# SECRETARY'S MESSAGE

## *Sec. Mark Esperancilla*

My fellow Rotarians,

Over the past weeks the world has been shocked by President Valdimir Putin's invasion of Ukraine. On February 24, 2022 President Putin announced via a pre-recorded video message that Russia's army will be conducting a special military operation on the country of Ukraine. A few moments after the announcement the might of the world's fifth largest military was unleashed over its neighboring country. Missiles rained down on several Ukrainian cities and Russian tanks entered the border of the two counties. Military bases of Ukraine were also bombarded with air attacks from Russia's fighter jets. Thousands fled to underground bunkers and train stations to escape the attack. This unjustified assault has prompted the world leaders to act in support of Ukraine thru harsh and unprecedented economic sanctions which has disrupted the world economy.

Though this war quite far from our homeland, already we are feeling the effects of this conflict. As a result of the fighting, oil prices have noticeably increased and is likely to worsen in the coming weeks. Due to the uncertainty of the situation, we are in for a long and arduous months ahead.

In response to the worsening humanitarian crisis in Ukraine, the Rotary Foundation has designated the Disaster Response Fund as the official avenue for Rotarians and everyone who wish to support the cause. Here is the link to make your donations:

<https://my.rotary.org/en/disaster-response-fund>

With over 5 million expected to be displaced, The Rotary Foundation has also contacted its partners specifically; the United Nations High Commission on Refugees and Shelterbox to help provide temporary transitional housing and immediate supplies.

As we tread thru these uncertain times, let us focus on what we can do to help and prioritize peace above all.

Yours in Rotary Service

Mark

### Ideas for Supporting Clean Water and Sanitation

(By Rtn. Christina Sweeney, Rotary Service & Engagement staff)

Today, 2 billion people lack access to safely managed drinking water services and 3.6 billion people lack safely managed sanitation services.\* Without these basic necessities, people are exposed to a higher risk of disease, impacting their ability to earn a living and attend school. This issue also disproportionately impacts women and girls who, in many communities, are responsible for fetching water from sources far from their homes.\*

March is Rotary Water, Sanitation, and Hygiene (WASH) month. Through WASH programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

Learn how Rotary members and participants are supporting WASH around the globe:

- 🌐 In Sierra Leone, the Retract Club of Freetown Sunset collaborated with a local engineering company to construct a well with hand pumps for a local orphanage to make clean water more accessible.
- 🌐 In Nigeria, Rotary clubs in Enugu State worked together to host a seminar about the importance safe drinking water and ways that residents could increase access to clean water, such as through boreholes, water sanitation campaigns, wells, and water treatments.
- 🌐 In India, the Rotary Community Corps of Chennai Metro zone sponsored the construction of two handwashing stations for a secondary school.
- 🌐 In the Philippines, the Rotary Club of Downtown Dagupan provided water collection tanks to a nearby community to help residents collect and store rainwater.
- 🌐 Rotary clubs in Taiwan supported the construction of a drinking water filtration station at a high school in Northern Thailand.

# THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

## FIRST:

The Development of acquaintance as an opportunity for service.

## SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

## THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life.

## FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE ROTARY 4-WAY TEST

*of the things we think, say or do*

1

Is it the truth?

2

Is it fair to all concerned?

3

Will it build goodwill and better friendships?

4

Will it be beneficial to all concerned?
