PRESIDENT'S MESSAGE

JUDE A. DUARTE
President, RY 2025-2026

Fellow Rotarians,

A warm hello to all of you.

The magnitude 6.9 earthquake that struck near Cebu on September 30 was felt in many parts of the Visayas, including our city. While Tacloban did not experience major damage, others closer to the epicenter are still coping with the effects. Let us keep them in our thoughts as they continue their recovery.

This week, we have the honor of welcoming District Governor Angel “Jong” Fernandez Jr., together with his spouse, Sps Maria Regina, and his team, for his official visit on October 2, 11:00 am at the Rotary Center. We are deeply grateful that the Governor is taking the time to be with us, and we look forward to learning from his insights and guidance. His presence shows that our work here in Tacloban is part of a bigger effort across the district and the Rotary world.

We will begin with a Board of Directors meeting, where the Governor will preside as we present our club's programs and plans. It will be a valuable opportunity to share what we want to achieve in our community through our club and to hear his thoughts on how we can grow further.

At 12:00 noon, we will hold our General Membership Meeting. A meaningful part of this gathering will be the induction of two new members, highly respected leaders from higher education institutions in Tacloban. Their joining signals new energy and perspectives for our club, and we are glad to welcome them into our circle.

We also look forward to the Governor's Night on October 4 at Hotel Alejandro. This will be a chance to spend time together in a more relaxed setting while showing our appreciation for the Governor's visit. Please wear business attire as we gather for this occasion.

These coming days give us several opportunities to engage and move our plans forward as a club. I hope to see each of you there, contributing in your own way.

Always in Rotary,

JUDE A. DUARTE
President, Rotary Club of Tacloban

SECRETARY'S MESSAGE

ROMER S. SERNA
Secretary, RY 2025-2026

To my companions in Rotary,

Greetings!

Before we proceed, I want us to pause and send our thoughts and prayers to those affected by the fire in Sta. Cruz, Tacloban City, which broke out last night, September 30. Among those hit hardest are the students who live there as boarders. Their homes, possessions, and sense of security may have been deeply shaken. May they find shelter, support, and comfort in the days ahead.

Turning now to brighter news in our service work: our club recently carried out the pilot run of Once Upon a Step – A Story-Dance Literacy Workshop. We held it in a local elementary school, and Grade 2 students joined in a storytelling and movement activity tied to the story An Suok na Magsangkay (“Best Friends”).

What struck me was how deeply the children engaged. The story is rooted in Waray-Waray, and its themes of friendship, integrity, and community felt familiar to them. Pairing narrative with movement invited them to hear the story and to live it, to explore how characters move, respond, and relate.

We structured the program in two phases. The first combined storytelling and a dance workshop. The second, held a few weeks later, allowed students to perform and reflect, sharing what they felt, what they understood, and how the story connected to their lives. In their performances, I saw curiosity and ownership of what they'd learned.

This kind of work teaches us that literacy is not a single path. Some students learn by reading, others through doing, and others through hearing. When we allow space for all those paths, learning becomes more inclusive and more alive. That said, none of this would have happened without the cooperation of teachers, Rotarians, Rotaractors, and partners from SLSU. Their patience and coordination made the sessions run smoothly.

We are pleased with how the pilot turned out. It gives us confidence that this model can work again—with new stories, in other schools, and with adjustments as needed. In supporting Basic Education and Literacy, this project aligns clearly with one of Rotary's key areas of focus.

Thank you to everyone who turned up, who assisted behind the scenes, and who believed that this idea was worth trying. Your effort made a difference and will continue to matter.

In the spirit of Rotary,

ROMER S. SERNA
Secretary, Rotary Club of Tacloban

ROTARY INFORMATION

NEIL M. SIA

President Elect/Vice President, RY 2025-2026

ROTARY INTERNATIONAL PRESIDENTIAL MESSAGE FOR OCTOBER 2025

October is Rotary's Community Economic Development Month, a time to spotlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns perfectly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. That is precisely what Rotary's economic development projects aim to achieve.

Take, for example, a recent initiative in southern India in which Rotary members unlocked the power of women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and are shunned by society or blamed for their misfortunes. Opportunities to support themselves or obtain training are minimal.

This year, the Rotary Club of Windsor-Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India — and with the Indian organization Sevalaya Trust — to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each woman received a certificate for completing the program, and the sewing-machine provider offered free long-term maintenance for the machines. The project offered vital income and dignity to women ostracized by society after widowhood.

This story is one example of Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or to impose outside models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is there untapped talent that could be supported with training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups?

Leadership is not always about being visible. Sometimes it means listening, working collaboratively, and amplifying the voices of others. That approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity — whether through microcredit groups, vocational training workshops, or entrepreneurship programs — we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart. By nurturing local leadership, we can create opportunities that ripple through communities, empowering individuals, families, and societies.

Together, we can support economies that work for everyone and enact community development projects that last.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster

- 1. The development of acquaintance as an opportunity for service;**
- 2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;**
- 3. The application of the ideal of service in each Rotarian's personal, business, and community life;**
- 4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.**

THE FOUR WAY TEST **OF THE THINGS WE THINK, SAY OR DO**
