PRESIDENT'S MESSAGE

Pres. Robert Andrade

Dear Life Changers!

Yesterday February 23, 2022 was the 117th Anniversary of Rotary. The district led by DG Anna, initiated a fund-raising activity wherein Rotarians contributed \$10- each to the polio fund. May I extend this initiative to all the members of our club then we can integrate our donation into one transaction. Breakdown of donors will be submitted for proper crediting.

February RI exchange rate is P51.00. This rate may change next month.

As presented during our last board meeting, based on the district goals accomplishment, it was identified that we need to conduct project on Peace and Conflict Prevention/ Resolution, Autism awareness and empowering girls.

As of writing, I have initiated a tie up project with Tacloban City Police Office thru the Police Community Relations officer to install in strategic areas around the city Police Hotline numbers. Letter of intent with tarpaulin design have been submitted and I am just waiting for feedback and approval.

On the Autism Awareness project, we will schedule a visit to J.E.S.U.S Kids Therapy Center Foundation, Inc. to give some wood puzzles, toys, food items and hygiene kits. The inter action with the teachers and management if this autism center will give us an insight and allow us to conduct a needs assessment based on

its current situation and priorities while taking into consideration the limitations of our club.

For Empowering Girls, a livelihood project is in the planning stage. The intended recipients are residents of the northern barrios of Tacloban. We will partner with CLEP to implement this soon. Will share details once available.

Our club will be visited by our District Governor Anna Bumagat on March 24, 2022 at 7pm. The date coincides with our 2nd regular meeting for the month of March. I am requesting for your support with your presence for DG's visit. Venue and details to follow.

On the aspect of club dues current and past dues, I am requesting for updates on payments from everyone to ensure smooth operations and project implementations.

Thank you!

Yours in Rotary,

Robert "Bobby" Andrade

SECRETARY'S MESSAGE

Sec. Mark Esperancilla

To my fellow Rotarians,
Happy love month!

As commonly known to many the month of February is known as the love month. A full calendar month to show our care and appreciation to our loved ones and others. But how do we measure our love for others? Is it by providing their needs? Is it by giving fancy gifts and flowers? Is it by saying "I love you" the moment we wake-up every morning? Or is it by giving food and alms to the disadvantaged? No matter how we demonstrate our affection to others the most important thing is that the love that we share is pure, in spite of their flaws and failings and we do not expect anything in return.

Some quotes I would like to share from the book entitled *"The 5 Love Languages"* by Gary Chapman

"Love is something you do for someone else, not something you do for yourself."

"Life is filled with opportunities to express love by acts of service."

Though the book refers to a romantic kind of love with your life partner, I can see a commonality with the reason on why we joined Rotary, we feel joy in giving acts of service.

The Rotary theme for this month is peace and conflict prevention/resolution. Lasting peace is one the foundations of Rotary, let us take action focus on the causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education and unequal distribution of resources. I guess it is no coincidence that the Rotary theme falls on the love month, seeing that we can only begin to achieve peace if we have love for others.

Yours in Rotary Service,

Mark

ROTARY PROJECTS AROUND THE GLOBE (February 2022 Highlights; by Rtn. Brad Webber)

UNITED STATES

While jogging on Memorial Day weekend in 2020, Patrick Shairs discovered a holiday-appropriate spot for a break: the old City Cemetery in his hometown of Franklin, Tennessee. Shairs, a member of the Rotary Club of Downtown Franklin, was dismayed by the multitude of badly stained and unreadable headstones. That fall, the club started a project to restore several historic cemeteries in the area. About a year later, 127 volunteers, including members from other area Rotary clubs and students from local schools, had cleaned 560 headstones and footstones and 140 plot pillars, using brushes and spray bottles filled with a biological solution recommended by a preservation organization. They identified 81 people buried in one cemetery who were not listed in the town's official burial register, something that would have gone undiscovered if not for their efforts.

CANADA

Island Park in Portage La Prairie, Manitoba, has been a meeting place for more than 100 years. In 2019, the Rotary Club of Portage La Prairie outlined a strategy for a phased, \$150,000 effort to revitalize an area within the popular lakefront park, where the club also sponsored a disc golf course. "The club felt that we could rejuvenate the duck pond to its old glory as well as add new features," says club member Preston Meier. Since 2020, the club has redesigned and rebuilt a waterfall, added fencing and lighting, and constructed a deck with a pergola for special events. "We wanted a project that we could get our hands dirty in and have our fingerprints on — a little blood, sweat, and tears in addition to the fundraising," Meier says.

Trivia: 25% of the planet's wetlands are in Canada

ENGLAND

After a pandemic-induced hiatus, an annual dragon boat race sponsored by the Rotary Club of Skipton lured more than 150 enthusiastic paddlers in September. Thirteen teams — with sobriquets such as the Komodo Dragons, Craven Ravens, and Rainbow Rockets — collected pledges and raised about \$17,000 for the competitors' chosen charities. Club member Andrew Gold noted that the competitions in 2018 and 2019 had raised a combined \$30,000. The event was conceived by 2017-18 Club President Mark Ludlam as a tribute to his late father, Brian, a past club president who had arranged a dragon boat race. About half of the club's 40 members helped steward the 200-meter race.

Trivia: There are 300,000 dragon boat racers in Europe

INDIA

More than 250 youths from schools and Interact clubs across several Indian states put paint and crayons to paper in a poster competition sponsored by the all-female Rotary Club of Ahmednagar Priyadarshini. The Freedom from Polio art contest stressed the "importance of taking polio drops to help our world get freedom from polio forever," says Bindu Shirsath, a club member who was among the five judges. The club recruited district PolioPlus committee chairs and tapped Facebook and WhatsApp groups to publicize the inaugural project. "Since it was an online competition, the club did not incur costs except for making the e-certificate for winners and publicizing the results in local newspapers," Shirsath adds, resulting in an affordable way to conjure creativity with a message.

Trivia: 110 million Indian children immunized over three days in January 2021

PHILIPPINES

Mangroves form an integral part of the coastal ecosystem of the Philippines. They serve as a source of medicines, alcohol, and timber; a haven for coral reef fish; and a buffer against typhoons. In a twopronged effort to shore up the maritime trees and buttress a fishing village's ecotourism drive, in November the Rotary Club of Bacolod-Marapara teamed with the Rotary Club of Victorias, the Rotaract Club of Marapara, the Pasil Fisherfolks Association, and other local organizations. They planted some 1,000 mangrove seedlings and provided the fishers with bamboo to construct two cottages in the native style for rental to tourists. "Around the world, mangroves are threatened, but they are important," says Rolando Corona, president of the Bacolod-Marapara club. "Their protection and restoration should be a high priority."

Trivia: 80% of Philippine provinces feature mangroves

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

Whatever Rotary may mean to us, to the world it will be known by the results it achieves.

Paul Harris - Rotary founder

Our ongoing commitment

That commitment endures today through an organization that remains truly international. Only 16 years after being founded, Rotary had clubs on six continents. Our members now span the globe, working to solve some of our world's most challenging problems.

We're not afraid to dream big and set bold goals. We began our fight against polio in 1979 with a project to immunize 6 million children in the Philippines. Today, polio remains endemic in only two countries — down from 125 in 1988.

Still making history

With every project, we're changing the world for the better.
