Host of the Day

## Invocation

Help us today to see our opening prayer as conversation, really believing You hear us and care about what we say.

Remind us that You are a perfect Father who listens carefully to His children and desires the very best for us. We thank You for this Family of Rotarians, to which we belong and ask that You bless us as we meet together. Amen.

# THE FOUR-WAY TEST

The test which has been translated  
into more than 100 languages, asks  
The Following questions:

Of the things we think, say or do

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**

## The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# SURVIVE AND THRIVE

YOU MATTER • YOU ARE NOT ALONE • HELP IS AVAILABLE

## **Rotarctors Address Suicide** by Jaishree - Sep 2019

Unfortunately, some people get so depressed as a result of their mental illness or stress, that they consider suicide as an option to escape their emotional pain. They don't really want to die; they just don't know how to cope with or eliminate the pain they are going through. These thoughts were shared by Rtr Dhruv Parikh, President of Rotaract Club of ISME, RID 3141.

The Rotarctors commemorated World Suicide Prevention Day (Sep 10) with anti-suicide campaigns. 'Working together to prevent suicide' is their club's theme for the year. The Rotarctors visited schools, colleges and offices and conducted events such as slogan writing contests where the participants had to write positive messages to overcome suicidal inclinations, and essay competitions where they had to write words of encouragement to people with suicidal thoughts. The charts and essays were displayed on the campuses for a wider awareness and reading.

Place your hand over your heart, can you feel it? That is called purpose. You're alive for a reason, so don't ever give up. When you feel like giving up, just remember the reason why you held on for so long. If you kill yourself, you are also going to kill the people who love you. Pleasure and pain are two aspects of life. They are inseparable. If you are experiencing the painful side of life right now, you will inevitably experience the pleasurable side in the future — the tide will turn.

The Rotarctors shared these positive messages in the talks they delivered at the various campuses.

"By the end of the programme, we were very satisfied that we were able to address a traumatic yet less-recognised issue plaguing all parts of the world," said Parikh.

The club, along with RAC S K Somaiya and RC Bombay Powai, organised a session on self-development at the ISME campus. Motivational speeches were delivered by Sharmee Divan, Pavan Badlani and Raj Shamani on loving yourself, taking risks, facing failure and the art of giving. "It was the kind of session that helped students relate to personal challenges and inspired them to think big," he said.

# Area One WORLD POLIO DAY

## At Your Side

*by The Corrs*

When the daylight's gone and you're on  
your own  
And you need a friend just to be around  
I will comfort you, I will take your hand  
And I'll pull you through, I will understand

I'll be at your side  
If you feel like you're alone, and you've  
nowhere to turn  
I'll be at your side

And you know that

I'll be at your side  
I'll be at your side  
You know that

I'll be at your side,  
there's no need to worry  
Together we'll survive  
through the haste and hurry  
I'll be at your side  
If you feel like you're alone,  
and you've nowhere to turn  
I'll be at your side

I'll be at your side,  
there's no need to worry  
Together we'll survive  
through the haste and hurry  
I'll be at your side  
If you feel like you're alone, you've got  
somewhere to go,  
'Cos I'm right there  
I'll be at your side, I'll be right there for you  
(Together we'll survive) through the haste  
and hurry  
I'll be at your side  
If you feel like you're alone, you've got  
somewhere to go,  
'Cos I'm at your side

If life's standing still and  
your soul's confused  
And you cannot find what road to choose  
If you make mistakes (make mistakes)  
You can't let me down (let me down)  
I will still believe (still believe)  
I will turn around

And you know that

I'll be at your side, there's no need to worry  
Together we'll survive through the haste  
and hurry

I'll be right there for you  
I'll be right there for you, yeah  
I'm right at your side

## FACTSHEET

# Inactivated Polio Vaccine (IPV)

**Vaccination prevents polio** | There is no cure for polio. Polio, along with other childhood diseases, can be prevented by vaccination. One dose of Inactivated Polio Vaccine (IPV) is introduced in the routine immunization schedule in addition with three doses of Oral Polio Vaccine (OPV) as a crucial step in eliminating all forms of polio disease and in securing a polio-free world.

The national routine immunization schedule for infants is as follows:

VACCINE	RECOMMENDED AGE OF THE CHILD					
	AT BIRTH	1½ MONTHS	2½ MONTHS	3½ MONTHS	9 MONTHS	1 YEAR
BCG	✓					
HEPATITIS B	✓					
PENTAVALENT VACCINE (DPT-HepB-Hib)		✓	✓	✓		
ORAL POLIO VACCINE (OPV)		✓	✓	✓		
INACTIVATED POLIO VACCINE (IPV)				✓		
PNEUMOCOCCAL CONJUGATE VACCINE (PCV)		✓	✓	✓		
MEASLES, MUMPS, RUBELLA (MMR)					✓	✓

**IPV and other injectable vaccines may cause mild and temporary reactions which are normal to vaccination** | The immunized child may experience mild fever, and soreness and redness at the injection sites as part of the body's response to vaccination. If these reactions persist or if other reactions are observed, parents or caretakers are advised to consult the nearest health center or hospital.

**What is IPV?** | IPV consists of killed polioviruses and stimulates serum immunity against the three poliovirus types (types 1, 2 and 3).

IPV is safe and effective, and has been successfully used in polio eradication in other countries. IPV does not cause any vaccine-associated paralysis and complements the immunity provided by the OPV.

The differences of OPV and IPV are listed in the table below.

OPV	IPV
Composed of live, weakened viruses	Composed of killed viruses
Given orally, by drops	Given by injection
Given in 3 doses at 1½ months, 2½ months and 3½ months (6, 10 and 14 weeks)	Given in a one dose at 3½ months (14 weeks) maximizes a child's immunity when given in addition to OPV
Provides immunity through the mucosa (mouth and intestines)	Provides immunity through the blood
Passes immunity from person-to-person	Provides individual immunity only
Very low risk for VAPPs or cVDPVs	No risk for VAPPs or cVDPVs

\* VAPP : Vaccine-Associated Paralytic Poliomyelitis  
\*\* cVDPVs : circulating Vaccine-Derived Polioviruses

For more information, please consult the Reference Guidelines.

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of the Massachusetts Institute of Technology,

"And what starting salary are you looking for?"

The engineer replies,

"In the region of \$125,000 a year, depending on the benefits package."

The interviewer inquires,

"Well, what would you say to a package of five weeks vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every two years, say, a red Corvette?"

The engineer sits up straight and says,

"Wow! Are you kidding?"

The interviewer replies, "Yeah, but you started it."

# PRESIDENT'S TIME

Fellow Rotarians,  
we had and have a lot of preparations for all our schedules  
this times

.  
Thanks to this of your true Rotarians who are sharing their  
time for Rotary and our club.

Thanks to Mabel, Christiane & my beloved driver Boris who  
also went with me and our AG Jhun as well as his secretary  
Cynthia to our 2nd ACOM Meeting to Ubay, last September  
21. The 5 clubs in our area had shown that the separation for  
Area F1 meeting to Bohol was the right decision.

Our special BoD Meeting in Rtn Gab Pestelos place "Hideout Foodpark" was also  
successful and we were able to fix the upcoming visit of Governor Philip in the time of  
October 07 to 11.

At this point I would like to express our deepest condolences to our AG Jhun Pedralba who  
lost his father in Australia, so that it is not yet sure if he and Cynthia can/will join this most  
important visit and meeting in the year's club.

Last September 28 our club was able to donate biscuit-cakes and juices to the Tagbilaran  
people, who participated the Family Fun Walk during the Family Week. Thanks again to  
Christiane, Rotaractor President Balolord Menorias of HNU Chapter, helped with some of  
his group to arrange our booth.

I am very happy to announce that our Rotarian and City Mayor of Tagbilaran, Baba Yap,  
during our visit in his office, assured us his full support for our projects PINK OCTOBER,  
POLIO VACCINATION and Governor Philips Visit. He also offered us the mobile dental  
truck of the City of Tagbilaran for our projects.

It is a hectic time for us but I hope we all together can master the upcoming well!  
At least I want to congratulate the members of our RC Tagbilaran under the leadership of  
our IPP Yelle Jubac of Tagbilaran of receiving the "RY 2018-19 Rotary Citation" from Rotary  
International "for helping Rotary be the inspiration in the lives of people all over the world"

So let's work together as a team with the motto ROTARY CONNECT THE World!

Your Champion President  
Irena M. Heberer  
RY 2019-2020

PSAG Louella Bantol

## PHILIPPINE NATIONAL ANTHEM

Bayang magiliw  
Perlas ng silanganan  
Alab ng puso  
Sa dibdib mo'y buhay

Lupang Hinirang  
Duyan ka nang magiting  
Sa manlulupig  
Di ka pasisiil

Sa Dagat at bundok sa simoy  
At sa langit mo'y bughaw  
May dilag ang tula  
At awit sa paglayang minamahal  
Ang kislap ng watawat mo'y  
Tagumpay na nagniningning  
Ang bituin at araw niya'y kailan  
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta  
Buhay ay langit sa piling mo  
Aming ligaya nang pag  
May mang-aapi  
Ang mamatay ng dahil sayo

## BOHOL HYMN

Yuta kong minahal,  
Hatag ni Bathala;  
Sa adlaw'g gabi-i,  
Taknang tanan  
Dinasig sa kinaiyahan  
Sa mga bayaning yutawhan  
Imong kalinaw gi-ampingan  
Lungsod sa bungtod nga matunhay  
Ug matam-is nga kinampay

Puti ang kabaybayunan  
Walog sa suba binisbisan  
Bahandi sa dagat ug kapatagan  
Gugma ang tuburan  
Sa kagawasan sa tanan  
Panalanginan ka  
Ihalad ko lawas ug kalag  
Sa mutya kong Bohol.

I want to be, A Rotarian for the world  
Make the Rotary flag, be the flag of peace unfurled  
I will serve my community  
Help to seek international unity  
Thru Rotary, I will dedicate my all  
World understanding shall be my cherished goal

With the Four Way Test  
I'll pursue my quest  
And I in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe Service Above Self  
Lend a hand to all who'll need my help  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family

With the Four Way Test  
We'll pursue our quest  
And we in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Build a bridge for tomorrow's youth  
Strengthened by nothing but the truth  
Let's join our hands, there's no reason to divide  
We shall all understand, while the good Lord is our guide

With the Four Way Test  
We'll pursue our quest  
And we in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

# OUR COMMITMENT THE SIX AREAS OF FOCUS

- ❖ **Promoting Peace** Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

- ❖ **Fighting Disease** More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

- ❖ **Providing Clean Water** More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

- ❖ **Saving Mothers and Children** At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.

- ❖ **Supporting Education** Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

- ❖ **Growing Local Economies** Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
