77 YEARS OF SERVICE ABOVE SELF

President's Message

Dearest Fellow Rotarians:

I am immensely thankful for the remarkable dedication and enthusiasm you have shown as we commence this new Rotary year. Your active involvement has set a positive tone, and I am eager to see the impactful activities and projects we will embark on together.

As we look forward to the coming months, I want to highlight several key events and opportunities for us to collaborate and grow. There will be an Irresistible Vibrant Club Seminar in Cebu City hosted by Rotary Club of Cebu Fort San Pedro on August 17, 2024 from 8 AM to 5 PM, with a registration fee of P2,500.00. This workshop is open to club directors and new members, with mandatory attendance for Presidents, Secretaries, and AGs. On August 20, 2024, Incoming Governor Jong is inviting all Incoming Presidents that will take place in Manila, focusing on preparation for his Rotary year.

Following that, on August 23, we have the Rotary Club of Leyte Gulf Induction at 7 PM at Rosevinel Hotel (attire: Barong Tagalog). On August 24, we will celebrate the Rotary Club of Tacloban 77th Charter Anniversary and Induction of Officers. Further details to follow. I also want to inform everybody that we already paid our Club Invoice for July 2024.

Before concluding, I urge everyone to keep our fellow countrymen affected by the recent flooding in Manila, caused by Typhoon Carina, in our thoughts and prayers. Let us be prepared to extend any assistance we can offer to those in need.

Your participation in these matters is crucial, and I encourage everyone to take part and stay engaged. Your involvement will not only solidify our community but also amplify our efforts to make meaningful contributions.

Thank you once again and I truly value your enduring service above self.

Yours in Rotary service,

Jose Antonio "Joey" Reyna
President, RY 2024-2025

Secretary's Message

Greeting Fellow Rotarians!

I want to extend my sincere thanks to all of you for your incredible support and active participation on our recent activities.

On July 18, it was heartwarming to see such a lively turnout at our 1st Regular Meeting. The energy and enthusiasm were evident, and it was wonderful to have so many members and guests in attendance. During the meeting, we also held a handover ceremony to welcome our new President, Joey Reyna. The fellowship and camaraderie we shared were truly special. I hope we can maintain this positive energy in our regular meetings, as President Reyna aims to make our weekly gatherings fun and invigorating once again.

I was also deeply moved by the strong involvement of our members in the Bloodletting activity held on July 22 at the St. Pauls School of Professional Studies. This event was vital, as it contributes to saving lives and supporting our community's health needs. Your participation made a significant impact, and we are grateful for your dedication to this noble cause.

As we look to the future, I encourage all of you to continue this level of engagement and accomplishments. Let's keep this momentum going and strive to make each event and meeting as impactful as the last.

Thank you again for your unwavering support and commitment.

Yours in Rotary service,

Neil M. Sia
Secretary, RY 2024-2025

Rotary Information

Jude A. Duarte
PE / Vice President

July is Maternal and Child Health Month

Maternal and child health is a significant public health issue. Together, we can end preventable deaths among all women, children and adolescents and improve their health and well-being. Today, still too many women, infants and children worldwide have little or no access to essential, quality health services and education, clean air and water, and adequate sanitation and nutrition.

Maternal health means women's health during pregnancy, childbirth, and postnatal. Each stage should be a positive experience, ensuring women and their babies reach their full potential for health and well-being. Although a progress occurred in the last two decades, about 287 000 women died during and following pregnancy and childbirth in 2020. This number is unacceptably high.

The most common direct causes of maternal injury and death are excessive blood loss, infection, high blood pressure, unsafe abortion, obstructed labor, and indirect causes such as anemia, malaria, and heart disease.

Most maternal deaths are preventable with timely management by a skilled health professional working in a supportive environment. Ending preventable maternal death must remain at the top of the global agenda. At the same time, simply surviving pregnancy and childbirth can never be the marker of successful maternal health care. It is critical to expand efforts reducing maternal injury and disability to promote health and well-being.

Every pregnancy and birth is unique. Addressing inequalities that affect health outcomes, especially sexual and reproductive health and rights and gender, is fundamental to ensuring all women have access to respectful and high-quality maternity care."

About 140 million births take place every year. The proportion attended by skilled health personnel has increased: from 58% in 1990 to 81% in 2019. It is mainly due to higher numbers of births at a health facility. Deaths from complications during pregnancy, childbirth, and postnatal have declined by 38% in the last two decades. However, an average reduction of just under 3% per year, this pace of progress is far too slow. It also hides vast inequalities within and across countries. More than half of maternal deaths occur in fragile and humanitarian settings. Sub-Saharan Africa and Southern Asia share the greatest burden of maternal deaths, 86% of the global total in 2017.

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger. We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under five die each year due to malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1** The development of acquaintance as an opportunity for service;
- 2** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3** The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1** Is it the **TRUTH**?
- 2** Is it **FAIR** to all concerned?
- 3** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4** Will it be **BENEFICIAL** to all concerned?
