OBJECT OF
ROTARY

ROTARY – THE OBJECTIVE

The objective of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First - The development of acquaintance as an opportunity for service;

Second - High ethical standards in **business and professions**; the recognition of the worthiness of all useful **occupations**; and the dignifying of each Rotarian's **occupation** as an opportunity to serve society;

Third - The application of the ideal of service in each Rotarian's personal, **business**, and community life;

Fourth - The advancement of international understanding, goodwill, and peace through a world fellowship of **business and professional** persons united in the ideal of service.

THE ROTARY 4-WAY TEST

4. Will it be beneficial to all concerned?

1. Is it the truth?

3. Will it build goodwill and better friendships?

2. Is it fair to all concerned?

PHILIPPINE NATIONAL ANTHEM

Bayang magiliw
Perlas ng silanganan
Alab ng puso
Sa dibdib mo'y buhay

Lupang Hinirang
Duyan ka nang magiting
Sa manlulupig
Di ka pasisiil

Sa Dagat at bundok sa simoy
At sa langit mo'y bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y kailan
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya nang pag
May mang aapi
Ang mamatay ng dahil sayo

BOHOL PROVINCIAL HYMN

Yuta kong minahal,
Hatag ni Bathala;
Sa adlaw'g gabi-i,
Taknang tanan
Dinasig sa kinaiyahan
Sa mga bayaning yutawhan
Imong kalinaw gi-ampingan
Lungsod sa bungtod nga matunhay
Ug matam-is nga kinampay

Puti ang kabaybayunan
Walog sa suba binisbisan
Bahandi sa dagat ug kapatagan
Gugma ang tuburan
Sa kagawasan sa tanan
Panalanginan ka
Ihalad ko lawas ug kalag
Sa mutya kong Bohol.

ROTARY HYMN

*I want to be, A Rotarian for the
world
Make the Rotary flag, be the flag
of peace unfurled
I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my
cherished goal*

Refrain :

*With the Four Way Test
I'll pursue my quest
And I in a way help obtain
Peace in the world
Then I won't have lived in vain.*

*I'll observe Service Above Self
Lend a hand to all who'll need my
help*

*I'll get my spouse to involve in
Rotary
And in Rotary ways, I will train my
family*

*(Repeat Refrain - substitute "I" with
"We")*

*Build a bridge for tomorrow's youth
Strengthened by nothing but the
truth*

*Let's join our hands, there's no
reason to divide*

*We shall all understand, while the
good Lord is our guide*

*(Repeat Refrain - substitute "I" with
"We")*

Find Rotary clubs worldwide with our free Rotary Club Locator app. You can search for clubs by keyword, country, state or province, district, and even meeting day. Or simply use the "Near me" feature to find clubs close to your current location.

Features:

- Display a club's location on a map
- Search for clubs by keyword
- Search for clubs within 1 to 100 miles of your physical location
- Save your search results
- Add a club to your contact list
- View club officer information (available only to Rotarians and Rotaractors)
- Access Rotary Global Rewards

WILL YOU STILL LOVE ME TOMORROW

Tonight you're mine, completely
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow
Is this a lasting treasure
Or just a moment's pleasure
Can I believe the magic in your sighs
Will you still love me tomorrow
Tonight with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the morning sun
I'd like to know that your love
Is a love I can be sure of
So tell me now and I won't ask again
Will you still love me tomorrow
So tell me now and I won't ask again
Will you still love me tomorrow
Will you still love me tomorrow
Will you still love me tomorrow

10 Tips for Avoiding Mosquito Bites

Southeast Asia was declared by the WHO as the area with the greatest risk for contracting dengue fever. Instances of the virus are on the rise; dengue has spread from only nine countries to more than 100 countries in the last 40 years. The key to avoiding mosquito-borne threats such as dengue and malaria is to not get bitten in the first place! Covering up as much as possible, although inconvenient in hot climates, is the easiest and safest strategy.

1. The low-energy mosquitoes in Southeast Asia often remain close to the ground; they tend to bite ankles and legs under tables where they go unnoticed. Always use repellent on at least your legs and feet before going for dinner.
2. Mosquitoes are supposedly attracted to brightly colored clothing. Stick to earth tones or khaki clothing when trekking in Southeast Asia. When possible, cover exposed skin rather than spray it with chemicals. Mosquitoes can bite through tight-fitting clothing.
3. Avoid sweet-smelling soaps, shampoos, and lotions in high-risk areas; remember, mosquitoes prefer to feed on flowers when not reproducing, so try not to smell like one!
4. Dusk and dawn are the times of day when you are most likely to be bitten by an *Aedes aegypti* (the ones that transmit dengue fever) mosquito; cover yourself before enjoying that sunset cocktail!
5. Along with being attracted to carbon dioxide breathed out by their prey, studies show mosquitoes are attracted to chemicals excreted in sweat. Staying as clean as possible — without smelling too flowery — will help to attract less mosquitoes. Staying clean also helps keep your travelmates happier!
6. Reapply DEET to exposed skin at least every three hours for maximum effect. Apply more often if you are sweating a lot. If you need to use both DEET and sunscreen, apply the DEET first, allow it to dry, and then apply sunscreen. Products containing both are often not as effective.
7. When first checking into your accommodation, spray holes found in window screens and nets with DEET. Turn over any buckets, empty flower pots, or other sources of stagnant water outside.
8. "Bug zapper" lights aren't your friends! They don't kill many mosquitoes but actually do zap friendly insects that would have killed mosquitoes for you.
9. If you have one, use the mosquito net above your bed. Tuck in corners to keep the net secured, and spray any holes you find with repellent.
10. Burn mosquito coils — made from a powder derived from chrysanthemum plants — whenever sitting outside for prolonged periods. These coils are usually available from local shops. Don't use them inside; never burn coils inside enclosed spaces. Burning incense sticks will also offer some protection.

My fellow Rotarians,
Thanks to all of you who joined our
“One Rotary One District Bloodletting Activity”
in Dao, Barangay Hall last Wednesday, August 07, 2019.
I am particularly grateful to Doc Matt and his wife Rtn.
Elena, for the organization and medical leadership in
this project. Our club will continue the bloodletting
coming September 4 in Henann Resort, Tawala,
Panglao with the support of the Red Cross also.
Thanks to our PP Fancy Baluyot for organizing
this activity already. The bloodletting project
was very special for a lot of school children in the
Barangay Hall during lunch time. They had been filled
with delicious food and sweets by Rob Simpson and Doc Matt. Thus, this activity day had a
double effect for our club. We also held our 2nd Board of Directors meeting in the
afternoon of Aug. 14 in Kew Hotel, Tagbilaran. It was a lively and successful meeting
and we are already in the preparation of the biggest event for our club
this year, our 50th Anniversary.
Our visit of Vice Governor of Bohol, Rotarian Rene Relampagos,
was very successful and we hope that he will participate frequently
our meetings and fellowships activities.
Applause also to PSAG Baby Bantol for arranging again the “ROTARY ON AIR”.
Details about this will be announced.
ROTARY CONNECTS THE World – let us continue to do good under this motto.
Your Champion President

BIRTHDAY CELEBRANTS

Happy
Birthday

A child asked his father, "How were people born?"

So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on."

The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now."

The child ran back to his father and said, "You lied to me!" His father replied, "No, your mom was talking about her side of the family."

OUR COMMITMENT THE SIX AREAS OF FOCUS

- ❖ **Promoting Peace** Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

- ❖ **Fighting Disease** More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

- ❖ **Providing Clean Water** More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

- ❖ **Saving Mothers and Children** At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.

- ❖ **Supporting Education** Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy

- ❖ **Growing Local Economies** Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
