PRESIDENT'S MESSAGE

JUDE A. DUARTE
President, RY 2025-2026

To my fellow Rotarians,

Greetings to all!

We're heading into a week full of events and opportunities, and it feels right to send a quick note as a friendly heads-up.

On September 13, the Vibrant Club Seminar 2025 takes place at Montebello Garden Hotel in Cebu. With the theme "Unite for Good," it promises a full day of building networks and strengthening how clubs in the Visayas work together. Attending will give us the chance to see how other clubs are building their projects, and it's always helpful to take fresh ideas back home to enrich what we do in Tacloban.

Next week, after our regular meeting, we head straight to Manlurip Elementary School for Basayaw. This is something we can all look forward to because it blends creativity and learning for the children. Our presence will show the pupils that Rotary is there to encourage their growth, and it will also give us another chance to spend time together as a club outside of the meeting room.

And then, an important date for us all: October 4. Our District Governor will be with us for the Governor's Visit. This visit matters because it gives us the opportunity to show how our club is moving forward. It is also a time for us to hear directly from our Governor and reflect on how our work connects to the bigger picture of Rotary. Beyond that, it's also a special day for fellowship, and every Rotarian's presence counts.

We really have plenty ahead of us, and it's exciting to see what we can do together. Thank you for continuing to give your time and energy.

In unity and service,

JUDE A. DUARTE
President, Rotary Club of Tacloban

SECRETARY'S MESSAGE

ROMER S. SERNA
Secretary, RY 2025-2026

Warm hello to the Rotary family!

I want to thank everyone who came to our 8th Regular Meeting last week. It was a great day for learning. We were fortunate to have Mr. Rofil Sheldon Magto of Globe Philippines as our guest speaker. His talk on mangroves opened our eyes to how fragile these ecosystems are and how much they depend on how we care for them. He explained how storms, while damaging, also help spread seeds that keep mangroves alive and diverse. What stays with me is how nature can heal itself if given the chance, but when human activity disrupts the balance, the damage can last far longer. His call for using the right science and partnerships is something we can all carry forward in the work we do.

We were also honored by the presence of guests who bring their own experiences and leadership to the table: Mr. Roy Nebrija, once a part of our own Rotary family, and Prof. Oreste M. Ortega, Jr., and Dr. Gil Nicetas B. Villarino of Leyte Normal University. Seeing them there affirmed that Rotary's work is always about people choosing to be part of something bigger than themselves.

What I appreciated most was seeing 22 members take part in the discussion. I've noticed that every time we sit down as a group, something useful comes out of it. Sometimes it's a plan, sometimes it's just a better understanding of each other, but it always matters. These weekly gatherings of learning may seem small, but they add up. They shape the way we serve our community.

Let's keep making time to learn from each other and from the people we invite into our space. The knowledge we gain in these meetings is not for us alone, as it guides us in serving better and responding to real needs in our community.

I hope to see you all again at our next meeting. Your presence matters, and your voice makes a difference.

Together in Rotary service,

ROMER S. SERNA
Secretary, Rotary Club of Tacloban

ROTARY INFORMATION

NEIL M. SIA

President Elect/Vice President, RY 2025-2026

ROTARY INTERNATIONAL PRESIDENTIAL MESSAGE FOR SEPTEMBER 2025

When I stepped into the role of Rotary International president, the moment came swiftly and unexpectedly. It got me thinking how the world can change in an instant, and how Rotary has the power to be a steady force for good in that change. This month, Rotary's Basic Education and Literacy Month, we have a clear call to action: to strengthen the foundation of learning in every community we serve.

Millions of people worldwide remain unable to read. Millions of children lack access to basic education. And yet, we know the solution: sustainable, inclusive, and equitable education, especially for girls and marginalized youths. Literacy is more than the ability to read and write. It is the key to human dignity, economic mobility, and peace. Every book opened, every classroom supported, and every teacher trained becomes a building block of peace.

This year, our message is Unite for Good. "Unite" speaks to the strength we find in each other. When we unite our talents and resources — not only among our clubs but across partners, organizations, and communities — we expand our reach. And when we do so consistently over time, we create lasting change. Rotary service cannot be measured only in annual goals. Our work in education must extend beyond a single year. Literacy projects take time to take root, grow, and bear fruit.

Now is the time to think boldly and creatively. New types of clubs can help us engage educators, students, and advocates in new ways. Let us use this month to welcome new members with a passion for education and empower existing ones to lead service projects that reflect local needs. Whether you're building libraries, distributing textbooks, or mentoring students, your actions matter.

Education is also peacebuilding. Every scholarship we provide, every early childhood program we support, every adult literacy class we fund is an act of peace. And Rotary has been building peace in this way for more than a century.

Let us not forget that the fight for literacy is not only about access, it's about equity. It is about ensuring every learner, regardless of background, has the opportunity to reach their potential. And it is about standing together — across borders, languages, and generations — to say that education is a right, not a privilege.

Let's Unite for Good by committing to literacy that lasts. Let's dream of a world where every child learns to read. And then, as people of action, let's work together to make that dream a reality.

Together, we can change lives, starting with the power of education. Together, we Unite for Good.
