PRESIDENT'S MESSAGE...

Greetings my brothers in the Rotary Club of Tacloban.

Welcome to the 21st Regular Meeting of the leadership year. Tonight, we will have with us an expert in the procedures in gun responsibility and gun acquisition. Our focus shall be in the protection of life and property. What is unique about this is that the protection shall not be coming from the PNP or the AFP or even by the civilian security. The protection we shall discuss is provided by yourself protecting your own property and life and the lives of your family.

Not all of us can be owners of guns but if it does happen, we would like to have RESPONSIBLE owners. Being responsible means, you have undergone the legal and proper process of buying and owning a gun. We have had firsthand experience of the advantages of having our own gun during the aftermath of the ST Yolanda. Law enforcement was not present and all we can do is rely on our own for protection. Lest we forget, we must have guns that have been acquired legally and duly licensed.

Also, tonight the host team has a surprise for all of us. May this night be informative and enjoyable for all of us. God bless us all!

Yours in Servant Leadership,

Rotarian *Eugene A. Tan*
Transforming President

SECRETARY'S MESSAGE...

"It has been said that the real test of Rotary is in the local clubs. The test reaches deeper than that. It reaches to every single man in every local club."

- Allen D. Albert (Rotary Club of Minneapolis, Minnesota, USA 1913 Rotary convention)

It's our 21st regular meeting on this year 2021. I would like to share some trivia about number 21, sourced from the internet.

- 1) A 21-gun salute, a military honour given to royalty or world leaders.
- 2) 21 is a triangle number – it is the sum of the first six whole numbers
($1+2+3+4+5+6=21$)
- 3) Three-on-three basketball, aka 3x3, is a single period of 10 minutes, with the winner the first team to score 21 points (or be closest to 21 at the end of 10 minutes).
- 4) In an experiment in the early 1900s, an American doctor wished to work out if a human soul had a physical weight, by measuring the change in mass between a few moments before death, and the time of death. His (widely criticised) conclusion was that a soul weighs 21 grams.
- 5) Before the rules were changed in 2011, 21 was the amount of points required to win a game of table tennis and badminton.

For our club, we will have 21 new members for this transforming year if we can still have additional 2. With the the remaining 2 months to end this rotary year, who knows this is still possible. Thanks to Pres Eugene for a massive campaign on the recruitment of new members. This could not have been done without properly analyzing facts on the club's membership status. This was thoroughly discussed during the club planning last July 22, 2020 at Luxury Suites. With the healthy active roster, let us support each other that our fellowship and brotherhood be sustained as we journey together in transforming and change the lives of the less fortunate in our community. The quote of Rtn Allen Albert, is a clear manifestation of our beloved Rotary Club of Tacloban. Going 74years of existence and serving the humanity is a huge feat for the organization.

Herewith are some of the highlights during our recent 8th Board Meeting.

- 1) Rotary Club of Tacloban Awards Night
- 2) Club's Financial Status
- 3) Bloodletting activity scheduled on May 1
- 4) Updates on the proposed expansion of our Club building
- 5) The formation of a corporation as a financial group separate from the club

Next week, April 29, the board decided that our regular meeting will be on a lunchtime. We hope to see the same support of attendance since we are expecting the council of Past Presidents to be present

Yours in Rotary Service,
Jocel

ROTARY INFORMATION...

PE Bobby Andrade

Trustee chair's message for April 2021

"Make no little plans," American architect Daniel Burnham said. "They have no magic to stir [our] blood and probably themselves will not be realized."

When Rotary heeds Burnham's advice and follows through with action, we shine. We made big plans when we spearheaded a global initiative to eradicate polio; last year the World Health Organization's African region was certified polio-free.

When the coronavirus hit about a year ago, The Rotary Foundation quickly mobilized and awarded 319 COVID-19-specific disaster response grants for \$7.9 million. To date, we have further awarded 317 COVID-19 global grants for about \$24.1 million, which, combined with previously approved global grants that grant sponsors repurposed to support corona-virus response, has made for a total outflow of more than \$32.7 million.

We are now thinking big again, through our programs of scale grants. We will award a \$2 million grant annually to one project that aligns with one or more of Rotary's areas of focus. The grant should solve problems for many people in a large geographic area through a measurable and sustainable approach within a three- to five-year period. It also requires like-minded partners who are committed and resourceful. The idea is also to replicate these programs in different communities around the world, applying the lessons learned.

The Rotary Club of Federal Way, Washington, has made no little plans. As sponsor of the first programs of scale grant, the club is leading, in partnership with Zambian Rotary clubs and Malaria Partners Zambia, an effort to help end a disease that is widespread in that country. Through the program, called Partners for a Malaria-Free Zambia, Rotary will help train 60 Zambian district health officials, 382 health facility staff, and 2,500 community health workers to save lives; it will also equip them with the necessary supplies and gear to get the job done. Their aim is no less than reducing malaria by 90 percent in 10 target districts in two of Zambia's provinces.

Rotary members are also applying the power of partnering by teaming with several organizations. They include Zambia's Ministry of Health through its National Malaria Elimination Centre — which will ensure that the program contributes to the national strategy — as well as the Bill & Melinda Gates Foundation and World Vision, which are also investing substantial resources in co-funding

and implementing this \$6 million program.

This first programs of scale grant will inspire others and make a great impact in the years ahead. It is just the latest chapter in the story of Rotary, one that recounts how ordinary citizens unite to not only plan big but also take bold action to help others in need. It is a stirring story that you, the dedicated members of Rotary who support The Rotary Foundation, are helping to write.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The Development of acquaintance as an opportunity for service;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

1. *Is it the TRUTH?*
2. *Is it FAIR to all concerned?*
3. *Will it build GOODWILL and BETTER FRIENDSHIPS?*
4. *Will it be BENEFICIAL to all concerned?*
