PRESIDENT'S MESSAGE

Good day Fellow Rotarians,

It has been 2 weeks that we haven't seen each other. Understandably, we are on the first month of the year, we are trying to adjust on what lies ahead of us.

Welcome to our 14th regular meeting...

During the past 2 weeks, I got the chance to attend Department of Environment and Natural Resources (DENR) Stakeholders Forum. This happened last January 18 & 19 in the beautiful City of Iloilo. Incidentally, PP Eugene, Rtns.' Ian & Carlo were also among the participants where we represented different society sectors.

The Department of Environment and Natural Resources is the primary government agency responsible for the conservation, management, development, and proper use of the Philippines' environment and natural resources. It is mandated to promote equitable access, assure sustainability, and enhance the contribution of the country's natural resources for present and future generations. However, natural, technological and human-induced hazards, including those due to climate change, present challenges to resilient and inclusive development. These impact the complex systems that constitute our shared environment and communities. These challenges require whole-of-society and transdisciplinary approaches towards evidence-informed policy and action for the protection, preservation, conservation enhancement and regeneration of our country's ecosystems.

The Resiliency Framework for Environment and Natural Resources as an outcome of the Multistakeholder Forum serves as the foundation for science-based, data-driven, and socially, politically and culturally-sensitive environment and natural resource policies as well as the corresponding projects, activities and programs that will be co-implemented by the government, non-government and private sector actors.

The forum was attended by different agencies and private sectors with around 300 participants. As a Rotarian, one of our Areas of Focus is Protecting the Environment. We play a great role in this advocacy campaign of DENR especially in this time we face challenges on climate change.

God bless us all and continue to guide our Rotary Club of Tacloban.

Yours in Rotary Service,

Jocal

Greetings Fellow Rotarians!

Last January 18, 2023 the Rotary Clubs in Tacloban under Area 3B-1 & 3B-2 of District 3860 in coordination with the City Government of Tacloban conducted a joint community outreach project at the Tacloban North City Hall Extension. The project was undertaken as part of our Disaster Relief Program to our dear brothers/sisters who's livelihood were greatly affected with the destructive flooding brought by the torrential rains during the first two weeks of the year. We were able to distribute about 120 food essential packages to selected families from the affected areas at the northern barangays. To our Club members thank you again for your usual support and generosity which contributed to the success of the activity.

In the next coming days we will again move in to another special month of the Rotary calendar. While being known as the love month to some, in Rotary February is known as the Peace and Conflict Prevention Month. Likewise, it is also the month where the first meeting of Rotary was conducted on February 23, 1905, now designated as the World Understanding and Peace Day. On the occasion clubs are given the opportunity to reflect, plan, and foster the fourth object of Rotary - "The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service". Certainly, everyone are enjoined to embrace our Rotary mission of "Peace through Service".

Yours in Rotary Service,

Millan

ROTARY INFORMATION

RI president-elect announces 2023-24 presidential theme

Rotary International President-elect R. Gordon R. McNally called for members to capture the world's attention and lead the way toward possibilities far beyond our current expectations.

McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, revealed the 2023-24 presidential theme, **Create Hope in the World**, during the Rotary International Assembly in Orlando, Florida, USA, on 9 January. He urged members to promote peace in troubled nations, help those affected by conflict, and maintain the momentum of initiatives begun by past leaders.

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell. "She went on to tell me that Rotary... had restored her optimism. We gave her hope," McNally said. "This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."

Promoting peace

A significant way to bring hope to the world is to put a greater emphasis on peace, McNally said. He cited the action Rotary members have taken in the past year to support the people of Ukraine after the invasion by Russia. Rotary has made humanitarian relief a priority, attracting more Ukrainian members in the process. But McNally noted that true relief won't come without peace — not just in Ukraine, but in Yemen, Afghanistan, Syria, and dozens of other places around the globe.

"Peace is the soil where hope takes root," McNally said.

McNally also emphasized the power of continuity, calling for Rotary members to continue the work of some past leaders. He pledged to maintain the Empowering Girls initiative launched by 2021-22 President Shekhar Mehta and uphold the emphasis on diversity, equity, and inclusion throughout Rotary. He also noted recent events that underscore the importance of Rotary's continuing focus on polio. In the past year, polio cases have emerged in many areas around the world, making it more crucial than ever for Rotary members to lead the fight against the disease.

To do that, McNally said, Rotary must continue to raise at least US\$50 million each year to receive the full 2-to-1 funding match from the Bill & Melinda Gates Foundation. Only about 1 in 12 members currently gives to the polio eradication campaign, with fewer than 1 in 5 clubs donating each year.

McNally asked the district governors-elect for support creating a new sense of urgency in their clubs to help realize Rotary's vision of a polio-free world. "This is the time for us to go beyond what's necessary year to year and make sure we provide every resource necessary to succeed as quickly as possible," he added.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST Of the things we think, say, or do

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
