PRESIDENT'S MESSAGE

Pres. Robert Andrade

Dear Life Changers,

For almost two years, District 3860 held its DISTAS and DISCON thru the virtual platform. DISTASS 2022 in General Santos City was the first face to face activity attended by over 400 rotarians all excited to learn and augment their knowledge and update themselves on the changes that have evolved. The fun and fellowship was evident and enjoyed by all attendees. Of course GENSAN would not be GENSAN without the warmest hospitality, sumptuous food and the fresh tuna sashimi. Our club was represented by PE Jocal, Dir. Rhoel, incoming Dir. Hector and myself. After the one and a half day of training, we had the opportunity to visit S&G Farm for some recreation with the members of RC Kandaya.

On Monday April 25, 2022, our club in partnership with LGU Tacloban thru the CLEP office launched the cosmetology training in the northern barangay with 25 girls as participants of this 15 days training program as our Empowering Girls project and area of focus on Community and Economic Development.

The most awaited activity for this rotary year is approaching. DISCON 2022 will be in Ormoc City on May 27 & 28, 2022. Let us continue to support our very own DG Anna by attending the said activity. Please refer to the succeeding pages for more information.

Yours in Rotary Service,

Bobby

SECRETARY'S MESSAGE

Sec. Mark Esperancilla

Good day Life-Changers!

On April 14th 2022 about 520 representatives from different districts around the world met for the first time since the pandemic in Chicago, Illinois, USA to do a hybrid four-day Council on Legislation conference. They reviewed 90 enactments that would promote diversity and a well-balanced Rotary membership.

Some of the highlights of the hybrid conference are:

- **Membership Equity and Inclusion.** Proposed by the Rotary Club of Annanagar Aadithya, India, (District 3232) the enactment passed by a vote of 420 to 56. Amended Rotary bylaws now state that “each club or Rotaract club shall endeavor to build a well-balanced membership that celebrates diversity, equity, and inclusion.” Rotary prohibits clubs from denying an individual membership due to gender, race, color, creed, national origin, or sexual orientation.
- **Dues Increase.** Representatives approved a dues increase for each of the next three years. Dues that clubs pay to RI per member are set at \$35.50 per half year in 2022-23. Dues will increase to \$37.50 per half year in 2023-24, \$39.25 per half year in 2024-25, and US\$41.00 per half year in 2025-26.
- **Rotary Magazine Network.** Representatives rejected a proposal that would have required members to receive a digital copy of any of the magazines unless they request a printed copy. A 2020 Rotary survey shows that 84 percent said the magazine strengthens their connection with Rotary, allowing them to better understand the organization. Making the subscription optional will decrease the level of consistent Rotary knowledge and engagement among its members, said Sylvia Whitlock, a trailblazer who was the first female club president in the history of Rotary.
- **Standing ovation for Ukraine.** During a legislative session on April 12, RI President Shekhar Mehta recognized Hennaddii Kroychyk, a delegate from the Ukrainian city of Lviv, who left his war-torn country and took a circuitous journey to Chicago for the Council. “Hennaddii made the trip here even with the tragedy that is unfolding in Ukraine,” said Mehta. “We want you to know that we stand with you and your country.” Kroychyk received a standing ovation from attendees in the room for what Mehta called “fulfilling his duties under extreme circumstances and demonstrating such commitment to Rotary.”

Yours in Rotary Service,

Mark

Our Progress in the Fight Against Polio Shows Why Vaccination is Important

Increasing awareness about the power of vaccines and closing immunization gaps could protect millions of people worldwide from vaccine-preventable diseases, including polio, according to the World Health Organization. World Immunization Week, 24-30 April, is an opportunity to focus on that work, and the robust polio eradication infrastructure built by Rotary and our partners in the Global Polio Eradication Initiative (GPEI) provides a model for it.

The GPEI estimates that polio vaccines have saved an estimated 20 million children around the world from paralysis. When Rotary helped launch the GPEI in 1988, the disease paralyzed more than 1,000 people worldwide every day, most of them young children. Since then, Rotary and its partners have reduced the number of polio cases by 99%, and in 2021 there were just six cases of polio caused by the wild poliovirus. Afghanistan and Pakistan are the only two countries where the wild poliovirus remains endemic.

The progress against polio is the result of the efforts of countless volunteers and health workers who immunize children in hard-to-reach communities and establish real-time global surveillance and outbreak response mechanisms. The polio eradication infrastructure has been used to fight other infectious diseases and undertake crucial health interventions, including supporting COVID-19 prevention and vaccination efforts.

With our decades of experience in bringing polio to the brink of eradication, Rotary has been able to highlight the power and efficacy of COVID-19 vaccines. Since the pandemic began in 2020, Rotary members have helped health authorities communicate lifesaving information about COVID-19, dispel misinformation, and support fair and equal access to vaccines.
