PRESIDENT'S MESSAGE

JUDE A. DUARTE
President, RY 2025-2026

Distinguished Rotarians:
Greetings!

March has arrived, and in Rotary, this month is dedicated to Water, Sanitation, and Hygiene. Many Rotary clubs use this period to focus on projects related to clean water and proper sanitation. Access to safe water affects everyday life in many communities. It influences health and the daily routines of families. In many areas, simple improvements in water access change the way communities function. This month gives Rotary clubs a chance to revisit these concerns and look at how local efforts can support practical solutions.

In connection with this month's theme, our club currently has ten units of Jetmatic pumps available for distribution. These pumps can support households or communities that struggle with water access. Members are encouraged to help the club identify possible recipients who may benefit from this assistance. If you know of families, schools, or communities with a need for a water source, please let the club know so we can review the possible distribution.

As we continue through the month, may I also remind everyone about the payment of club dues and contributions to The Rotary Foundation. These contributions support many Rotary initiatives and allow clubs to take part in programs that extend beyond the local level. Your participation in this effort helps sustain projects that address real needs in different communities. Timely support also helps the club plan activities with greater certainty.

Another important matter to note this month is the early registration deadline for DISCON 2026. Members who are planning to attend are encouraged to register within the early period. The district conference brings together Rotarians from many clubs, and it provides an opportunity to hear updates from the district leadership and learn about ongoing initiatives. Early registration also helps organizers make the necessary arrangements for the event.

March will likely bring a full schedule of meetings and activities. I encourage everyone to stay involved and keep an eye on upcoming announcements. Our regular gatherings remain a good time to exchange updates and hear what other members are working on.

Thank you for continuing to take part in the life of the club. I look forward to seeing many of you in the coming weeks.

With gratitude for your Rotary commitment

JUDE A. DUARTE
President, Rotary Club of Tacloban

SECRETARY'S MESSAGE

ROMER S. SERNA
Secretary, RY 2025-2026

To Our Fellow Rotarians:

Last week's fellowship night turned out to be a very enjoyable evening for the club. Many of you came early, and the room slowly filled with conversation even before the program began. It felt good to see members greeting each other and settling into the relaxed atmosphere.

The evening coincided with the Chinese New Year, so we decided to bring in a lion dance to add to the celebration. When the drums started, everyone immediately looked toward the entrance. The lions moved around the hall and stopped near the tables where members were seated. Many of us stood up to watch, and several took photos as the performance moved from one side of the room to the other. The sound of the drums and the movement of the dancers made the gathering extra lively.

We also kept in mind that Rotary is marking its 120th Charter Anniversary this year. Being part of a club with such a long history carries a certain sense of continuity. Many generations of Rotarians have gathered in similar rooms and worked on projects that support their communities.

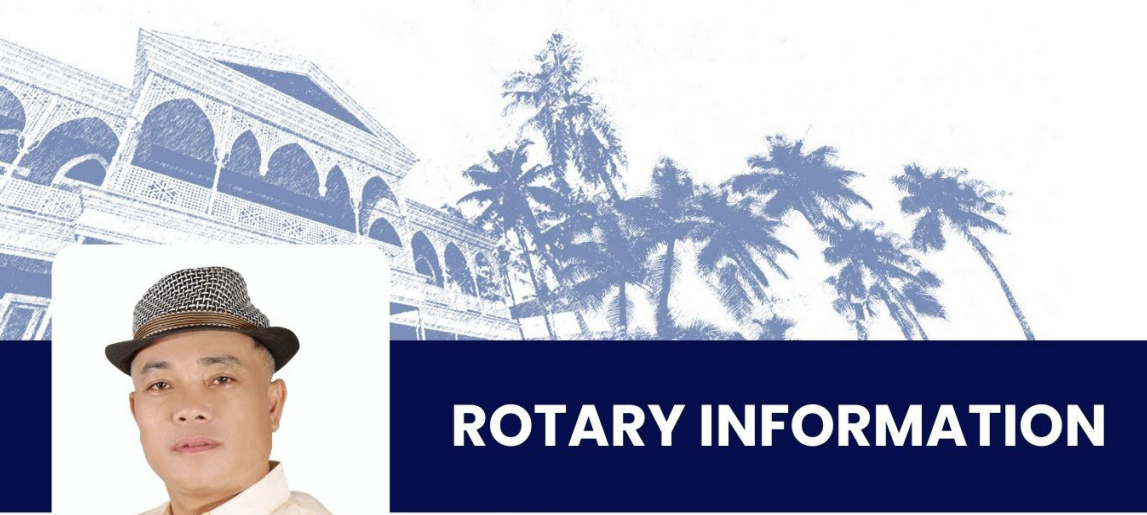

Of course, the evening would not be complete without good food. A generous meal was served, and many members stayed longer than expected while talking with one another. Some conversations turned to club matters, while others moved into everyday stories from work and family.

Thank you to everyone who made time to attend the fellowship night and take part in the celebration. Your presence brought energy to the gathering and made the evening pleasant for everyone who joined.

I look forward to seeing you again at our next meeting.

In service through Rotary,

ROMER S. SERNA
Secretary, Rotary Club of Tacloban

ROTARY INFORMATION

NEIL M. SIA
President Elect/Vice President, RY 2025-2026

Water, Sanitation, and Hygiene Month

March is Water, Sanitation and Hygiene Month – Over 750 million people in the world lack access to safe water and more than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Rotary's projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

MARCH IS

WATER AND SANITATION MONTH

"Water and sanitation must be clear priorities if we are to create a future that allows everyone to live healthy, prosperous and dignified lives."
