PRESIDENT'S MESSAGE

Good day Fellow Rotarians,

Welcome to our 1st General Membership Meeting for the IMAGINATIVE Rotary Year 2022-2023. Allow me to share with you my inaugural message I conveyed during our 75th Hand Over & Induction Ceremonies last July 2, 2022 at Hotel Alejandro.

“ -PROTOCOLS OBSERVED

A Pleasant day to all of us.

Today, I stand before you with the IMAGINATION that a heavy load of responsibilities and challenges are all over my shoulders being carried as ROTARY CLUB of Tacloban celebrates our DIAMOND Year this 2022! Half of the year were already carried out graciously by IPP Bobby and his BOD's & COS. The other half of it will be under my watch. But today, I also stand before you, again with the IMAGINATION that this capacity of responsibilities and challenges are LIGHT because I know my ROTARY CLUB of Tacloban general membership are at my back to fully support my lead. 75 strong years, 75 years of extending aid to communities where help is needed. 75 years of doing good for others. 75 years of strong fellowship. 75 years of SERVICE ABOVE SELF. This is who we are and what we are in Rotary Club of Tacloban.

IMAGINE Rotary. This is our global theme for this Rotary Year 2022-2023. This is the theme that Rotary International's 1st Woman President JENNIFER JONES have chosen. But we ask ourselves, why? Why IMAGINE? And I quote her answers to this query.

“When an organization like ours dreams big — things like ending polio and creating peace — it becomes our responsibility to make these dreams a reality.

Imagine a world that deserves our best, where we get up each day knowing that we can make a difference.

You don't imagine yesterday, you imagine tomorrow.

Imagine a world without polio.

Imagine a world with clean water for everyone.

Imagine a world free of disease. A world where every child learns to read.

Imagine kindness and hope and love and peace.

That is why this year I am asking you to Imagine Rotary.”

The theme “**IMAGINE ROTARY**” will remind us that when we DO GOOD for OTHERS coupled in fulfilling our motto “SERVICE ABOVE SELF”, Imagining things to happen becomes a reality in no time. As ROTARIANS we should act together in doing GOOD for others because when we do it “*TOGETHER, WE CREATE POSITIVE CHANGE*”. Surely, it will generate impact on the lives of others.

Even our beloved & newly installed President Bong-bong Marcos has used the word IMAGINE in his inaugural speech 4 times. Let me read the caption:

Imagine how much more you'd achieve, if the government backstops instead of dictating your decisions. Always there to pick you up when you fall. Giving what you need to get past a problem.

Imagine if it invested in your self-empowerment to bring it closer to taking on whatever challenges come. **Imagine**, a country that in almost every sense is you. Now **imagine** what you and the government can achieve together. We did it in the pandemic and we will do it again.”

When want REALITY, we IMAGINE things to HAPPEN and there are a handful of great POSSIBILITIES.

Now, let me brief you on our logo:

Meaning of the design elements

There is, of course, a deeper meaning behind each element of the design. The circle in aboriginal culture for instance, signifies our connections to one another. The dots around it represent people and there are seven because of Rotary's areas of focus.

The circle and the dots together become a navigation star – our guiding light. The solid line underneath is what is referred to as a digging stick and it is used when doing hard work. And since Rotary members are people of action – it represents a tool for getting things done.

The colors

The colors green, purple, and white are not necessarily connected to aboriginal culture. RI President Jennifer Jones asked the new crew of Governors to use one, two, or all three when dressing for official events instead of using a theme jacket. "As we celebrate diversity, equity and inclusion, I wanted all of us to be able to express ourselves differently in what we wear, but still have connection," she explained.

There are several ways to interpret the colors: Purple for example stands for polio eradication, green for the environment, the newest addition to our areas of focus, and white for peace, our core mission. Together, they are the colors of the women's movement, the Suffragette – a subtle nod to this history as Jones pointed out, since she will be the first female RI president.

ON BECOMING A ROTARIAN

5 years ago, I was invited by Past Pres. Eugene to attend one of the regular meeting of this club. It was a lunch gathering that time. I was still connected with Wyeth Nutritionals being the Regional head for the whole of Visayas region. Good thing, I happened to have a fieldwork here in Tacloban, so I politely said yes to PP Eugene. At first, I asked myself "AM I WORTHY to BECOME A ROTARIAN?". The 4 WAY TEST Of the things we think, say or do, struck me when the Rotarians in attendance recited it.

1st: Is it the TRUTH?

2nd: Is it FAIR to all concerned?

3rd: Will it build GOODWILL and BETTER FRIENDSHIPS?

4th: Will it be BENEFICIAL to all CONCERNED?

In order to know more about the Rotary Club of Tacloban, I always make sure that whenever I do fieldwork here in my homebased, I see to it that I can attend the meetings or participate in the community projects. The rest is history. 5 years after, I am now standing here in front of you as your servant leader to steer the wheel of the club. All I ask of you, my fellow Rotarians is to properly direct me whenever you feel that the direction I am driving is not towards the liking of the club. To my BOARD of OFFICERS, let us work together harmoniously to always arrive on a decision based on the 4 WAY TESTS. I urge you that we have collaborations starting today as we prepare our club for the DIAMOND celebration. To the general membership, help us get through that our Diamond year celebration will be full of memories that everyone will be proud to say "I AM A ROTARIAN, and I BELONG to the mother club of REGION 8, ROTARY CLUB of TACLOBAN." At this point, with the kind response, I would like to ask a YES from DGND Cay for your support as our adviser for our DIAMOND Anniversary celebration.

ON SIMPLE HAND OVER

I was asked, why is your hand over very simple?

For me, the main highlight of tonight's event should be the Recognition Night. In due respect with my IPP Bob, he had surpassed the challenges the club have entrusted to him a year ago. Truly, Pres. Bob's Team with the kind assistance and ever supportive COS Ma'am Caycay, in one way or the other, you have served to change the lives of others. Your term IPP Bob is one for the club's book, despite the pandemic the club was up and running. Tonight should be your highlight because my term is yet to begin and I have to prove to the club the service I can offer. I have to break the tradition that Hand Over and Induction is not for the incoming leadership to celebrate but a challenge to face on the year that has yet to come.

Let us all IMAGINE the many possibilities that we as Rotarians can do more for others. IMAGINATION is the beginning of CREATION and goes with it is our KNOWLEDGE...

We have been entrusted with leadership in our great organization. Now it is up to us be brave and intentional in our actions. "To be trailblazers"

In closing, let me share the following quotes:

"Imagination is everything. It is the preview of life's coming attractions."

"Imagination does not become great until human beings, given the courage and the strength, use it to create."

Mabuhay ang District 3860, Mabuhi an Rotary Club of Tacloban....

Secretary's Message

"Celebrate endings – for they precede new beginnings."
– Jonathan Lockwood Huie.

Greetings my fellow Rotarians!

Welcome to the 1st General Membership Meeting on our Diamond Jubilee year! Another year full of new opportunities and wonderful possibilities of service to humanity is dawning upon us. The past 75 years have definitely made our club stronger and invincible in a way that reflects our vision and mission by promoting fellowship through service in pursuit of the common good.

While RC Tacloban continues the journey to its 75th year, I would first like to congratulate IPP Bobby for passionately and successfully leading us for the past Rotary year. Likewise, I would like to commend everyone who contributed one way or another that made all the club activities worthwhile and a success. We have just proven that we can move mountains if we collectively act together as one in every endeavor, a testament of our dedication and resilience amidst our busy schedules and threats of the pandemic. It was indeed a challenging and life-changing year! Like everyone else, I am equally ecstatic in creating another remarkable milestones and innovations. Once again, let us join hands and work together through the able leadership of President Jocal. For alone we can do **SOME THINGS** but together we can do **GREAT THINGS!**

As we tread in the new year for our organization, let us think of great things of how we can be of service to others. It is high time for us to use the power of our **IMAGINATION...** As Einstein famously said, "IMAGINATION is more important than **KNOWLEDGE**. For knowledge is limited, whereas imagination embraces the entire world, stimulating progress, giving birth to evolution". So this year, let us think out of the box and advocate for projects and programs that can influence positive change in people's lives.

Thank you for your continued support! Indeed, **TEAMWORK** makes the **DREAMWORK!**

Yours in Rotary Service,

Millan Almar D. Estorninos
Secretary

2022-23 President Jennifer Jones is eager to advance Rotary's narrative

Jennifer Jones, Rotary International's first female president, is the perfect leader to spread the word about the good Rotary does in the world, and inspire its members to keep going.

At a training seminar for Rotary club presidents-elect at a Dallas-area hotel in February, sergeants-at-arms wearing yellow vests and Stetsons lead participants, grouped by Rotary district, into a small room for a photo op with 2022-23 Rotary International President Jennifer Jones. As the groups enter, the club leaders mob Jones — the room a flurry of handshakes, fist bumps, hugs, and the occasional squeal. For each photo, the Stetson-clad Rotarians (nicknamed “Rangers”) give instructions on who should stand where, then Jones, who is seated front-row center, stands up, turns around, and warms up the crowd. “Is this the best district?” she asks one. She challenges a district to dance, busting a groove on the tan and gray patterned hotel carpet. Another, she teases, is the best looking. And then there's the “party” district, whose members give a raucous cheer.

The groups file out. More than a few people linger to get selfies with Jones and her husband, Nick Krayacich. One young woman, dressed in cobalt blue, shouts, “Congratulations and thank you for being a leader for women in Rotary!” More cheers. She and Jones bump fists as she departs. “She's just amazing. She's a rock star,” says Rhonda Walls Kerby, past governor of District 5890, who has been observing the scene.

When the photo session is finished, Jones signs several Star Wars collectors' helmets that will be auctioned at an upcoming district conference in Houston. She pulls on a Stormtrooper helmet. The phones of the Rotarians still in the room shoot up in unison to capture the moment. “She makes everyone feel special. That's why everyone feels like they are best friends with Jen,” says Eric Liu. Liu met Jones at the International Assembly in 2016, when he was an incoming district governor and she was the incoming RI vice president, and they hit it off.

Liu's sentiment is among the common refrains heard during a whirlwind weekend traveling with Jones. Over and over, people mention that she has an easy way with people, that for years everybody “knew” she would be the first female Rotary president, that she's a new kind of leader. And that she's the leader Rotary needs right now.

The laughter in the room grows to a warm buzz as Jones jokes around with her friends. But it's been a long day after an exhausting trip. Jones and Krayacich spent nine hours in the airport the previous day due to weather delays, then had to solve logistical issues with their travel to Dallas. They are in bed by 11, a brief respite before the pre-presidential duties start all over again the next day.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST Of the things we think, say, or do

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships.

1.

Is it the **TRUTH**?

2.

Is it **FAIR** to all concerned?

3.

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

4.

Will it be **BENEFICIAL** to all concerned?
