# PRESIDENT'S MESSAGE...

Greetings my brothers in the Rotary Club of Tacloban.

The process of change is not easy. Humanity has always resisted the same. Fortunately, we adapt. We survived millions of years of evolution to arrive at where we are now. Resilient and surviving.

The Covid 19 pandemic has changed our lives in a drastic way. What we hold to be intrinsic is now changed forever. Let us take for example the contact greetings of shaking hands and “beso-beso”. These social greetings can no longer be a norm because it increases the risk of virus transmission. We changed it to the elbow bump, the fist bump or the right hand on our chest as we say our felicitations to our fellow. That my brothers are a testament that as a social species, humanity will evolve to address the need for social interaction.

We as Rotarians, also adapted to the New Normal. We conduct our meetings following strict health protocols. The more than 1-meter table arrangements, the disinfectants in the entrance, the wearing of masks all the time and reducing our gathering to acceptable number of attendees. Our aim is to serve the community and no amount of fear can stop us from doing so. We shall continue to do so but will do it with little or no risk to our lives and the lives of those who we pledged to serve.

Fear results in little or no understanding of the enemy. Tonight, in our 25th Regular Meeting, we are to alleviate that fear by understanding the enemy. The knowledge we gather tonight will enable us to equip ourselves with the basic or advance knowledge to combat this threat to our lives. May this night be a night of war preparation that we Rotarians can be a well-informed lieutenants and commanders against the invisible enemy.

Continue to serve, continue to thrive, continue to be catalysts of positive change in the community. Mabuhay Rotary Club of Tacloban!.

God bless us all!

Yours in Servant Leadership,

Rotarian *Eugene A. Tan*  
Transforming President

# SECRETARY'S MESSAGE...

*"It's really more about the moment than it is the award. You know how Trophies are, you don't really think about them after a while. It's more about the moment of being encouraged to keep doing what you're doing that keeps you going" -Mark Hall*

Welcome to our 25th regular meeting. Thanks to our guest speaker, Dr. Marc Steven De Paz Capungcol who will be sharing with us updates on Covid-19 and the new strands. It has been a year that we are on pandemic and surely a lot of changes happened in our everyday living. It is very timely that again, we need some new information on how we can combat and fight this invisible enemy.

Last Monday (May 17), your board of officers had an emergency meeting to decide on our official trophy award that will be given due recognition to our deserving outstanding members during our Awards Nights. Herewith is the official winner design.

A total of 63 participants submitted their entries our contest. All of the designs were scrutinized. The design above was unanimously chosen by your board. This will be adapted as Rotary Club of Tacloban's official trophy awards and it is club's dream that hopefully Rotary International may adapt this kind of ward concept.

Yours in Rotary Service,  
*Joel*

# ROTARY INFORMATION...

PE Bobby Andrade

## Rotary members in Italy apply expertise to assist in COVID-19 vaccinations

Riccardo De Paola knew that as Italy's supply of COVID-19 vaccine doses increased, more people would be needed to administer the shots and staff vaccination sites. He started contacting medical directors in the Verona region about how Rotary clubs could be ready to help — and began mobilizing a volunteer force that has since become a critical government partner.

De Paola, a past governor of Rotary District 2060 (Italy), says the dozen medical directors he talked to in late 2020 all echoed the same refrain: They desperately needed volunteer help to get vaccination sites up and running. De Paola coordinated with the current district governor, Diego Vianello, to recruit volunteers from the region's 91 Rotary clubs.

Rotary District 2060 (Italy) created a COVID-19 task force and coordinated hundreds of members to volunteer and use their expertise at dozens of vaccination sites. "We Stop COVID" campaign has been adopted by other Italy Rotary districts.

Within a week of the initial call for volunteers in January 2021, more than 150 Rotarians and Rotaractors had stepped forward. The group included several current and retired doctors, nurses, and paramedics. The volunteers were vaccinated and trained in specific health protocols, which vary from city to city.

Some volunteers had to purchase insurance to be able to administer the vaccine. A task force De Paola and Vianello set up worked with insurance brokers to obtain coverage for four retired doctors at a cost of about \$300 each. The task force also established a group of volunteer lawyers to review agreements between various municipalities and the volunteers, providing legal support as needed.

Impressed with how quickly and efficiently the Rotary members had mobilized, medical authorities in Verona put the Rotary district in charge of all COVID-19 vaccine volunteer activities in the region, including scheduling patients, assigning shifts, and reporting data.

De Paola says the sanitary director for the city of Treviso credited Rotary with making it possible to increase the number of vaccinations and lauded Rotary members for helping officials reach an incredibly important goal. The task force's volunteer roster has grown to more than 400 people, representing thousands of hours worked, and more than 100,000 people in the region have been vaccinated as a result, De Paola says. Those numbers are expected to increase sharply when Italy ends its current lockdown, which was triggered by a deadly spike in COVID-19 cases in early February.

These efforts have been adopted by all Rotary districts in Italy. Inspired by Rotary's "End Polio Now" campaign, De Paola and Vianello call their initiative "We End COVID." All volunteers at the vaccination sites, including nonmembers, wear "We End COVID" badges and pins with Rotary branding. Vianello says Rotary's involvement in this historic effort has greatly increased the public's awareness of the organization.

"'We End COVID' has been a great boost for us. Communities are seeing the impact Rotary is having," he says. "Our clubs have a new energy."

# OUR GUEST SPEAKER FOR TONIGHT

**DR. MARC STEVEN DE PAZ CAPUNGCOL**

**Medical Officer IV**

**Department of Health**

**Eastern Visayas Center for Health Development**

- A Registered Nurse and a licensed physician

The World

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service;

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1. Is it the TRUTH?*
- 2. Is it FAIR to all concerned?*
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?*
- 4. Will it be BENEFICIAL to all concerned?*
