INVOCATION

It is good to recognize how different we are. Our talents, our dreams, our backgrounds, our occupations. And it is good to know that when You created each of us, You broke the mold. No one is exactly like anyone else. Even our thumbprint and our voice track tell us how unique we are. Yet, we thank You that we can take these differences and mobilize them for the good of Rotary and our community. In our differences we can think the same thoughts and move together toward a common goal. Bless us as we meet together. Thank You for our individuality and also for our common bond of Rotary. Amen.

PHILIPPINE NATIONAL ANTHEM

Bayang magiliw
Perlas ng silanganan
Alab ng puso
Sa dibdib mo'y buhay

Lupang Hinirang
Duyan ka nang magiting
Sa manlulupig
Di ka pasisiil

Sa Dagat at bundok sa simoy
At sa langit mo'y bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y kailan
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya nang pag
May mang-aapi
Ang mamatay ng dahil sayo

BOHOL PROVINCIAL HYMN

Yuta kong minahal,
Hatag ni Bathala;
Sa adlaw'g gabi-i,
Taknang tanan
Dinasig sa kinaiyahan
Sa mga bayaning yutawhan
Imong kalinaw gi-ampingan
Lungsod sa bungtod nga matunhay
Ug matam-is nga kinampay

Puti ang kabaybayunan
Walog sa suba binisbisan
Bahandi sa dagat ug kapatagan
Gugma ang tuburan
Sa kagawasan sa tanan
Panalanginan ka
Ihalad ko lawas ug kalag
Sa mutya kong Bohol.

*I want to be, A Rotarian for the
world
Make the Rotary flag, be the flag
of peace unfurled
I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my
cherished goal*

Refrain :

*With the Four Way Test
I'll pursue my quest
And I in a way help obtain
Peace in the world
Then I won't have lived in vain.*

*I'll observe Service Above Self
Lend a hand to all who'll need my
help*

*I'll get my spouse to involve in
Rotary
And in Rotary ways, I will train my
family*

*(Repeat Refrain - substitute "I" with
"We")*

*Build a bridge for tomorrow's youth
Strengthened by nothing but the
truth*

*Let's join our hands, there's no
reason to divide*

*We shall all understand, while the
good Lord is our guide*

*(Repeat Refrain - substitute "I" with
"We")*

THE FOUR-WAY TEST

The test which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Killing me Softly

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

I heard he sang a good song, I heard he had a style
And so I came to see him, to listen for a while
And there he was, this young boy, a stranger to my eyes

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

I felt all flushed with fever, embarrassed by the crowd
I felt he'd found my letters and read each one out loud
I prayed that he would finish, but he just kept right on

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly, with his words

PRESIDENT S TIME

April 9, 2019
Regular Fellowship Meeting
Belian Hotel

Good day fellow Rotarians!

I am extending my gratitude to all of you for choosing to be here today. It is with your presence and support that our club is existing for 48 years. 48 years of work in the hope of creating lasting change that will stand long after our involvement is done in our communities and perhaps create change by becoming better people ourselves.

Let's continue moving forward and remove the barrier that is holding us back to become better Rotarians and citizens of our community. I believe that each of us came to Rotary to make a difference, to have an impact and to become part of something larger than ourselves. This is it. We are here now! I ask you to continue to be the inspiration for sustainable service as much as I am inspired by all of you today.

Godspeed fellow Inspiring Rotarians!

Yours Truly,

A handwritten signature in black ink, appearing to read "Ma. Eva Eleanor Jubac".

❖ **PROMOTING PEACE.** Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

❖ **FIGHTING DISEASE.** More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

❖ **PROVIDING CLEAN WATER.** More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

❖ **SAVING MOTHERS AND CHILDREN.** At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.

❖ **SUPPORTING EDUCATION.** Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

❖ **GROWING LOCAL ECONOMIES.** Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
