MESSAGE FROM PAST DISTRICT GOVERNOR *Rodel Riezl "Riz" Reyes*

It gives me great pleasure to be with you in thought on the occasion of your 74th Induction and Handover Ceremonies.

My sincerest congratulations and gratitude to Pres. Eugene Tan, the Officers and members of Rotary Club of Tacloban for fulfilling your pledge to take on the opportunities of making a difference in your communities and sharing with me the leadership to take your club to greater heights.

As you very well know, Rotary Clubs and community partners play a vital role in doing community service. Many of you have taken the initiative to lead, to involve in community service, to do skills-based volunteerism projects. This is what we do. The work of the Club will only become vital as your community seeks you out for more collaborative endeavors to address their needs. Your club have connected with several partners thus you have given so much pride in bringing Rotary Brand far and wide.

Fellow Rotarians, as we continue to pledge and renew our commitment every year to extend our support and assistance to our communities, we have to consider also our members and their roles and responsibilities in every step of our engagement in our communities.

Beyond the "hardware" we must build the "heart ware". It is not just about contributing resources or volunteering your time, it is also about helping our less fortunate beneficiary. Our social issues have become more complex, it is also increasingly important for a whole-of-community effort, where volunteers, community partners, and the Government come together to solve them. Besides encouraging the spirit of giving, it is with the support of the whole community, with all of us, each and every one, playing our part, that will help us build a caring and resilient community that will continue to thrive in the years ahead.

Rotary is not a political organization, but all Rotarians are vitally concerned with everything pertaining to good citizenship. It is neither a religious organization, but it is built on those eternal principles that have served as the moral compass for people throughout the ages.

We are not a charitable organization, but our activities exemplify the service and sacrifices that one should expect from people who believe that they have a responsibility to help others.

But Rotary is an organization of business and professional people, pledge to upholding the highest professional standards. We believe that worldwide fellowship and international peace can be achieved when business people & professionals unite under our motto: "Service Above Self"

Rotary club is an association of individuals coming from different walks of life having different mindset, different temperaments, different reasoning. What we learn by association with these members is their perspective as to how they look to Rotary and to the world.

My dear Rotarians, I wish to see Rotary Club of Tacloban that is brighter, with a light that shines out clear and strong. I want your light to be warm and inviting so that other people want to come closer, to be a part of this club in doing good in your communities. I wish this light to inspire, to show everyone what one person can do, what we can all do when we work together.

I would like to help you understand that to serve as President in Rotary, one has to be firm yet flexible. Flexible yes but no compromise with the values we cherish, principles we live by, ideals of the organization we have embraced. Integrity, honesty, dignity, sincerity are still our guiding principles.

This Rotary Year as we Serve to Change Lives, I am confident that with strong leadership of President Robert Andrade and the shared vision of all officers and members, the Rotary Club of Tacloban will show its true radiance that a real diamond displays.

All the best as we look forward to your 75th year in Rotary Service.

Greetings and Congratulations to the Rotary Club of Tacloban on the occasion of its 74th installation of New Officers and Directors & Turnover Ceremonies.

We look back 73 years ago when the Rotary Club was chartered and we remember the 73 past presidents whose leadership navigated the growth in the service of the club.

Past RI President Bhichai Rattakul once shared the following: "There is no way to change the past, but there are endless ways to change the future, through peace, love, understanding, hope and confidence".

Let us bring to mind Rotary's Core Values

F - ellowship
I - ntegrity
D - iversity

The new set of officers will lead the club in Rotary Service and Fellowship. This healthy change of command gives club members the opportunity to serve and lead the club to yet another dimension of club service.

Make RY 2018-2019 RI Theme "Be The Inspiration" the battle cry of your term.

I wish LifeChanging Rotary Club President Robert "Bobby" Andrade and the inspiring officers a very successful year ahead, and always remember that there are no challenges we cannot overcome even in these trying times.

HISTORY OF ROTARY INTERNATIONAL

A Brief History of Rotary International

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul P. Harris, an attorney who wished to recapture in a professional club the same friendly spirit he had felt in the small towns of his youth. The name "Rotary" derived from the early practice of rotating meetings among members' offices.

Rotary's popularity spread throughout the United States in the decade that followed; clubs were chartered from San Francisco to New York. By 1921, Rotary clubs had been formed on six continents, and the organization adopted the name Rotary International a year later.

As Rotary grew, its mission expanded beyond serving the professional and social interests of club members. Rotarians began pooling their resources and contributing their talents to help serve communities in need. The organization's dedication to this ideal is best expressed in its principal motto: Service Above Self. Rotary also later embraced a code of ethics, called The 4-Way Test, that has been translated into hundreds of languages.

During and after World War II, Rotarians became increasingly involved in promoting international understanding. In 1945, 49 Rotary members served in 29 delegations to the United Nations Charter Conference. Rotary still actively participates in UN conferences by sending observers to major meetings and promoting the United Nations in Rotary publications. Rotary International's relationship with the United Nations Educational, Scientific, and Cultural Organization (UNESCO) dates back to a 1943 London Rotary conference that promoted international cultural and educational exchanges. Attended by ministers of education and observers from around the world, and chaired by a past president of RI, the conference was an impetus to the establishment of UNESCO in 1946.

An endowment fund, set up by Rotarians in 1917 "for doing good in the world," became a not-for-profit corporation known as The Rotary Foundation in 1928. Upon the death of Paul Harris in 1947, an outpouring of Rotarian donations made in his honor, totaling US\$2 million, launched the Foundation's first program — graduate fellowships, now called Ambassadorial Scholarships. Today, contributions to The Rotary Foundation total more than US\$80 million annually and support a wide range of humanitarian grants and educational programs that enable Rotarians to bring hope and promote international understanding throughout the world.

In 1985, Rotary made a historic commitment to immunize all of the world's children against polio. Working in partnership with nongovernmental organizations and national governments through its PolioPlus program, Rotary is the largest private-sector contributor to the global polio eradication campaign. Rotarians have mobilized hundreds of thousands of PolioPlus volunteers and have immunized more than one billion children worldwide. Rotary has contributed more than US\$600 million to the polio eradication activities in 122 countries.

As it approached the dawn of the 21st century, Rotary worked to meet the changing needs of society, expanding its service effort to address such pressing issues as environmental degradation, illiteracy, world hunger, and children at risk. The organization admitted women for the first time (worldwide) in 1989 and claims more than 145,000 women in its ranks today. Following the collapse of the Berlin Wall and the dissolution of the Soviet Union, Rotary clubs were formed or re-established throughout Central and Eastern Europe. Today, 1.2 million Rotarians belong to some 32,000 Rotary clubs in more than 200 countries and geographical areas.

HISTORY OF RC TACLOBAN

The Rotary Club of Tacloban was organized in 1946, sponsored by the Rotary Club of Cebu and eventually admitted to Rotary International on August 20, 1947. The charter was presented by then DG Mariano Lichauco on October 19, 1947 in Tacloban on the eve of the celebration commemorating the landing of the allied forces in Leyte. Philippine Rotary then was composed of one district only. The charter members were composed of several businessmen and professionals, practicing their vocations in Law, Medicine and Engineering. The club was chartered with 26 members. Rotary Club of Tacloban is the fourth oldest club in the district after RC Cebu, RC Dumaguete and RC Davao.

Rotary Club of Tacloban has sponsored six Rotary Clubs in Leyte-Samar Provinces namely RC Catbalogan, RC Catarman, RC San Juanico, RC Kandaya, RC Borongan and RC Maasin.

At present, membership is composed of 90% from the private business sectors and 10% from the government sector. The club is proud to have two district governors in the persons of, PDG Tito Redoña and PDG Vicente Solis.

To the current leadership and consistency of the Rotary Club of Tacloban, the unifying force of professionals and businessmen. The building of bridges between the privileged and less sectors of social life, the delivery of social services and professional messages will always be every rotary's and every ones inspiration and aspiration.

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;

Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Refrain:

With the Four Way Test
We'll pursue our quest
And if we, in a way help obtain
Peace in the world
Then we won't have lived in vain.

Peace be achieved,
So we won't have lived in vain.
