## PRESIDENT'S MESSAGE

**JUDE A. DUARTE**  
President, RY 2025-2026

Dear Rotarians,

The past few weeks have moved quickly, and it feels like we are already deep into a busy stretch of the Rotary calendar. With that in mind, I wanted to share a few updates and stay connected with everyone. There have been several activities happening around us, and even small updates are worth sharing, so we all stay on the same page.

First, congratulations to PE Neil and SE Peter for attending the PELS, SELS, and CILS in Koronadal City last April 16 to 18, 2026. Those sessions usually come with a full program and long days, so your effort to be present there is appreciated. I trust that you were able to gather ideas that will be useful for the club, especially as we prepare for the next Rotary year. These training sessions often bring practical reminders about how clubs can run smoothly and how officers can carry out their roles with clarity. When you have the chance, we would be glad to hear some of your key takeaways during one of our meetings. It would help the rest of the members understand what we can adopt moving forward.

We also have DISCON 2026 coming up on May 29 to 30. I have already registered along with Sec Romer, PAG Jacal, Rtn. Bong, and Rtn. Dennis De Paz. Registration remains open for those who would like to attend. The conference gives us time to meet Rotarians from other clubs and stay informed about district matters. It is also a good break from our usual routine, where we get to listen, observe, and simply be part of a larger gathering. If you are considering joining, this would be a good time to confirm your participation while registration is still ongoing.

Next Thursday is our fellowship meeting. We have not finalized the venue yet, so your suggestions are very welcome. If you know a place where the group can gather comfortably, or if you have an activity in mind, please share it. Some of our best fellowship nights have come from simple ideas that members suggested. It may be a familiar place we have not visited in a while, or something new that the group can try. What matters is that we have time to sit down together and enjoy the evening.

As we move through the coming weeks, I hope more of us can find time to take part in these activities. Schedules can get tight, and many of us are balancing different responsibilities. Even so, making time for the club helps keep our connection strong and keeps our plans moving.

Thank you for continuing to stay engaged with the club. I look forward to seeing you at our next meeting and hearing your updates as well.

With warm Rotary regards,

JUDE A. DUARTE  
President, Rotary Club of Tacloban

## SECRETARY'S MESSAGE

**ROMER S. SERNA**  
Secretary, RY 2025-2026

Greetings Fellow Rotarians,

We have had a short pause in our regular meetings over the past couple of weeks. The holiday break came in between, and at the same time, PE Neil and SE Peter were in Koronadal City for the PELS and SELS. It was a good opportunity for them to focus on their upcoming roles. Congratulations to both of you for completing the sessions. We are looking forward to hearing what stood out for you and how these can be applied in the club.

Before that break, we gathered for our fellowship night last March 26. It turned out to be a meaningful evening. One part that stayed with many of us was the welcome song shared by PP Roger Lo. He introduced it as "One Hello," and it carried a message that many could relate to. The song brought to mind PP Mar. His presence has always been part of our gatherings, and there are times when that absence becomes more noticeable. It felt like the kind of evening he would have enjoyed, sitting with the group and taking part in the conversations.

On March 27, the club successfully completed the turnover of solar lights to Benitan Integrated School, marking an important milestone for the project. Prior to the turnover, the installation had already been carried out, ensuring that all units were properly set up and fully operational. With the solar lights now in place, the school can immediately benefit from improved visibility and safety, particularly in late afternoon classes and school events that extend into the evening.

This initiative is expected to make a meaningful difference for both students and teachers, especially in areas where consistent lighting has been a challenge. Beyond convenience, the project also contributes to creating a more conducive learning environment and supports the school's day-to-day operations.

We will now return to our usual schedule. I hope more members can join again in the coming meetings. It always makes a difference when the group is complete, even for a short time.

Thank you, and see you at the next meeting.

With sincere Rotary commitment,

ROMER S. SERNA  
Secretary, Rotary Club of Tacloban

## ROTARY INFORMATION

### Message from Rotary International President for April 2026

Not long ago, in a small health center in the village of Aaye in southwest Nigeria, a woman arrived in labor carrying twins. The facility was short-staffed. The nurse midwife in charge was not present.

A community health worker stepped forward. She had participated in Together for Healthy Families in Nigeria, a Rotary Foundation Programs of Scale Initiative. And though she was not formally trained as a midwife, she was equipped with essential emergency obstetric skills.

Hours later, both babies had been delivered, one at the health center and the other at a general hospital, where the mother had been referred after complications were quickly identified. The newborns and their mother were alive and safe.

Women around the world face similar circumstances every day — moments when the difference between life and loss depends on well-trained medical staff and reliable systems and procedures.

Together for Healthy Families in Nigeria exists to increase the chances that those moments end in hope. By strengthening health systems and training frontline workers, this program helps communities protect mothers and children even when circumstances are difficult.

This work reflects the very heart of Rotary service. Service is not only what we do when conditions are ideal. It is what we do when systems are strained, resources are limited, and the need is urgent. It is the commitment to prepare people before a crisis arrives and to stand with communities when it does.

Maternal and child health is not an abstract goal. It is deeply personal. It is a mother who survives childbirth. It is a newborn who takes a first breath. It is a family that remains whole because someone was trained, ready, and cared enough to act. Rotary understands that service means investing in people and systems long before they are tested.

Programs like Together for Healthy Families in Nigeria show what is possible when Rotary brings together local knowledge, global partnerships, and sustainable solutions. By working alongside health professionals and local leaders, Rotary helps ensure that lifesaving care does not depend on luck or location.

The story of the mother and her twins is at its core a story of service. It is a reminder that Rotary's impact is measured in human moments when people step forward to help others in their most vulnerable hours.

When we Unite for Good, service becomes more than an ideal. It becomes a lifeline for families, a source of strength for communities, and a promise that Rotary will continue to go wherever help is needed most.
