PRESIDENT'S MESSAGE

JUDE A. DUARTE
President, RY 2025-2026

Dear Rotarians and Friends:

As always, it is a pleasure working alongside each of you as we continue to serve our community with dedication and heart.

May we gently remind members who have yet to settle their club dues and The Rotary Foundation (TRF) contributions to kindly do so when convenient. Your steady support keeps our service efforts moving and allows us to reach more people in our community.

We would also like to share a few moments worth looking forward to as a Rotary family. Valentine's Day on February 14 offers a chance to acknowledge the families and loved ones who patiently support our commitments to service. Their understanding and encouragement often happen quietly, but they are very much part of everything we accomplish.

We also extend our warm wishes to our Chinese friends and members as Chinese New Year on February 17 draws near. This occasion brings with it a sense of renewal, fresh hopes, and the opportunity to continue the year with strong friendships and shared purpose.

To add a little extra flavor to our gatherings, we will be serving different dishes at our meetings so there will always be a variety of tastes to look forward to. Any suggestions are very much welcome, and if there is a dish you would like to recommend, please feel free to share. We would love to hear your ideas.

Thank you, as always, for your cooperation and for the genuine fellowship that defines our club.

Yours in service and fellowship,

JUDE A. DUARTE
President, Rotary Club of Tacloban

SECRETARY'S MESSAGE

ROMER S. SERNA
Secretary, RY 2025-2026

Dear Friends in Rotary:

Our meeting on February 5, 2026, continued a series that many of us have come to genuinely appreciate, inviting remarkable individuals whose professional journeys offer learning that can guide the projects we pursue and the communities we serve.

We were honored to hear from Engr. Adonis Talabo, a member of the Professional Regulatory Board of Electronics Engineering. His experience in public service and regulation gave us valuable insight into how technical expertise and ethical leadership shape national systems. He spoke with clarity about how engineering standards influence public safety, infrastructure planning, and long-term development. Several members shared afterward that his reflections sparked new ways of thinking about how Rotary initiatives can align with innovation and responsible governance at the community level.

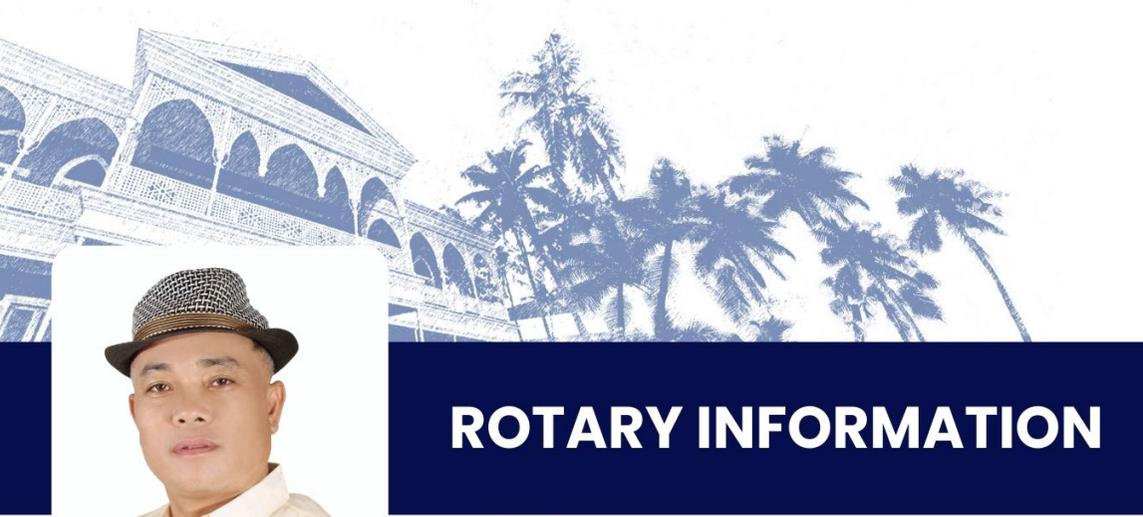

This direction in our programs is deliberate. We are shaping a meeting culture that is engaging and purposeful, where learning fuels ideas and ideas guide service. Attending has become something to look forward to because each gathering offers something new and meaningful to take home.

We encourage everyone to stay excited for the coming meetings. More speakers and thoughtful conversations are being prepared, and we are eager to continue growing together as a club.

Thank you for the enthusiasm you bring to our fellowship and for the commitment that strengthens everything we do.

With Rotary regards,

ROMER S. SERNA
Secretary, Rotary Club of Tacloban

ROTARY INFORMATION

NEIL M. SIA
President Elect/Vice President, RY 2025-2026

Rotary International President Francesco Arezzo's February 2026 Message

At last month's International Assembly, President-elect Olayinka "Yinka" Hakeem Babalola called on members of the Rotary world to live out our presidential message for the 2026-27 Rotary year: Create Lasting Impact.

This February, as we observe Peacebuilding and Conflict Prevention Month, we have an opportunity to channel Yinka's call to action into real change.

Peace is not simply the absence of war. A life free from conflict but marked by hunger, instability, or the inability to care for one's family is not true peace. Peace requires liberty, opportunity, and respect for human dignity. Yet fear often blocks that path — fear of change, of cultural loss, of people we don't understand.

Fear isn't defeated through avoidance or aggression. Knowledge is the first step toward peace. Rotary embraces this idea. Our Rotary Peace Centers and their peace fellows, along with other peace education initiatives, demonstrate how knowledge builds trust and helps communities find solutions to conflict.

In Colombia, decades of conflict have left deep wounds. The 2025 Rotary Foundation Programs of Scale awardee, Pathways to Peace and Prosperity, partners with the United Nations World Food Programme to expand opportunity, improve conflict resolution, and connect people with social services. Its goal is to break cycles of violence, poverty, and food insecurity so peace can take root.

In Maharashtra, India, People of Action honoree Swati Herkal built peace through prosperity. Her project confronted farmers' declining soil health, rising debt, and illness caused by chemical fertilizers. She and her Rotary partners launched a regenerative agriculture program that revitalized the land, lowered costs, and restored stability. More than 1,100 farmers now participate and over 50 villages have adopted the model.

Rotary also advances peace by restoring dignity. In Chad, Rotary Peace Fellow Domino Frank discovered that more than 1,500 women who fought in a rebellion had been erased from reintegration programs. His advocacy led to Chad's first Rotary Foundation global grant and the creation of Corridors of Peace. More than 100 women — triple the goal — completed literacy and vocational training and formed a cooperative to support their families.

From Colombia to India to Chad, the lesson is clear: Peace is not a dream. It is the result of sustained action with a focus on true, lasting impact. To replicate these successes, Rotary clubs can take three steps: Learn from peace fellows and other peace experts in our organization, apply a peacebuilding lens to community assessments, and prioritize impact over ceremony.

In a world filled with fear, Rotary cannot be satisfied with half-measures and empty words. If we are truly people of action, then action must define us. Together, we can Create Lasting Impact — across the globe, in our communities, and in ourselves.
