PRESIDENT'S MESSAGE

Pres. Robert Andrade

Good day fellow Rotarians.

Last November 13, 2021 we witnessed the TRF Awards in recognition of all donors in our district. I would like to thank you and congratulate you all for your generosity and for answering the call to support and donate to the Rotary Foundation.

I would also like to thank all who attended our last meeting, I express my gratitude for sharing your precious time and presence despite of your busy schedules.

To encourage more members to attend our regular meetings, let us utilize our buddy-buddy group to call and remind each other to share their time and presence to enjoy Rotary Fellowship. I extend this request to share your suggestions and ideas on how we can modify and improve our club meetings to make it more enjoyable for everyone.

Our next upcoming project is the Bike to End Polio, which will be held on November 28, 2021. I am requesting everyone to please support and attend this big activity. I am counting on

your attendance to make the event a memorable and enjoyable one. Thank you.

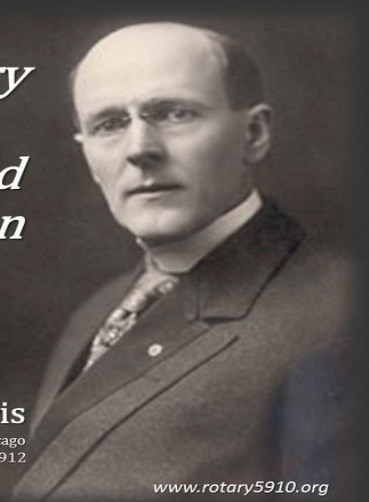

Just a friendly reminder on our Christmas Party on December 18, 2021. For further details.

“Rotarians are very much more favorably disposed toward action than they are toward words.”

But just what is Rotary? **AND WHY DOES ROTARY CARE?**

We work hard to give back.

We want to create a better future and make a difference. We know we can't do it alone, so we get our support and strength from other Rotarians both in our community and across the world.

SECRETARY'S MESSAGE

Sec. Mark Esperancilla

Good day Fellow Rotarians,

On June 3, 2021 the Department of Health officially ended its polio outbreak response and The World Health Organization commended the government agencies and its partners for the intensified immunization and monitoring in the affected areas. The decision came about after sixteen months of surveillance and zero cases have been detected in a child and in the environment. This outbreak started on September 2019 after a confirmed case was detected in Lanao Del Sur. A total of seventeen cases were recorded with zero fatalities. This is a prime example of how the government, organizations such as our club and the society can work hand in hand to pursue a common goal and be successful.

Even with this win against polio we cannot take our foot off the pedal. We should continue our efforts to create awareness and keep the public informed and motivated to vaccinate every child. This is where our activity this coming Sunday comes along, this is to ensure that our gains from our previous efforts will be intact. Ending polio is one of the top priorities of Rotary and our Bike to End Polio activity will keep the disease from emerging back into our country. As a show of solidarity let us support and be in attendance this Sunday, November 28, 2021 wearing our End Polio shirts.

Reminding everyone to join the Rotary Presidential Conference (RPC21) on November 26, 27 and 28 1PM to 7PM.

When Rotarians Dare to Reach the Unreached

Posted on November 16, 2021 by rotary service

By Mohan Kumar K V, member of the Rotary Club of Bangalore Prime, India

It was 23 March 2020. I returned from a discussion in Chandigarh, India on conducting a limb camp, a one-day event to provide free prosthetic limbs to people in need. Our first national lockdown for 21 days was declared the following day. Our journey of uncertainty in the pandemic started with this, and all the limb camps were put on hold due to government advisories.

Initiated in September 2019, a camp to distribute LN-4 prosthetic hands, a type of low-cost, light, durable, and functional prosthetic, had to be postponed several times due to the pandemic. On 25 July 2021, we were able to hold the camp in Kadiri, a municipality city in Anantapuram District, State of Andhra Pradesh. We met the local officials and agreed to comply with all COVID-19 protocols and received written permission to hold the camp from the government.

Rotarian volunteers travelled from the states of Karnataka, Andhra Pradesh, and Gujarat. The local Rotary club took precautions, including holding the camp in an open space to promote cross ventilation. All the beneficiaries underwent a COVID-19 Risk Assessment and a Rapid Antigen Test and reported their vaccination status prior to them reaching the camp venue. All beneficiaries tested negative and were able to receive prosthetic hands, although precautionary plans were in place in case anyone tested positive. With over 128 happy recipients, we were quite ecstatic having overcome a very daunting challenge.

During these camps, beneficiaries are fitted for a prosthetic and then receive training to use and maintain it. Following the event, they receive on-going support by phone and at more than 25 permanent centers located across India run by Rotarians or at hospitals.

Prior to the pandemic, for two continuous years, we conducted an average of 48 limb camps each Rotary year with an average of 4,500-5,000 beneficiaries per year across India. These camps play an important role in making essential health resources accessible. After receiving and learning how to use their prosthetic, beneficiaries are able to return to their vocation and provide for their family and themselves.

Increase our ability to adapt is one of our strategic priorities, and we are helping other parts of the world implement these types of projects. We successfully worked with the Rotary Club of Flacq on an LN-4, prosthetic arm distribution project in Mauritius, and we are supporting an LN-4 limb camp in Nigeria with the Rotary Club of Abuja.

Amid the pandemic, on 7 April 2021, I was elated to receive a communication from 2020-21 RI President Holger Knaack that I was one among the six Rotarians in the Rotary world to have been chosen as Champions of Health.

Let's continue to do good in the world as we build communities and bridge continents!
