PRESIDENT'S MESSAGE

Pres. Marco D. Nardo

My respect to all the members of the Rotary Club of Tacloban, to my fellow new set of officers, friends, to all Rotarians here and beyond, and to everyone.

As we embark on a new journey together, I would like to express my gratitude and enthusiasm for being part of such a community dedicated to making a positive impact in the world. Our first meeting with the new set of officers holds great significance as we gather to reinforce our commitment to the noble theme of Rotary: "Create Hope in the World."

Hope is a powerful force that fuels our collective efforts and propels us forward in the face of adversity. It is the beacon that guides us as we navigate the complexities of the world we live in. By embracing the theme of creating hope, we affirm our belief in the transformative power of compassion, empathy, and action.

In a world often marred by destructive conflicts, despair, and inequality, it is our duty as Rotarians to become agents of change. We have the privilege and responsibility to be the catalysts that help heal our communities and restore hope where it has been diminished. By reaching out to those who are suffering, marginalized, or in need, we have the opportunity to make a lasting difference.

Creating hope begins with understanding the diverse challenges faced by communities around the globe. It requires us to listen attentively, empathize deeply, and extend a helping hand to those who have lost faith in a brighter future. Through our collective efforts, we can provide solace, support, and sustainable solutions that enable individuals and communities to regain their strength and resilience.

At the heart of the Rotary Club's mission lies a profound commitment to the 7 areas of focus, in which I implore all Rotarians to stand united and supportive in our pursuit of the 7 areas of focus that define the Rotary Club's mission.

1. Promote Peace. By fostering understanding, resolving conflicts, and building peaceful communities, we contribute to a harmonious world free from violence.

2. Fight Disease. We endeavor to eradicate diseases that threaten lives and hinder development, ensuring everyone has access to quality healthcare and a brighter future.

3. Provide Clean Water, Sanitation, and Hygiene. Through sustainable initiatives, we aim to provide clean water sources, improve sanitation facilities, and promote hygiene practices, safeguarding communities against waterborne diseases.

4. Save Mothers and Children. Our dedication to maternal and child health ensures access to proper healthcare, nutrition, and education, empowering families and nurturing a healthier society.

5. Support Education: Education is a powerful tool for empowerment and social progress. By investing in quality education and literacy programs, we unlock opportunities for individuals and communities to thrive.

6. Grow Local Economies: We work towards sustainable economic development, empowering communities to generate income, create job opportunities, and improve their standard of living.

7. Protect the Environment. Our commitment to environmental conservation and sustainability aims to preserve the beauty of our planet, ensuring a greener and healthier world for future generations.

Each area of focus holds immense importance, and our collective efforts in these domains have the potential to transform lives, communities, and entire nations. By embracing these areas and supporting their realization, we can truly make a difference and create a brighter future for all.

As we come together in our first meeting, let us renew our dedication to the principles of Rotary. Let us stand united, as beacons of hope, and pledge to create a better world for all. Together, let us inspire hope, foster positive change, and leave a lasting legacy that transcends borders and generations.

Thank you for your commitment to Rotary's mission. I am honored to serve alongside each and every one of you as we embark on this incredible journey together.

Marco Nardo
President
Rotary Year 2023-2024

SECRETARY'S MESSAGE

Sec. Jude A. Duarte

Good evening to each and every one of us, most especially to Mr. Marco Nardo who has recently taken on the role as President of the Rotary Club of Tacloban. It is a great pleasure to be with you all today in our very first meeting.

I want to take a moment to reflect on our shared commitment as Rotarians and express my dedication as a member of the Rotary Club of Tacloban. In these challenging times, our collective responsibility to uphold the theme "Create hope in the World" resonates more profoundly than ever before.

As Rotarians, we have embraced a noble mission to make a positive difference in the lives of those around us. We are agents of hope, compassion, and change. We hold the power to inspire and uplift, to heal and transform. Our commitment to creating hope is a beacon that guides us through the darkest moments, reminding us of the tremendous impact we can make on the world.

In the face of the current global landscape, where uncertainties and hardships abound, our theme is not merely a phrase but a call to action. It is a reminder of the incredible role we play in restoring faith, uplifting spirits, and bringing light to those in need. By embodying the theme "Create hope in the World," we offer a glimmer of optimism and remind others that even in the most challenging circumstances, hope can thrive.

If you take a look at our theme logo, there are six different colors and each color represent something beautiful.

First is the color Persimmon that represents our enthusiasm, optimism, and a sense of renewed hope which can evoke feelings of positivity and our

belief in brighter possibilities.

Second color is Lemonade that represents freshness, positivity, and our sense of invigoration symbolizing the potential for new beginnings and a brighter future.

Third color is Cardinal which means strength, courage, and vitality. It represents our determination and optimism that fuel our aspirations and keep us moving forward.

Fourth color is Fuchsia represents the energy and passion that propel us towards positive change and a brighter future

Fifth color is the Rotary Royal Blue that represents our steadfast belief in positive outcomes and a sense of reassurance amidst challenges. It symbolizes the strength and confidence we hold onto as we strive for a better future.

And lastly, the sixth color is Amethyst that symbolizes our belief in personal growth, healing, and positive change. It can represent our journey towards a renewed sense of hope and the ability to overcome obstacles through our inner strength as individuals and as a one Rotary family.

Our world needs the message of hope that Rotary brings. By living our commitment as Rotarians, we become ambassadors of positive change, leaving a legacy that transcends time. Let us continue to strive for excellence, foster understanding, and sow the seeds of hope wherever we go.

Let us embrace our roles as Rotarians within the Rotary Club of Tacloban, knowing that the theme "Create Hope in the World" is not just a slogan but a transformative force that can change lives and communities.

Thank you and once again, good day!

Rotary International President's Message for July 2023

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should

inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1** The development of acquaintance as an opportunity for service;
- 2** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3** The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

OF THE THINGS WE THINK, SAY OR DO

- 1** IS IT THE TRUTH?
- 2** IS IT FAIR TO ALL CONCERNED?
- 3** WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
- 4** WILL IT BE BENEFICIAL TO ALL CONCERNED?
