# PRESIDENT'S MESSAGE...

Greetings my brothers in the Rotary Club of Tacloban.

They say it's hard to teach old dogs new tricks. This is true, it's hard but not impossible. Over the first few months of this leadership, we have achieved so much. Noteworthy is the club being a 100% Paul Harris Club. Having more new members is a feat itself having all members as Paul Harris Members is a big achievement. I would like to extend my gratitude to all those who made all this possible. The Board, the elders who gave their wise advices and the members.

This only shows that the Club is alive and kicking. Tonight, on our 20th Tegurar meeting, we, old dogs, will be taught a new skill. The advent of social media has made us to adapt to a new kind of connection and information must be presented properly. The training tonight will teach us to take photos from our Mobile phones in a way that would give the grasp of the basic concept of a photo well-taken.

I hope you will learn much tonight and the skill learned be useful for all of us.

God bless us all!

Yours in Servant Leadership,

Rotarian *Eugene A. Tan*  
Transforming President

# SECRETARY'S MESSAGE...

"WHATEVER ROTARY MAY MEAN TO US, TO THE WORLD IT WILL BE KNOWN ONLY THE RESULT IT ACHIEVES." -Paul Harris

Welcome to our 20th regular meeting. It has been almost 20 days that we have not conducted our regular meeting. Your board of officers wishes everyone a belated Happy Easter!

In 2 months and 15 days, change of guards for our Rotary Club of Tacloban is about to happen. With the theme "SERVE TO CHANGE LIVES" Rotary Year 2021-2022 is another challenging year to serve best the less and least community that is within our reach. As Rotarians, we have our own personal purpose and meaning of what Rotary is. But one thing for sure is we want to serve that will create positive change and impact on the lives of others. Service to Humanity is Service to God. This is the result we always aspire for.

Please be guided of our virtual District Assembly 2021:

Club Officers and Directors, Rotaractors,  
Past District Governors, and interested Rotarians

**Register now and join us for an exciting training event!**

Last April 9, I and Rotaractor Pres Ian attended the Rotary Youth Leadership Award (RYLA) webinar. Rotary Youth Leadership Award (RYLA) is an intensive, fun-filled and life-changing leadership training program of Rotary International for youth leaders who have engaged in their field of endeavor which contributed to the cause of humanity. The program also exposes them to Rotary's value of service, high ethical standards, and peace. RYLA experience prepares young people to be leaders in their community, profession, and other facets of everyday life. For young individuals, RYLA provides the opportunity to build self-confidence, to gain exposure to a variety of issues and people, to meet active community leaders and to learn valuable information and career skills.

Allow me also to congratulate our Rotary Club of Tacloban for achieving again this rotary year the 100% PAUL HARRIS Club. We all made this because of the collaboration, cooperation and kind generosity of every member. Pres Eugene's mantra on achieving this is, "no one should be left behind". Let us all thank the strategic wisdom of PAG Ben & PP Malcom, chairmanship of PE Bobby and of course the persistence of Pres Eugene.

Yours in Rotary Service,  
*Joyal*

## Rotary International Presidents Message for April 2021

This year, we celebrate Earth Day on 22 April with a new sense of purpose. The environment is now an area of focus for Rotary. Solutions for all great tasks always start with you and me, and there is much we as individuals can do simply by changing our behavior: Cutting down on our use of plastic and using energy wisely are just two examples. But now we have the opportunity to do more together.

Supporting the environment is not new to Rotary; clubs have long worked on environmental issues based on local needs. Now climate change — a problem that affects us all, rich and poor — requires us to work together more closely than ever. Alberto Palombo, a Venezuelan engineer living in Brazil and a member of The Rotary Foundation Cadre of Technical Advisers, shares his view.

For 30 years, my work has been to connect with communities and policy officials to take care of the environment. Today, I am excited about Rotary's opportunities to help reduce environmental degradation and make communities more environmentally sustainable.

In every community where we have a Rotary, Rotaract, or Interact club or a Rotary Community Corps, there are environmental challenges. As Rotary members, we can become stewards of environmental sustainability and adopt the United Nations 2030 Sustainable Development Goals in our daily lives at home and in our clubs. Then we can incorporate them into our Rotary projects.

My club has been involved with water and environment projects since day one. We seek opportunities to empower Rotarians and foster partnerships in our region and beyond, working with groups such as the Inter-American Water Resources Network and the World Water Council. Local clubs worked with the Water, Sanitation, and Hygiene Rotary Action Group ([wasrag.org](http://wasrag.org)) to help Rotary get a seat at the table during the 2018 World Water Forum in Brasilia, where we discussed how communities can recover from environmental disasters like the one caused by the failure of a mining dam on Brazil's Rio Doce in 2015.

Taking care of the earth is an effort that never stops. To make an impact, we must align our knowledge, abilities, and enthusiasm — and Rotary is already great at doing this. As a volunteer with the Environmental Sustainability Rotary Action Group ([esrag.org](http://esrag.org)), I have seen how our work for the environment dovetails with much of what we are already doing in water and in our other areas of focus. Rotary members are not passive spectators; we take action. Let's work together and make a positive impact.

Support from The Rotary Foundation will define this new chapter in our service. Through district and global grant projects, we will build upon our previous projects that help the environment. We will look for ways to collaborate more closely and make a greater impact on global environmental

issues. And we will incorporate environmental concerns into all of our programs, projects, and events.

Rotaractors and participants in our youth programs expect Rotary to take a clear position and provide leadership with vision. We will work with them, seeking intelligent solutions to the problems they will inherit. Our incredible members, networks, and Foundation give us the capacity to make an important and lasting contribution. Now, we will discover together how Rotary Opens Opportunities to help us expand our service to preserve the home we all share.

## TRANSFORMING CLUB PRESIDENTS AND SECRETARIES

Dear Sir/Maam:

Greetings!

We hope and pray that you, the rest of your Club members and your respective families are all safe and well right now while confronting this very challenging times.

District 3860 will be holding our District Conference on **June 4 to 6, 2021** with the theme **DISCON 2021: "Opening Opportunities to a Whole New World"**.

The Venue of the DISCON is not Davao City, rather it would appear District wide as we will be embarking in a virtual technology. We are therefore inviting you and your esteemed club members to be a part of the "inter-active conference platform" that we are organizing. We need your help to make this inaugural digital conference successful.

We assume that you missed your fellow Rotarians since last year as we are restricted from gathering hence this is an opportunity for you to somehow watch in the comfort of your home what's happening with the other clubs in the District. Some of this activities will be presented during the parade of clubs in the opening ceremonies. Everyone, including your families will be able to see what happens in a DISCON.

We are providing you herewith a list of items that we encourage you to submit to us **not later than April 30, 2021**. Our District Governor Rodel Riezl S. Reyes is requesting everyone to participate.

The success of DISCON 2021 will be because of you.

Thank you and GOD speed!

Yours in Rotary,  
ROTARY CLUB OF EAST DAVAO:

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service;

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. *Is it the TRUTH?*
2. *Is it FAIR to all concerned?*
3. *Will it build GOODWILL and BETTER FRIENDSHIPS?*
4. *Will it be BENEFICIAL to all concerned?*
