Host of the Day

INVOCATION

Gracious God, help us to work together within Rotary so that we may do Your bidding on this earth. And let us say Amen.

THE FOUR-WAY TEST

The test which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

- **Is it the TRUTH?**
- **Is it FAIR to all concerned?**
- **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- **Will it be BENEFICIAL to all concerned?**

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PHILIPPINE NATIONAL ANTHEM

Bayang magiliw
Perlas ng silanganan
Alab ng puso
Sa dibdib mo'y buhay

Lupang Hinirang
Duyan ka nang magiting
Sa manlulupig
Di ka pasisiil

Sa Dagat at bundok sa simoy
At sa langit mo'y bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y kailan
Pama'y di magdidilim

Lupa ng araw ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya nang pag
May mang-aapi
Ang mamatay ng dahil sayo

BOHOL PROVINCIAL HYMN

Yuta kong minahal,
Hatag ni Bathala;
Sa adlaw'g gabi-i,
Taknang tanan
Dinasig sa kinaiyahan
Sa mga bayaning yutawhan
Imong kalinaw gi-ampingan
Lungsod sa bungtod nga matunhay
Ug matam-is nga kinampay

Puti ang kabaybayunan
Walog sa suba binisbisan
Bahandi sa dagat ug kapatagan
Gugma ang tuburan
Sa kagawasan sa tanan
Panalanginan ka
Ihalad ko lawas ug kalag
Sa mutya kong Bohol.

ROTARY HYMN

*I want to be, A Rotarian for the
world
Make the Rotary flag, be the flag
of peace unfurled
I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my
cherished goal*

*Refrain :
With the Four Way Test
I'll pursue my quest
And I in a way help obtain
Peace in the world
Then I won't have lived in vain.*

*I'll observe Service Above Self
Lend a hand to all who'll need my
help*

*I'll get my spouse to involve in
Rotary
And in Rotary ways, I will train my
family*

*(Repeat Refrain - substitute "I" with
"We")*

*Build a bridge for tomorrow's youth
Strengthened by nothing but the
truth
Let's join our hands, there's no
reason to divide*

*We shall all understand, while the
good Lord is our guide*

*(Repeat Refrain - substitute "I" with
"We")*

Heal the World

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow

There are ways to get there
If you care enough for the living
Make a little space
Make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make it a better place
For you and for me

If you want to know why
There's love that cannot lie
Love is strong
It only cares of joyful giving
If we try we shall see
In this bliss we cannot feel
Fear of dread
We stop existing and start living

The it feels that always
Love's enough for us growing
So make a better world
Make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me

And the dream we were conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be god's glow

We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords into plowshares

We could really get there
If you cared enough for the living
Make a little space
To make a better place

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place for you and for me

There are people dying
If you care enough for the living
Make a better place for you and for me

You and for me

March 24, 2021
Regular Fellowship Meeting & Induction Ceremony
South Palms Resort, Bohol
2:00 o'clock PM

Good day fellow Rotarians!

I find it very worthwhile to change meeting venues from time to time. Yes we had a grand time last week when we were in Land Thai Resort wherein we promoted a very new resort.

Today we have chosen to visit South Palms Resort which is one of the best in Bohol. By posting our happy pictures in the social media one will see that we are ever ready for the new normal.

Today we focus in the practice and finalization of activities and program for our 50th Year Anniversary Celebration.

Let us enjoy the white beaches of Bohol. Thank you very much!

Yours in Rotary service,

ALEX NALE BONGAWAN
Club President, RY 2020-2021

**PEACEBUILDING AND
CONFLICT PREVENTION**

Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers.

**DISEASE PREVENTION
AND TREATMENT**

More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives.

**WATER, SANITATION,
AND HYGIENE**

More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and sanitation systems and support studies related to water and sanitation.

**MATERNAL AND
CHILD HEALTH**

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children.

**BASIC EDUCATION
AND LITERACY**

Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

**COMMUNITY ECONOMIC
DEVELOPMENT**

Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

ENVIRONMENT

We are committed to supporting activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment. We empower communities to access grants and other resources, embrace local solutions, and spur innovation in an effort to address the causes and reduce the effects of climate change and environmental degradation.
