77 YEARS OF SERVICE ABOVE SELF

President's Message

Dear Committed Rotarians,

I hope this message reaches you in good health and safety. After the recent passing of Typhoon Kristine, which affected our city and devastated parts of the country, I wanted to take a moment to check in. I trust you and your families are doing okay, but if any of you need help or support, please don't hesitate to reach out. Now more than ever, let's stand by each other and keep those who were severely affected in our thoughts. Let us offer our prayers and, as Rotarians, remain ready for opportunities to help those in dire need.

Today also marks World Polio Day, a significant moment in our mission to eradicate this crippling disease. Yesterday, some of us had the privilege to administer anti-polio vaccines to babies in our community, taking another step toward a polio-free world. But this fight is far from over. The battle to end polio requires continuous dedication, and I encourage each of you to recommit to this cause. As Dr. Jonas Salk, the inventor of the polio vaccine, once said, "Hope lies in dreams, in imagination, and in the courage of those who dare to make dreams into reality." We are the ones daring to make this dream of a polio-free world into reality. Every effort we make brings us closer to a future where no child will have to live in fear of polio.

Lastly, I'd like to remind everyone about our upcoming Family Day on October 27, 2024. I'm looking forward to spending this time together with you and your families. It will be a great chance for us to relax, enjoy some fun, and strengthen the bonds that make our Rotary family so strong.

Stay safe, stay hopeful, and let's continue working together to make a lasting impact in our community and beyond.

*Yours in Rotary Service,
Jose Antonio "Joey" Reyna
President, RY 2024-2025*

Secretary's Message

Dear Rotary Friends,

I'm excited to share a truly special moment we were a part of: our club's participation in Kawayanihan, the bamboo planting initiative that took place on October 18, 2024. This was a day when we made history together, joining an official Guinness World Records attempt for the most people planting bamboo at the same time.

Bamboo is a symbol of resilience, sustainability, and hope for the future. It has the power to help in so many ways, from absorbing carbon to protecting our soil from erosion. Through this initiative, we made a meaningful contribution to tackling environmental challenges that not only impact our local communities but resonate globally.

In addition to this, our club stepped up for another crucial cause. In line with World Polio Day, the Rotary Club of Tacloban initiated a program where we personally administered anti-polio medicine to the babies in V&G Tacloban. This was not only an act of service but a powerful step in the global effort to eradicate polio, a disease that has caused so much suffering. Each dose of medicine brings us closer to a world where no child will ever have to suffer from this preventable disease again.

I want to thank everyone who participated in both the Kawayanihan and the World Polio Day initiatives, as well as those who supported behind the scenes. Your hard work and dedication to our club's mission continue to inspire me, and I know we are making a real impact.

Let's keep this incredible momentum going as we continue to serve our community and tackle some of the biggest challenges we face. Every action we take together brings us one step closer to building a better future.

*Yours in Rotary Service,
Neil M. Sia
Secretary, RY 2024-2025*

Together, We End Polio

The Disease

Poliomyelitis is a highly infectious disease that most commonly affects children under the age of 5.

Most know it as poliovirus. The virus is spread person to person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

Our Partners

The fight to end polio is led by the Global Polio Eradication Initiative (GPEI), which includes Rotary, UNICEF, the U.S. Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), the Bill & Melinda Gates Foundation, and governments of the world, with the support of many others around the globe.

Gavi, the Vaccine Alliance

Gavi uses innovative finance mechanisms to secure sustainable funding and an adequate sup-

ply of quality vaccines. Gavi supports the inclusion of inactivated polio vaccine (IPV) in routine immunization programs and the strengthening of health systems in Gavi-supported countries.

The Facts

1. Polio mainly affects children under age 5.
2. There is no cure, but polio is preventable with a vaccine.
3. Only two countries remain endemic.
4. We've reduced cases by 99.9% since 1988.
5. Until we end polio forever, every child is at risk.

Who is Affected?

Unless we eradicate polio, within 10 years, as many as 200,000 new cases could occur around the world each year. In the past few years, only two countries have reported cases of polio caused by the wild virus, but no child anywhere is safe until we've vaccinated every child.

Faces of the Fight
