productive. Issues and matters were acted upon with full information of the body. I salute our President Eugene in leading the meeting with fair and just acts. And of course, thanks to our board for the active cooperation and collaboration.

For the information of the general membership, we have been practicing the Parliamentary Procedure in conducting our board conference. Let me share some key points on the importance of Parliamentary Procedure or Robert's Rule of Order.

Parliamentary procedure was developed by General Henry M. Robert during the Civil War to bring order to officer meetings. The basic premise of Robert's Rules of Order is to protect each member's rights, while seeing that the majority rules. Parliamentary procedure is designed to accomplish one thing at a time, bringing each to resolution before going on to the next, all the while seeing that courtesy is extended to everyone. It includes the ability to focus on one item at a time, decisions that recognize the majority while protecting the rights of the minority, equal opportunity for input among participants, and faster, more orderly. Decision is made on the vote of the majority.

According to [wisepropertiesolutions.com](http://wisepropertiesolutions.com), they have identified 4 Fundamentals Principles of Parliamentary Procedure.

- 1) One Speaker Speaks At a Time. When you think of this as simple courtesy, it takes the fear out of who may get the floor to speak and when a speaker may be interrupted. ...
- 2) One Question Is Decided At A Time. ...
- 3) The Speaker Must Be Respectful. ...
- 4) Everyone's Rights Are Protected By Balancing Them With Each Other.

As a Senate Fellow also of JCI Senate Philippines where President Eugene is also one, we have been trained to conduct our meetings utilizing the above procedure. There maybe heated arguments during the discussions, but at the end, the welfare of the organization is the primary concern.

A blessed to all of you, dear Rotarians.

Yours in Rotary Service,

*Jocel*

*Waray-Waray*

# ROTARY INFORMATION...

PE Bobby Andrade

## Philippine WASH project delivers toilets, hygiene education to villages

Rotary gets the job done where others failed

In 1991, Mount Pinatubo erupted after 600 years of inactivity and destroyed homes and farms, displacing many indigenous Aeta living in the highlands of central Luzon, Philippines. While Aeta can refer to several different related ethnic groups, the Aeta here are descendants of Mag-Antsi, who following the eruption, were resettled by the government. Since then, many have returned to their ancestral lands to rebuild and reestablish their communities.

The roughly 43 families in Flora and 79 in nearby Kawayan make a living farming. While Aeta in other areas have been granted title to their ancestral land by the government, these Aeta have seen their lands shrink and their source of livelihood suffer as people from the lowlands staked competing claims during their resettlement years.

Like more than 10 million households in the Philippines, they lack sanitation facilities. The Philippines government has made progress in extending water to its 109 million inhabitants, but long-term plans to expand sanitation are running behind, especially in rural regions. This reduced access to personal hygiene exposes communities to diseases like diarrhea and cholera, and can lead to decreased school attendance, malnutrition, poor oral health, and fear of violence in women who must practice personal hygiene outdoors, according to a report by UNICEF.

**1,000 - Number of children who die each day due to preventable water and sanitation-related diarrheal diseases.**

**892 million - Number of people who continue to practice open defecation.**

**Source: United Nations**

To combat these problems, the Rotary Club of Intramuros-Manila developed a water, sanitation, and hygiene (WASH) project that installed 25 toilets in the Aeta communities of Flora and Kawayan and three in Babo. Rotary members made visits to the community to learn about and understand current hygiene practices, willingness to work on the project, and the communities desire for toilets.

Before a single brick was shipped, Rotary developed friendships and gained buy-in from the community. Rotary was able to leverage an existing profile of Flora and Kawayan to guide the project, including information on race, history, socio-economic conditions,

# ROTARY INFORMATION...

family units, source of livelihood, and means of transportation.

“On our first visit, one of the leaders said that nongovernment organizations and politicians had visited them often, promising to build toilets,” recalls Floren Naguit, project manager and member of the Intramuros Rotary Club. “But none had ever been built.” Until now.

Work began in Flora in early 2018 during the dry season, December through April, when roads are most passable. Together with their international partner, the Rotary Club of Batemans Bay, Australia, the club organized three-person work crews and local volunteers to haul materials by Jeep and carabao-pulled carts up mountain roads and across 26 rivers.

Septic tanks were installed, foundations set, walls and roofs built, tiles laid, toilet bowls inserted, solar lamps added, and use and care signs hung. Construction in Kawayan began after Flora was completed, with the total project dedicated in early 2020.

The project paid local teachers, hired by the government, a small stipend to lead three small workshops for clusters of two to three families, and include education on safe hygiene in their lesson plans to encourage behavior change.

“Behavior change is hard,” says Mark Balla, vice chair of the Water and Sanitation Rotary Action Group, “You’re asking people to do something different from what they were comfortable doing before.” But without it, people can slip back into past habits and toilets can fall into neglect or disrepair. Perhaps most importantly, Balla stresses the need for patience.

“You are going to get imperfect results. There are no perfect projects,” he said. “We need to understand that we are striving for continual improvement.”

Knowing that monitoring and measurement are critical, the Rotarians performed follow up surveys with the Aeta, asking questions about toilet use and handwashing behavior. Although visits were suspended in early 2020 due to the COVID-19 pandemic, and then from September to December when the rainy season makes roads impassable, they are scheduled to resume in 2021.

The World

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service;

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1. Is it the TRUTH?*
- 2. Is it FAIR to all concerned?*
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?*
- 4. Will it be BENEFICIAL to all concerned?*
