INVOCATION

Almighty God, we invoke a blessing upon this occasion of Rotary fellowship. Make us aware of the deeper significance of our meeting as we develop our friendships as the source of Rotary service radiating from this community to the wider community beyond. Amen.

THE FOUR-WAY TEST

The test which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

• **FIRST.** The development of acquaintance as an opportunity for service;

• **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

• **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;

• **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PHILIPPINE NATIONAL ANTHEM

Bayang magiliw
Perlas ng silanganan
Alab ng puso
Sa dibdib mo'y buhay

Lupang Hinirang
Duyan ka nang magiting
Sa manlulupig
Di ka pasisiil

Sa Dagat at bundok sa simoy
At sa langit mo'y bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y kailan
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya nang pag
May mang aapi
Ang mamatay ng dahil sayo

BOHOL PROVINCIAL HYMN

Yuta kong minahal,
Hatag ni Bathala;
Sa adlaw'g gabi-i,
Taknang tanan
Dinasig sa kinaiyahan
Sa mga bayaning yutawhan
Imong kalinaw gi-ampingan
Lungsod sa bungtod nga matunhay
Ug matam-is nga kinampay

Puti ang kabaybayunan
Walog sa suba binisbisan
Bahandi sa dagat ug kapatagan
Gugma ang tuburan
Sa kagawasan sa tanan
Panalanginan ka
Ihalad ko lawas ug kalag
Sa mutya kong Bohol.

ROTARY HYMN

*I want to be, A Rotarian for the
world
Make the Rotary flag, be the flag

I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my
cherished goal*

Refrain :

*With the Four Way Test

And I in a way help obtain
Peace in the world
Then I won't have lived in vain.*

Lend a hand to all who'll need my
help*

*I'll get my spouse to involve in
Rotary
And in Rotary ways, I will train my
family*

*(Repeat Refrain - substitute "I" with
"We")*

*Build a bridge for tomorrow's youth
Strengthened by nothing but the
truth
Let's join our hands, there's no
reason to divide*

good Lord is our guide*

*(Repeat Refrain - substitute "I" with
"We")*

Incoming RI president announces 2020-21 presidential theme By Ryan Hyland

Rotary International President-elect Holger Knaack is encouraging Rotarians to seize the many opportunities Rotary offers to enrich their lives and the communities they serve.

Knaack, a member of the Rotary Club of Herzogtum Lauenburg-Mölln, Germany, revealed the 2020-21 presidential theme, ***Rotary Opens Opportunities***, to incoming district governors at the Rotary International Assembly in San Diego, California, USA, on 20 January.

Rotary isn't just a club for people to join, but rather "an invitation to endless opportunities," said Knaack, who becomes president on 1 July. He emphasized that Rotary creates pathways for members to improve their lives and the lives of those they help through service projects.

"We believe that our acts of service, big and small, create opportunities for people who need our help," Knaack said. He added that Rotary creates leadership opportunities and gives members the chance to travel the world to put their service ideas into action and make lifelong connections. "Everything we do opens another opportunity for someone, somewhere," said Knaack.

Changing for the future

Knaack also urged members to embrace change so Rotary can expand and thrive. Rather than setting a specific target for increasing the number of members, Knaack said he's asking clubs and districts to think about how to grow in a sustainable and organic way. He wants clubs to focus on keeping current members engaged and adding new members who are the right fit for their club.

We need to stop thinking of new members as people we can mark down as statistics and then forget about," Knaack said. "Every new member changes us a little bit. That person brings a new perspective, new experiences. We need to embrace this constant renewal. We will grow stronger as we learn from new members."

Knaack pointed to Rotary's Action Plan as a compass that can guide clubs as they evolve. He recommended that every club have a strategic plan meeting at least once a year. At that meeting, clubs should ask where they want to be in five years and how they can bring more value to their members.

Knaack also wants to see more women in leadership roles and see Rotaractors play an integral role in how new clubs are formed and run. He encouraged district leaders to create new club models and rethink what it means to be in Rotary, and allow young people to be the architects of these new clubs.

"We have to be open to new approaches, and creating unique clubs for younger people is just part of the solution," said Knaack. "Let Rotaractors decide what kind of Rotary experience works best for them. These young people are bright, energetic, and they get things done."

In stressing the need for Rotary members to embrace change, Knaack noted that time won't slow down for Rotary: "We will not let rapid change defeat us. We will capture this moment to grow Rotary, making it stronger, more adaptable, and even more aligned with our core values."

"At Your Side"

by The Corrs

When the daylight's gone and you're on your own
And you need a friend just to be around
I will comfort you, I will take your hand
And I'll pull you through, I will understand

And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side

If life's standing still and your soul's confused
And you cannot find what road to choose
If you make mistakes (make mistakes)
You can't let me down (let me down)
I will still believe (still believe)
I will turn around

And you know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, and you've nowhere to turn
I'll be at your side

I'll be at your side
I'll be at your side
You know that

I'll be at your side, there's no need to worry
Together we'll survive through the haste and hurry
I'll be at your side
If you feel like you're alone, you've got somewhere to go,
'Cos I'm right there
I'll be at your side, I'll be right there for you
(Together we'll survive) through the haste and hurry
I'll be at your side
If you feel like you're alone, you've got somewhere to go,
'Cos I'm at your side

I'll be right there for you
I'll be right there for you, yeah
I'm right at your side

John goes into a police station to report that his wife Rebecca is missing.

John: "I've lost my wife. She went shopping yesterday and has still not come home."

Sergeant: "How tall is she, sir?"

John: "I think she's 5 foot something."

Sergeant: "And what about her build?"

John: "She's not slim, but she's not fat either."

Sergeant: "What color are her eyes sir?"

John: "Um...I can't remember."

Sergeant: "And what about the color of her hair?"

John: "Not sure ..it changes all the time depending on what hairdresser she goes to."

Sergeant: "What clothes was she wearing when you last saw her?"

John: "I don't know. It could have been a blue dress. Or maybe a black one. I don't remember exactly."

Sergeant: "When she left to go shopping did she go by car?"

John: "Yes she did."

Sergeant: "And what is the make of the car?"

John: "It's a high performance 560 HP Audi in a very special silver grey metallic paint.

It has 8-speed paddle-shift automatic transmission and a 6.35 litre V12 engine generating at least 460 HP. It has the Z51 Super Performance Package; larger than normal alloy wheels; GT bucket seats; Satellite Navigation with world-wide coverage, and Direct Injection.

It also unfortunately has a very thin scratch on the front left door. And

At this point, John starts to cry.

Sergeant: "Don't worry sir.....We'll find your car."

Presidents Message February 12, 2020

What exciting days since our last meeting at the wonderful new BREW CENTRAEL CAFÉ of Doc Kazan with the induction of our new members IRIS ROBIJN and SVEN DARFSCHLAG. We were able to welcome the Medical Team of Dr. Renato Rivera last Jan. 1 at the Panglao airport and had a wonderful lunch with them at Bohol Tropics. Our Rtn and City Mayor Baba Yap was not only sponsoring this event, he also let us know that his beautiful wife Jane is ready to be a member in our club.

The following 7 days several of us had been busy with preparation and delivery of the afternoon snacks for 50 pax of the medical Team.

Thanks to Cynthia Pedralba/Jhun Pedralba & Victor Bantol/Louella Bantol on Feb 1, Rotary Club Central Jagna (delivered by Cynthia Pedralba) on Feb 2, Christiane Ciurletti & Irena Heberer/Boris Heberer on Feb 3, Joisa Cayanong & Graeme Pedersen on Feb 4, Angie Hoffman & Collin Jubac on Feb 5, Ella Helliksen, Gladys Gallentes & Jack Man-on on Feb 6 as well as IPP Yelle Jubac, Mabel Saniel & Flo Celestia on Feb 7, 2020. This was a part of this wonderful, great and very successful surgery mission at Borja Family Hospital, Tagbilaran and Dr. Rivera has repeatedly told me how much he recognizes our support.

It was nice to see during the culmination program how much all members of the team appreciated the recognition during the Fellowship night on February 7 at Reyna's Haven sponsored by the Provincial Government.

As every year this night was also for celebrating the birthdays of Dr. Renato Rivera and our Congressman and Past Governor Edgar Chatto. Our very own Baby and Vic Bantol took us through this lively evening. Thanks to our PP Fancy Baluyot to give us the opportunity for joining all this extraordinary projects – she is really the QUEEN of HEARTS – and was rightly celebrated as such.

Last Sunday February 02, 2020 also was the Wheelchair and Prostheses Provision at the City Hall, Tagbilaran. It was touching to see especially the first steps with leg prosthesis. Thanks Rtn Rubben & Sven for the morning snack donations for the distribution team also.

Also for our member Iris Robijn had a couple of very exciting days from Jan 31 to February 7 while she accompanied the 8 patients to Bicol, Legazpi for the open heart surgeries. Thanks Iris - what a beginning as a new Rotarian!

It is my deepest need to thank all of you who gave their time, talents and financial support so that we were able successfully carry out our projects.

Next Wednesday (Feb. 19) we will visit our adopted Tanday Elementary school for the Wash Hands & Hygiene Campaign and February 22 we will (even if belated) celebrate the Birthday of our beloved PP Angie Hoffman. This will be as a children's Party in our also adopted Orphanage, The Shepherd Arms Children's Home in Dausi. We will use this day to handover also 2 Notebooks (by IPP Yelle and me) and I also have another sewing machine and blankets to handover there. I hope many of you can be there so that the children will have a nice afternoon. Rotarians of ROTARY CLUB of TAGBILARAN –again: THANKS FOR ALL YOUR HARD WORK AND SUPPORT FOR OUR COMMUNITY.

Stay Healthy in the new year

2018 is among us and one of the most popular New Year's Resolutions is to get healthy. Check out these tips to help stick to your resolution and live a happy and healthy 2020!

Set Realistic Goals

Most people want to change too much at one time and set unrealistic goals for themselves. This is the first step to a New Year's resolution flop. Try to focus on small changes that are actually sustainable for you. Once you have accomplished one goal, move on to another small goal. By the end of the year you will have accomplished so much! Remember, your goals should be S.M.A.R.T.:

S= specific

M= measurable

A= achievable

R= realistic

T= timely

Focus on adding to your diet rather than taking away

One of the best ways to get healthy is to add more healthy foods to your diet. Instead of focusing on restricting your intake, focus on adding more healthy fruits and vegetables, whole grains, lean proteins and dairy to your diet. That way you are getting all the nutrients, vitamins and minerals your body needs. Try using MyPlate as a guide.

Find exercise that you enjoy

If you really hate running, it isn't realistic to set a New Year's resolution to run five days a week because chances are you won't stick to it. Find an exercise class or program that you genuinely enjoy and work towards incorporating more of it into your daily routine. Remember, it's recommended to exercise for at least 30 minutes most days of the week!

Plan Ahead

One of the biggest reasons people fall off the New Year's Resolution bandwagon is that they don't have enough time. That's why an important key for success is planning ahead. If you are planning to start going to an exercise class in the mornings, pack your gym bag the night before so that everything is ready when you wake up. Or, if you know you're usually too tired to cook a healthy meal for dinner, take some time one day that week to make some healthy staple items, like baked chicken, brown rice or quinoa and roasted vegetables. That way you have some healthy options available when you're too tired to cook.

Have a bounce-back plan

Often times a slip becomes a fall, meaning you slip off track for a meal or a workout and that turns into a month of unhealthy eating and skipping the gym. There will inevitably be times when you get off track; relapse is part of the process. Focus on figuring out why this happened and resolve to start fresh at the next meal or the next day instead of waiting until the start of next week or even the start of next month!

OUR COMMITMENT THE SIX AREAS OF FOCUS

Promoting Peace Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

Fighting Disease More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

Providing Clean Water More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

Saving Mothers and Children At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs.

Supporting Education Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.
