# ROTARY INTERNATIONAL PRESIDENT'S MESSAGE

## *RI Pres. Shekhar Mehta*

A quarter of the Rotary year is now behind us. I am sure you are helping Rotary to grow more and do more. And I hope you have already done your part for the Each One, Bring One initiative by introducing one person to Rotary.

Do you ever think about your earliest days as a Rotarian? I often do — because those first moments of discovering the power of service shaped who I am today. When I joined my Rotary club, our efforts focused on India's rural communities, where people were living without toilets, getting their drinking water from the same pond they bathed in, and sending their children to outdoor classrooms set up under a tree. The nearest health care provider often was miles away — and the services were inadequate. But after Rotary clubs carried out some service projects, the villages had toilets, clean drinking water, a classroom for early learning, and a nearby health care center.

The spark that Rotary kindled within me forced me to look beyond myself and embrace humanity. It made service a way of life and led me to a guiding principle I still stand by: Service is the rent I pay for the space I occupy on Earth.

If you feel the need to reignite the spark of service in yourself or your club, October — Community Economic Development Month — is a great time to do so. When we work to improve the lives of people in underserved communities — through, for example, projects that provide vocational training and access to financial resources — we help build and sustain local economic growth.

The need is great. According to the United Nations, 9 percent of the world's population — that's 700 million people, a majority of them in sub-Saharan Africa — live on less than \$1.90 a day. By supporting strong community development as well as entrepreneurs, we can help improve conditions for people in that region and others.

Your club can also promote economic development in your own community by expanding vocational training opportunities through local schools and community colleges, partnering with lenders to improve access to financial services, or working with a nonprofit that provides resources to entrepreneurs and connects them with the business community.

Of course, developing strong communities is impossible without strong public health. On 24 October, World Polio Day, we'll celebrate our tremendous progress in the effort to eradicate polio. But we also know the fight is not over. We still need your help raising funds and awareness to ensure that all children are immunized against polio. Please don't forget to activate your clubs on that important day and encourage them to donate here: [endpolio.org/world-polio-day](http://endpolio.org/world-polio-day).

Service has been rewarding for me throughout my life. I know the same is true for many of you. Join me this month in becoming a good tenant of our planet by helping others to better themselves and their communities. Together, we can Serve to Change Lives.

# PRESIDENT'S MESSAGE

## Pres. Robert Andrade

Good day Fellow Rotarians,

Welcome to our 7th Regular Meeting!

Last October 2, we joined the launch of Area 3B Breast Cancer Awareness Booth, I would like to extend my sincere gratitude to all of you who attended. Your active participation and involvement to the club despite of our busy schedules is truly commendable.

October is Economic and Community Development Month, one of our activities to be implemented is a Cooking Contest in partnership with Fiesta Gas, to be held at Guadalupe and Greendale Village Brgy. Suhi, Tacloban City on October 30, 2021, project details to follow.

Please be reminded also of our District Activities which you can attend via Zoom Meeting,

and the I Run to End Polio Activity on October 24, 2021, full details to be posted. Please take note of our upcoming projects and activities.

I take this opportunity to remind each and every member of the club to attend our meetings and project turn overs. Together, let us all work hand in hand in achieving great things as we Serve to Change Lives.

Yours in Rotary Service,

Pres. Bobby

# SECRETARY'S MESSAGE

## *Sec. Mark Esperancilla*

Poliomyelitis or commonly known as Polio is an infectious disease caused by the Polio virus. It affects the central nervous system causing muscle weakness resulting in some form of paralysis. Although most of the infected fully recover from the initial infection, post-polio syndrome may occur. At this point the disease causes slow development of muscle weakness which may result to a person's inability to move and deformation. The virus is often transmitted from person to person through fecal matter entering the mouth and can spread by ingesting food and water containing human feces.

Rotary International has been in the forefront of eradicating the disease since the first project to vaccinate children in the Philippines in 1979. Since the start of the project until 2017 around 430 million children were vaccinated in over 39 countries. With just \$3, the average cost to fully vaccinate a child, we can eradicate this paralyzing disease from the face of the earth. All your contributions have brought us to the brink of a polio-free world.

On October 24, together with the rest of the world, we will be celebrating the World Polio Day. I hope to see you wearing our End Polio shirts and sharing Rotary's initiative to family and friends alike.

The month of September has come and gone and I would like to express my appreciation to everyone who supported our projects namely the Turn-over of Personal Protective Equipment to Eastern Visayas Regional Medical Center and Northwestern Leyte District Hospital, the turn-over of financial support to the Philippine Red Cross Blood Samaritan Project, the donation of School Supplies to different schools around Leyte and Area Tree Planting Activity. In my years in Rotary I've never seen so many active members participating and sharing their time and effort in keeping the club active and relevant in the community. In the coming weeks we have several projects lined-up so keep checking our Viber Group for announcements.

Yours in Rotary Service,

Mark
